

December 2022

MESSAGE FROM THE HEADTEACHER

As we come to the end of another busy term, I want to thank you all for your contribution to our school community.

It has been a real privilege to walk around the school every day and see the engagement and learning that our students are involved in.

Well done to the students in Year 7 for the fantastic start they have made to secondary school. I have been really impressed not only with their work in lessons, but also how much they have involved themselves in extracurricular activities.

The Year 11s have had a very busy time of it recently doing their mock exams. Well done to them. I actually believe the mocks are just as stressful as the real exams and feedback from all the external invigilators has been excellent.

Our Carol concert this week was a reminder of some of the great things that students do. I would like to thank Mr Holcombe and Mr Jones for co-ordinating this event. It was fantastic to see so many parents in support and the community feel of the school re-emerging following on from the past couple of disrupted years.

It has been great seeing so many students take part in the opportunities provided, with our Instagram account continually updated with highlights of the plethora of activities that students take part in.

I would like to thank all of you who have donated to Glebelands Trust. This money enables us to provide the 'little things' to our students which enhance their educational experience.

I would also like to take this opportunity to say a huge thank you to the Cranleigh Lions for their ongoing support. They have funded many opportunities and essential equipment to ensure some of our disadvantaged students do not miss out and have access to a variety of resources. I would also like to thank all those involved in the 'Santa Dash' last week. We really appreciate the generosity of this donation this year.

We have many things to look forward to in the new year. The 3G pitch is well on track for completing next term which will provide a great resource for the students and community. Miss Retter has been working hard on the creation of our new House system. I look forward to working with the new leaders of school council Sarah, Alfrayer and Atreyu, and want to thank the out-going leaders Ella, Jess and Isaac for their contribution to the school and the work they have done with students and SLT to enhance the school. Next term we will also re-launch our parents forum to ensure all key stakeholders are part of future developments and help us continually improve.

I would like to thank Mr Allen (IT) for his contribution to the school over the past number of years. Next term, he begins a new job and we wish him all the best for the future. In his place we have a new Head of IT, Mr Chandler who joins in January. We will also be welcoming Mrs Lowe who will join the DT department to lead GCSE graphics until Mrs Jones returns.

I ask all students and staff to enjoy the break, they have earned it.

I wish all our students and their families a very Merry Christmas and a Happy New Year. I look forward to 2023 where together, I am confident that we can do things better than ever before for all our students.

Mr R Mitchell

YEAR 7

Year 7 have had an excellent first term. They've really settled into life at Glebelands and have made a positive impression on their teachers so far. We've seen some excellent work from students who are challenging themselves and working really hard.

Year 7 this term has been behind the fundraising for the Save the Children Christmas Jumper day on December 9th. The whole week each tutor group put on fundraising activities like guess the number of sweets, lucky dip, cake sales, beat the goalie and a games arcade. Their efforts helped raise £222.04 which added to the total donated on Scopay brings the total to £675.04. A fabulous effort, thank you for all your support. The profits will be shared between Save the Children and our school's chosen charity of Children on the Edge.

Having fun fundraising!

Christmas jumper day

Punctuality and attendance

I am very proud to say that punctuality across the year group is excellent and we have 55 students still at 100% attendance at this stage in the year – this is really great, especially as cold, flu and sick bug season is upon us. I would encourage students to avoid missing days of school wherever possible. There are of course genuine reasons for some absences and ill health cannot be avoided but do please try to arrange medical appointments outside of the school day wherever possible and keep holidays outside of term time.

The following students have reached 100% attendance: Allcott Oliver, Auty Lucy, Baker Leo, Barnfield Jake, Basal Yasmin, Beavis Evie, Betts Jack, Bradbury Thomasina, Bradbury Tristan, Carrieri Giulia, Collins Annabel, Dale-Adcock Martha, De Vos Van Steenwijk Rupert, Denyer Arlo, England Charles, Fuller Jack, Gordon-Smith Edward, Grazier Jacob, Habens Oscar, Hammond Cole, Harrowing Eloise, Hill Samuel, Ingram Dylan, Kenyon Sebastian, Langford Emily, Lee Ethan, Leete Iris, Macdermott Lily-Erin, Maki Alice, McCarthy Amelia, Morgan Lily, Orioha Kevin, Pantlin Olivia, Powell Ryan, Puckova Phoebe, Puentes Maksimova Angelina, Robertson Clara, Rogers Joel, Root Isabella, Ross Evie, Sayers Lily, Shaw Christina, Southgate Lily, Stanley Archie, Steyne Liam, Szecei Szofia, Taiani Sofia, Tegg Jacob, Telling Jacob, Tidy Pippa, Treskin Maksim, Weaver Benjamin, Weaver Elliot, Williams Finley.

Extra-curricular activities

This half term has seen some more Year 7 football matches and our first Year 7 netball match. Well done to those that took part. We look forward to more fixtures in 2023. It was lovely to see so many year 7s taking part in the carol concerts or sang at the Santa Dash event either in orchestra or the school choir. Thank you to the following students for taking part and to all the parents who came to watch and support them: Jake Barnfield, Rupert De Vos Van Steenwijk, Everley Meddings, Josh Bradnock, Nicholas Ford, Alice Maki, Samuel Dobson, Eddie Gordon-Smith, Elliot Weaver, Thomasina Bradbury, Tristan Bradbury, Lucy Auty, Pippa Tidy, Martha Dale-Adcock, Lily-Erin Macdermott, Clara Robertson, and Sylvie Walker.

Commendations

Students in Year 7 are working very hard to earn commendation points that are added to Insight once they reach every full card of 25 commendations. We have 28 students who have achieved over 100 commendations to date and our top 11 commendation earners as of 9th December are Daniel Stovold, Archie Stanley, Evie Ross, Joseph Ross, Kevin Orioha, Clara Robertson, Courtney Lake, Emily Langford, Isabella Avery, and Georgia Davis. Archie and Daniel have managed to get 175 commendations so far. Congratulations to the 50 students who still have zero concerns after a full term. This shows excellent attitude and good organisational skills and we are very pleased you are doing so well.

Half term achievement and effort certificates

Each half term a certificate and a small prize is given to students who are nominated by their teachers for excellent effort or a great achievement in a subject area. Congratulations to the students who have been recognised and awarded these this half term.

SUBJECT	EFFORT	ACHIEVEMENT
Art	Martha Dale-Adcock	Nicholas Donoghue
Drama	Thomasina Bradbury	Lily-Erin Macdermott
D&T: Food	Lily Morgan	Joshua Bradnock
D&T: Textiles	Leo Baker	Olivia Kendall
D&T: Timbers	Chloe Gallo	Tristan Bradbury
D&T: Graphics	Lily Southgate	Maksim Treskin
IT	Jacob Tegg	Keeley Ellis

Music	Ryan Powell	Evie Beavis
PE	Pippa Tidy	Benjamin Ramsdale
RS	Mollie Montgomery	Hayley Jeffery
Science	Sylvie Walker	Benjamin Weaver
Spanish	Leanna Quinlan	Cora Cottrell

The Year 7 team would like to wish you all a Merry Christmas and a Happy New Year. Thank you for all of your support and we look forward to a positive start to 2023 with the Spring term.

Year 7 pupils had their lessons raided last week by Vikings! Each Year 7 tutor group received a visit from an expert in Viking England who explained how Vikings arrived in England and how they lived! Students got the opportunity to write their names in Viking "Runes" as well as handle some artefacts and weapons from Viking England!

Mrs Auty
Head of Achievement Year 7

YEAR 8

Welcome to the Year 8 section of the newsletter. I am very proud of the year group's achievements this half term and we shared those in assembly this week. Year 8s have been busy working hard in class, doing homeworks, taking part in clubs and extra-curricular activities, representing the school at sports fixtures, music events and the choir has been super busy with a range of different performance events that they have been a part of. Thanks to all the teachers at school who help to run all these different opportunities for our children, they do really go above and beyond to provide a huge amount of activities for the students. In addition to this busy raft of things, Year 8s have also contributed to our Christmas Shoebox appeal, our mufti day fundraising, bought bake sale goods and worn their Christmas jumpers for the charity appeal. They always take part in their events with such good spirit and enthusiasm, they are a real credit to you!

In assembly this week we said congratulations to students for being awarded a subject prize from the following departments. Well done to all the students listed below!

Autumn Term 2	Achievement	Effort
Art	Amelia Shimell	Freddie Anderson
Drama	Claudia Bradnock	William Sandiford
D&T Food	Eliot Hard	Blossom Howick
D&T Graphics	Sophia Radley	Oliver Bradley
D&T Textiles	Leah Peters	Gustavs Mucenieks
D&T Timbers	Megan Austwick	Max Morris
IT	Emily-Jane Rapley	Jack Dennison

French	George Rivers	Benjamin Hennessy

December 2022

Geography	Isabelle Radley	Sarah Marsh
History	Benjamin Di Pietro	Jenna MacDermott
Learning for Life	Ella Mezzetti	Maverick Mitchell De Vera
Lexia	Jake Mains	Stanley Coleman
Mathematics	Jack Templeton	Ava Perry
Music	Jaya Baworee	Oliver Di Pietro
PE	Karolina Kusakova	Oscar Robins
RS	Amber Gregory	Riley O'Carroll
Science	Alice Cole	Nicolle Sklenar
Spanish	Sophie Bishop	Sydney Shayler

We also said a big well done to those students who have managed to still maintain 100% attendance and they received a certificate and prize too.

Alexander Auty	Theodore De Vos Van Steenwijk	Jenna MacDermott	
Jaya Baworee	Benjamin Di Pietro	Jake Mains	Sienna Southgate
Oliver Booth	Joseph Elliott	Mary Martin	Amelie Stevens
Freya Bradley	Samuel Elliott	Riley O'Carroll	Jack Templeton
Oliver Buckman	Daniel Elms	Rose Rochester	Lewis Trinder Pullen
Mason Cade	Zachary Frawley	William Sandiford	Esme Warner
Isabel Collins	Amber Gregory	Sydney Shayler	Katherine Whittington
Ethan Dauncey	Daniel Lewis	Reuben Smith	

We recognised our TT Rockstars top scorers with the most correct answers in their teaching groups too. The students named below received a certificate and a small prize. During the holidays students can continue to work on TT Rockstars from home on their computers or phones and build their rockstar profile! Well done to:

Isabella Andrews, Claudia Bradnock, Mason Cade, Theo de Vos Van Steenwijk, Nicole Huet, Jessica Mantripp, George Rivers, Radriel Rodrigues, Sydney Shayler, Laila Smith, Amelie Stevens, Matthew Tang.

December 2022

Finally, we say our goodbyes to Mr Allen Head of Computing Science who moves on to his new school in January 2023. He has been a great tutor to 8RDA and I know they have been busy this week with celebrating their last week with them. We wish him every success in his new school and we welcome Mr Chandler the new IT teacher to our team as his replacement as tutor. From all of the Year 8 tutors and myself, we wish you a very merry festive season and hope you enjoy your holiday time.

Ms McAulay
Head of Achievement Year 8

YEAR 9

The year 9 students have, yet again, enjoyed another very impressive half term of learning and life at Glebelands High School.

Lessons, as always have been impressive, year 9 reports have been completed by staff and sent home to parents, demonstrating your child's level on engagement in lessons. Outside of lessons, the students have enjoyed wearing odd socks in support of Anti Bullying week, raising money and participating in activities in support of Children in Need and Child on the Edge. Wearing their Christmas jumpers and eating their Christmas meals.

Tutors have met with parents and discussed students' progress within school. We have enjoyed yet another celebration assembly, and recognised the achievements of all the amazing students we have in year 9 and Mr Jones has spoken, reinforced by their tutors, the importance of revision in preparation for their exam week which starts on Monday 9th January.

It truly has been a busy and successful half term.

Half Term Achievement and Effort Certificates:

Each half term a certificate and a small prize are given to students who are nominated by their teachers for excellent effort in a subject area or great achievement. Congratulations to the students who have been recognised and awarded this half term.

	Achievement	Effort
Art	Lara Shickell	Kyrylo Rusalovych

Students with 100% Attendance:

Attendance is one of my main targets this year and I speak often about the importance of attendance at school. Below are the students with 100% attendance.

Forename	Surname	Reg	Year	% Present + AEA	Count
William	Allcott	9JEP	Year 9	100	198
Emma	Anderson	9JEP	Year 9	100	198
Jenson	Batchelor	9JHG	Year 9	100	198
Holly	Bennett	9FMR	Year 9	100	198
Anneka	Bridger	9SKR	Year 9	100	198
Zack	Buxton	9MJH	Year 9	100	198
Henry	Cottam	9SKR	Year 9	100	198
Joshua	Dale-Adcock	9FMR	Year 9	100	198
Emily	Donoghue	9SPR	Year 9	100	198
Oliver	England	9MJH	Year 9	100	198
Akira	Garrett	9MJH	Year 9	100	198
Matthew	Gosling	9FMR	Year 9	100	198
Lola	Harewood	9SPR	Year 9	100	198
Rowan	Harrison	9FMR	Year 9	100	198
Keira	Lennon-Booth	9JEP	Year 9	100	198
Gustavo	Leverentz	9JEP	Year 9	100	198
Abbie	Luck	9JHG	Year 9	100	198

Forename	Surname	Reg	Year	% Present + AEA	Count
Alfie	Macdermott	9SKR	Year 9	100	198
Ewan	Mackness	9SKR	Year 9	100	198
Sophie	Maki	9JEP	Year 9	100	198
Clark Lyndo	Manlusoc	9JEP	Year 9	100	198
Darcie	Moore	9SPR	Year 9	100	198
Ayla	Neale	9MJH	Year 9	100	198
Josephine	Orioha	9JHG	Year 9	100	198
Harry	Pettyfer	9SPR	Year 9	100	198
Alex	Ridley	9SPR	Year 9	100	198
Emily	Rogers	9JEP	Year 9	100	198
Miles	Rogers	9JEP	Year 9	100	198
Carmen	Seebold	9FMR	Year 9	100	198
Matilda	Stanley	9SKR	Year 9	100	198
Caitlin	Steere	9SKR	Year 9	100	198
Milo	Swift	9JEP	Year 9	100	198
Samuel	Tang	9SPR	Year 9	100	198
Rhiannon	Telling	9FMR	Year 9	100	198

An amazing achievement from all of the students listed above.

Students with the Highest Number of Commendations, so far, in year 9:

Top 10 - 12th December 2022		
Murphy Isla	9SKR	79
Brahami Craig-Wood Zachary	9SKR	76
Quinn Beth	9MJH	76
Lovegrove Charlotte	9SKR	74
Macdermott Alfie	9SKR	72
Poole Hannah	9FMR	71
Tang Samuel	9SPR	70
Bridger Anneka	9SKR	65
Howells-Davies Esme	9SKR	65
Mitchell Kieran	9SKR	64

Top ten students this half term - as I write are below:

Top 10 this half term - Autumn 2 2012		
Murphy Isla	9SKR	34
Poole Hannah	9FMR	32
Lovegrove Charlotte	9SKR	30
Swift Milo	9JEP	29
Tang Samuel	9SPR	29
Bridger Anneka	9SKR	29
Macdermott Alfie	9SKR	28
Donoghue Emily	9SPR	28
Quinn Beth	9MJH	28
Orioha Josephine	9JHG	27

Tutor group commendation totals: as I write, are as follows:

12th December 2022		
Position	Reg	Total
1st	SKR	1168
2nd	JHG	944
3rd	FMR	887
4th	MJH	874
5th	JEP	843
6th	SPR	823
	Grand Total	5539

December 2022

Last year the tutor group competition was a fiercely fought contest, last year's winners, SKR, look like they are yet again putting themselves in a very good position to win it for a second year running.

Well done to everyone for working so hard to be recognised and then receive so many commendations!

Tutor group concerns totals: as I write, are as follows

13th December 2022		
	Tutor	Concerns
1st	MJH	64
2nd	SKR	118
3rd	SPR	122
4th	JEP	152
5th	FMR	159
6th	JHG	167
Total		782

Year 9 students who have not been late to lessons or school in 2022-23

Another of my key targets this year is to ensure that all students are punctual to school and lessons.

Well done to those listed below.

Allcott William	9JEP	Greening Rowan	9JHG	Neale Ayla	9MJH
Anderson Emma	9JEP	Greenyer Imogen	9JEP	Olney Ellie-Rose	9MJH
Ball Chloe	9JEP	Harewood Lola	9SPR	Orioha Josephine	9JHG
Barrow Ruby	9JEP	Harrison Ava	9JHG	Packham Isla	9JHG
Barton William	9FMR	Harrison Rowan	9FMR	Pearce Autumn-Lily	9SPR
Batchelor Jenson	9JHG	Heathcote Amelia	9MJH	Poole Hannah	9FMR
Beardsall Frederick	9SKR	Horler Isabella	9FMR	Quinn Beth	9MJH
Beecroft Ava	9SKR	Howells-Davies Esme	9SKR	Regan Florence	9SPR
Bellamy Eva	9FMR	Jimmison-Spice Niamh	9SKR	Ridley Alex	9SPR
Bennett Holly	9FMR	Johnson Riley	9SKR	Roche Max	9SKR
Boyd Esther	9MJH	Jones Adelaide	9SKR	Rogers Emily	9JEP
Brahami Craig-Wood Zachary	9SKR	Jones Elias	9JHG	Rogers Miles	9JEP
Bridger Anrika	9SKR	Jones Isaac	9MJH	Royston Benjamin	9MJH
Brown Elizabeth	9MJH	Langford Daisy	9SKR	Savage Scarlett	9SPR
Chamberlain Niamh	9SPR	Leete Angus	9MJH	Seebold Carmen	9FMR
Coburn Florence	9FMR	Lennon-Booth Keira	9JEP	Shepherd Sophie	9JHG
Cook Emily	9JHG	Liddicott Chloe	9JEP	Shickell Lara	9SKR
Cooper Sienna	9JHG	Lilley Charlie	9MJH	Smith Zoe	9MJH
Cottam Henry	9SKR	Lloyd Devon	9MJH	Stanley Matilda	9SKR
Croucher Hanley	9MJH	Lovegrove Charlotte	9SKR	Steere Caitlin	9SKR
Czajka Ruby	9MJH	Luck Abbie	9JHG	Tang Samuel	9SPR
Davies Archie	9MJH	Macdermott Alfie	9SKR	Taplin-Pullinger Finley	9JEP
Donoghue Emily	9SPR	Mackness Ewan	9SKR	Telling Rhiannon	9FMR
Fowle Lilly	9SPR	Manlusoc Clark Lyndo	9JEP	Turner Kenzie	9JHG

Gosling Matthew	9FMR	Mort Oliver	9MJH	Wilson Barney	9JHG
Grant Elodie	9MJH	Murphy Isla	9SKR	Wong Cyrus	9JHG
				Wouda Evelyn	9FMR

Thank you to everyone for your continued support and enjoy your well-deserved break.

Mr Singleton
Head of Achievement Year 9

YEAR 10

Throughout the last half term, the Y10 students have continued to make progress on their various GCSE courses. Once again, this has been a busy time period, where the students have been organising and securing their work experience placements. The final deadline for the form to be handed in (with the Public liability insurance forms) is Wednesday 4th January 2023.

Wow, January 2023 already, and this time next year the students will have just completed their mock exams! Time is flying and every piece of homework and every bit of hard work in lessons counts. Many students have already achieved a number of commendations for their excellent attitude and work, and in total, the Year 10 students have achieved 5369 this term. 10MAB lead the commendation competition with 1214 points. 10KLM are in second place with 1158 points and 10SJB are in third place with 1087 points. Congratulations to the following students, who are currently in the top 20 positions of the year group. Well done to:

Sarah Gosling, Leo Robins, Barnaby Bamford, Chun Yin Lee, Harry Bonard, Ella Gaffer, Jamie Lennon-Booth, Callum Stevens, Thomas Roche, Will Stewart, Holly Dixon, Atreyu Strange, Francesca Long, See Mok, Pia Barter, Zoe Bickmore, Theo Salvador, Olivia Stovold, Maisy Harris. A special mention goes to Freddie Robson and Oliver Clark for being the top two achievers of commendations in the first term!

Subject Prizes

Congratulations also goes to the following students, who were nominated by their teachers to receive a certificate and prize for their effort and achievement this half term:

Subject	Achievement	Effort
Art & Design	Noah Watts	Bethany Carter
Drama	Alfrayer Bushnell	Louise Gilbey
D&T: Food, Preparation & Nutrition	Willow Lampart	Archie Taylor
D&T: Hospitality and Catering	Amelie Burch	Olha Kovtun
D&T: Textiles	Lily Montgomery	Bella Braithwaite
D&T: Timbers	Jacob Hedges	Olivia Court
D&T: Graphics	Martha Jones	Oliver Thomas
Computer Science	Gideon Ford	Alfred Coan
English	Phillipa Helm	Sarah Gosling
French	Isla Cole	Will Stewart
Spanish	Holly Dixon	Nicole Tickner

Geography	Rasmus Griffiths	Lottie Bryant
History	Edward Hewitt	Tassi Shaw
Learning for Life	Bonnie Charman	Esme Haynes
Maths	Isabelle Roker	Yelyzaveta Soloshenko
Additional Maths	Albi Rhodes	Anouk McCann
Music	Joshua Root	Barnaby Bamford
PE	Luke Elms	Zaibaa Choudhury
RS	Chloe Huggon	George Woodhead-Dunning
Science	Will Stewart	Chun Yin Lee

I have been very impressed with the large amount of students who applied to become mindset mentors, tutor representative and House Council representatives.

Many students in Year 10 have already logged to their new Tassomai accounts. Tassomai was launched this half term by Mr Kerry and it aims to build the students' knowledge in the core subjects, by helping them learn more effectively through various and tailored ways to learn and revise. This is through investigating topics, creating quiz questions, discovering and assessing the individual student's understanding and personalising their experience by revisiting identified areas that need further reinforcement. No Y10 student will never again have the excuse of not having any homework or revision to complete and I highly recommend you check in with your son/daughter to see what they have achieved so far.

As the Christmas holidays are also a time to rest and hopefully spend time with the people you love, I wish you a very Merry Christmas, a Happy New Year and Happy Holidays!

Mrs Albrecht

Head of Achievement, Year 10

Year 11

It has been another very busy half term. I am aware I say that every newsletter, but it is always true! I have been very impressed with the way students have coped with the demands of the exams. The preparation and revision from the vast majority has been incredible. Some papers have been given back and discussed in lessons. This is the most important part of the process to correct misconceptions. We have advised students not to focus on the mark achieved and look at areas to celebrate and areas to focus revision on over the next few weeks.

Nearly half the year group had an incredible trip to Iceland and were incredibly lucky to see the Northern Lights several times. I've only heard positive things from students and staff, so thank you to the Geography Team.

An amazing resource called Tassomai has been launched to all students in the year group. This is a revision resource for Maths, English and Science presently with more subjects to be added soon. Students have all had an opportunity to log on and start, but I am aware of many that haven't yet. To log on, students need to go to <https://www.tassomai.com/> and sign in with their school email address:

December 2022

18bloggs@students.glebelands.surrey.sch.uk with the password QuizLearnGoal initially. Many students have already clocked a few hours on Tassomai, revising and building their knowledge and understanding.

At the end of every half term we hold our celebration assembly. Due to mock exams and lack of assembly slots, this will take place on 4th January. As a result, I don't want to spoil the surprise of those students receiving awards by presenting them below. However, I would like to share and celebrate students with 100% attendance and those with over 25 commendations since September.

Attendance

The following students have had 100% attendance this term. A reminder that a student will be picked at random from this list to receive a free Yearbook. The winner last half term was Charmian Strange.

Ewan Chamberlain	Jessica Lewis	Billy Turnbull
Cara Desmond	Rebecca Lovegrove	Amelia Tyrrell
Katie Donoghue	Grace Lumbard	Benjamin Watson
Ellis Howells-Davies	Sam Marcus	Freddie Webb
Jessica Jones	Ilayda Serbezov	
Katie Large	Lucy Smith	

Commendations

The students below have achieved over 25 commendations since September. The student with the most commendations each half-term will receive a Golden Ticket to the Prom. Last half term, Rebecca Lovegrove won the Golden Ticket.

Isaac Lawrence	Ilse Bishop	Lizzy Crossman
Oscar Jupp	Oscar Blood	Freddie Webb
Willow Harrison-Fudge	Lucy Smith	Abbie Mains
Isabel Mort	Bridget Howard	Jessica Jones
Joshua Davies	Rebecca Lovegrove	Matthew Ball
Jessica Jenking	Charmian Strange	Mia Templeman
Eleanor Reed	Darwin Swift	Ella Radley
Hamish McInnes	Jessica Lewis	Grace Smith
Rowan Stewart	Kyle Hill	Emily Tuthill
Erin Watson	Bella Horstead	

I will send out information regarding the Prom and Yearbook in January. Some students are getting very excited about it already.

It was great to see several students wearing their Christmas jumpers last week, celebrating the festive season. I hope students have a relaxing break after a demanding half term, and come back in January with renewed energy.

On behalf of the Year 11 Tutor Team, I wish you and your families a wonderful Christmas

Mr D Nibloe

Head of Achievement, Year 11

December 2022

Year 11 School Trip: 'An Inspector Calls'

On Thursday 24th of November, a group of Year 11s attended the performance of 'An Inspector Calls' at the Yvonne Arnaud Theatre in Guildford. 'An Inspector Calls' is one of the set texts on the GCSE curriculum but is well worth a watch in its own right as one of the most popular 'whodunnit' plays in literature. First performed in 1945 and set in 1912, its themes of inequality, class, and gender remain as relevant to the 21st century as to the 20th century. Directed by Stephen Daldry, this National Theatre production has won numerous awards and it is easy to see why: everything from the set to the positioning of actors onstage was clearly thought out and planned, adding to the themes of social responsibility and elitism in the play. The Year 11s on the trip were fantastic and a credit to school. It was a superb evening and great preparation for their mock exam too!

ICELAND 25th-28th November

For the second time this year the Geography Department took 50 Year 11 Geographers for the fieldtrip of a lifetime to Iceland. After an early departure we arrived in Iceland and headed straight to the plate boundary between the North American and the Eurasian plate, which was perhaps the primary reason for our visit as it shows the pupils why Iceland exists – a fact that would be invaluable in their mocks. Pupils were able to stand on the boundary and see plate tectonics first-hand and the reason why Iceland appeared over millions of years out of the Mid Atlantic Ridge. From there we went for a swim in the Blue Lagoon under a starry sky which was only topped by our first view of the Northern Lights on the journey into Reykjavik.

After a comfortable night we drove along the main road to the most southern part of Iceland, Vik. The journey took us past, behind and up spectacular waterfalls and included a walk on the Solheimajokull glacier. Pupils were reminded of the fragility of the glacier and how it is likely to have disappeared in the next 80-100 years. A viewpoint stop to see Eyjafjallajökull in all its glory was great for real life case study to conclude the journey.

Saturday evening in Vik, pupils reflected on the learning of the day and conducted some revision in preparation for their mocks before the second viewing of the Northern Lights. It was spectacular, a great life experience for all of us (some of us have been going on the trip for 10 years and have never seen them!) - a life goal certainly ticked off my list.

Sunday had a trip to see sunrise on the black sands beach at Reynisfjara, with its basalt columns, stunning coastal features and thunderous ocean waves. It was then back on the coach to the Lava centre to learn about Iceland volcanic history and then we travelled the Golden Circle to see Thingvellir National Park, Gullfoss Waterfall, and Strokkur geyser. A third viewing of the Northern Lights and a meal at the famous Hamburger Factory ended with Cara Desmond having the opportunity to update Iceland's population clock.

Monday, 6am and Mr Bromley with four students started their day with a 5K run around Reykjavik! After breakfast the final leg of our trip took us into Reykjavik city centre to see its world-famous iconic church and take a walk down the main street which was lit up like Christmas. A simulated flight over Iceland concluded a fabulous trip with a group of truly awesome students and staff.

Watch out Year 10 Geographers for trip details for November 2023!

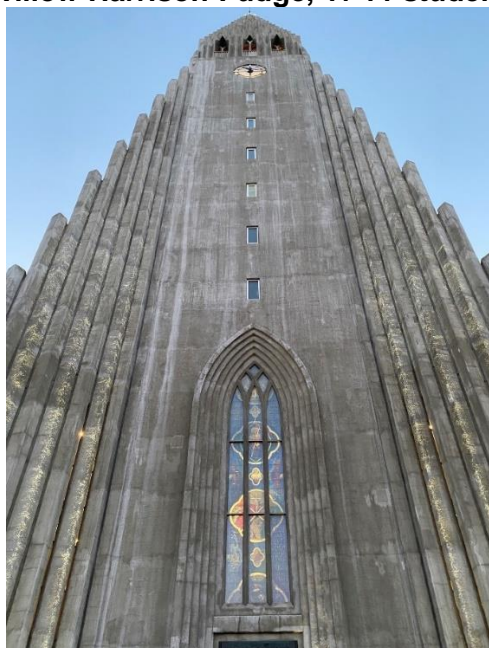

Mrs Martin
Geography Teacher and trip organiser

ICELAND

The trip to Iceland with school will always be something that I will remember forever. The first day started with an early rise for everyone with us leaving school at 7.30 to go to Heathrow airport. When we arrived in Iceland the first thing we did was visit a place where the North American and Eurasian Plates were separating, we got to go and stand in the middle of the plates and take some pictures. After that we took a short coach ride to the Blue Lagoon, which one of the most unique experiences of the trip, due to us visiting at night we got our first glimpse of the Northern lights, as well as this we all got a free drink and face mask. After the Blue lagoon we went to stay our first night in a Hotel Cabin. On day number two we started to the day with another coach ride to a waterfall. On the ride we did see our only bit of snow of the whole trip, the waterfall dropped 60m and we got to walk behind it, which was a very refreshing experience and it is fair to say we were all very wet by the time we got back on the coach.

The endless flights of stairs we climbed were all proven worth it as we were able to see countless amazing sites (waterfalls and even the end of a rainbow) throughout every stop we made during our trip. To end off our second day in Iceland, we all grabbed a pick axe and began to hike up one of Iceland's many glaciers. Whilst on the glacier, we were able to admire the beautiful views of the water below and even eat some of the ice. After the second night we woke up on our final day there and headed out to the black sand beach where we watched the sun rise over the enormous waves. After this early morning beach trip, we all went to a museum to walk through an interactive experience about the various interesting features of Iceland's unique landscape. We then ended the day with a trip to see the geysers which produce large plumes of water roughly every 8 minutes due to heating of water and building pressure below. Before sadly heading home, we took part in a virtual reality 'Fly Over Iceland' experience, emerging us in the unique scenery and landscapes around the surface of Iceland. The highlight of my visit (and I'm sure most others) to Iceland was the sighting of the northern lights which we not only witnessed once but did so every night that we were there (three nights in a row). The rarity of this experience is what made the northern lights, along with the rest of our phenomenal trip, so unforgettable to us all.

Willow Harrison-Fudge, Yr 11 student

December 2022

The MFL department would like to say a massive well done to everyone who has worked really hard on their vocabulary learning this term. It is such an important aspect of language learning and we are really proud of your efforts!

Every term we are running a prize draw where we will enter lots of students for effort and achievement in their vocab tests. We will then pick out names of 4 students in each year group in KS3 and award prizes! Congratulations to those lucky winners this term!

SCHOOL COUNCIL UPDATE

As we reach the end of what has been an extremely successful year for our 2022 School Council, we are in the midst of elections for the new council for 2023. All tutor groups have selected or are electing their new Tutor Representatives for 2023 and, at the point of writing this, the votes for the next Head of School Council are being counted by Ella, Jess and Isaac tomorrow! Our three Year 10 candidates this year are Alfrayer Bushnell, Sarah Gosling and Atreyu Strange. Perhaps by the time this article is published, our candidates will already know which one of them will be

taking on this prestigious title in January! I'll be able to announce the elected Head of School Council in the next issue and on Instagram soon! Regardless of the outcome however, I know that all three will make a great leadership team and will be able to continue the excellent projects and progress made by their predecessors.

On that note, I would like to thank all of the current School Council for their efforts during this varied year and I am especially grateful to Ella Radley, Jessica Jones and Isaac Lawrence for their excellent leadership, commitment and hard work; they should feel very proud of their achievements. A special mention also goes out to Isabella Horstead and Bridget Howard for their excellent contributions and leadership of School Council Committees.

Mrs N Clark
Head of Student Personal Development

Election of the Head of School Council

Vote for **only ONE candidate** by putting a cross ☒ in the box next to your choice.

Alfrayer Bushnell	<input type="checkbox"/>
Sarah Gosling	<input type="checkbox"/>
Atreyu Strange	<input type="checkbox"/>

Head of SC Candidates

Alfrayer Bushnell Sarah Gosling Atreyu Strange

Congratulations to our three election candidates for making it this far!

The votes are being counted and an announcement will be made in tutor time and on Instagram soon...

MINDSET MENTORS

A new team of 32 Year 10 Mentors have completed two of their three training sessions and so far, I am very impressed! They seem to be an extremely promising group of students who are taking their training sessions seriously and looking forward to mentoring some of our students in year 7 and 8.

The Mindset Mentor scheme provides a leadership opportunity for students in year 10, who will be supporting some of our younger students on areas such as developing a Growth Mindset, resilience, organisation and other positive skills or routines. The training sessions have allowed this fantastic team of year 10s to practise some coaching techniques and learn how students can change their mindsets to tap into their own full potentials.

I am sure this cohort of Mentors will provide excellent support and I look forward to seeing them in action after pairing them with mentees next half term.

Mrs N Clark
Head of Student Personal Development

MUSIC

Our curriculum this term has been very successful. I wanted to start off by identifying an impressive number of year 7 and 8 students who have achieved high grades in their end of module assessments this term, as follows and in no particular order:

Year 7		Year 8	
Grade 9	Grade 8 or 7	Grade 9	Grade 8 or 7
Will Standing Clara Robertson Tola Wilczkiewicz Ben Weaver Chloe Gallo Joe Rowden Noah Coles	Leanna Quinlan Olivia Pantlin Sofia Taiani Arlo Denyer Oliver Turfery Jack Matthews Isaiah King Lily-Erin MacDermott Dylan Hope Liam Steyne Annabel Sallis Elliot Weaver	Jenna MacDermott Esther Lamont Sophia Radley Isabelle Radley Ethan Dauncey Freya Bradley Ben Hennessy Poppy Fisher Laila Smith Theodore De Vos Van Steenwijk Joseph Elliot Samuel Elliot Noah Robins Rose Rochester Toby Greening	Maisie Best Ava Hounsham Oliver Booth Amber Gregory

These students demonstrated fantastic analytical work, as well as clear efforts to revise their allocated key terms and definitions in music. This, considering they only have one 50-minute lesson of music per two weeks – wow! Next term, I will also be identifying students who have improved/gone up grades from one module to the next – all to work, play and sing for then!

We are currently devising a system to reward our students with colours in music, at bronze, silver and gold. Students will be able to apply for these colours for representing the school at internal and external performance events, as well as achieving high scores (grades 7 to 9) in tests, but also for demonstrating improved progress in curriculum music (increasing their subject grades). Exact criteria will be communicated with students next year. We will also be accepting applications for a music captain, and deputy music captain from our year 10 cohort in the summer term, to give our students a representative voice and enable these student leaders to develop and organise musical activities in and out of school.

Year 7s have been learning about different music from different continents around the world. They have become aware of and defined terms associated with duration and pitch, applying these elements through singing different songs as a whole class. It has been a real pleasure enthusing them to sing and move with music this term. Next term, they'll be learning about texture and sonority through incidental music.

Year 8s have been learning about film and TV music. They have become aware of and defined terms associated with sonority and texture, applying these through short, group compositions using a variety of string, brass, woodwind and percussion instruments. I have enjoyed facilitating their creativity and expression in music this term. Next term, they'll be learning about structure and dynamics, through the topic of musical theatre.

Year 9s on the recent rotation have written their own songs and performed a selection of these in groups. They have also worked on their own compositions using BandLab, whilst learning about and presenting information about the music industry and associated careers. We feel that an awareness of the industry at this stage is important, as they begin to consider their options for key stage 4. I have enjoyed supporting them all through their composing and performing, but also helping them to see that they are all eligible to contribute to and enjoy the world of music in their leisure and professional careers.

Year 10s have amassed an impressive vocabulary of terms associated with musical elements, including duration, pitch, sonority, texture, dynamics, articulation and structure. They applied this vocabulary through learning about set works of music by Purcell, Bach and Beethoven. They have also had to perform solo and ensemble pieces to their peers, as well as writing their own arrangement of a Christmas song. Next term, they'll be learning about music by Queen, Afro Celt Sound System, Esperanza Spalding, John Williams and Stephen Schwartz, as well as preparing more pieces to perform in class concerts.

Our extra-curricular provision continues to evolve, grow and deliver. In December, our choir have successfully performed for local events including Acorn Nursery's nativity, at Lucy Bushnell's Santa Dash, and at our school carol concert, accompanied by our school orchestra. I have thoroughly enjoyed rehearsing and directing these students in and out of school.

I will be engaging with our students to develop a programme of music to perform internally, called, 'Evening of Note'. The planned date for this is Thursday 4th May 2023. It will involve our larger musical ensembles, but will also welcome solos and duets by our students. Preparations for this will begin after Christmas, so save the date!

I am also really excited about our musical theatre club. They've also really enjoyed coming along after school on a Friday to sing a variety of songs from musicals. Their energy is infectious and will feed well into our confirmed summer production of Legally Blonde Junior. All students in years 7, 8, 9 and 10 are welcome to

December 2022

audition for a variety of singing and/or acting roles from the week commencing 16th January 2023, rehearsals starting week commencing Monday 20th February, and planned public performance dates of Thursday 13th and Friday 14th July.

Finally, as a reminder, if your child is interested in taking up musical instrument lessons at school, please visit the following website for full details. Surrey Arts are also able to offer financial support for students who are in receipt of pupil premium funding, are young carers or are looked after. <https://www.surreycc.gov.uk/culture-and-leisure/arts/music/lessons-for-children/apply-and-pay>

Have a pleasant winter break!

Mr Holcombe
Head of Music

PE AUTUMN TERM 2

Football

Year 8 vs Woolmer hill – a very close game from the girls in tough conditions (11 aside goals on a 9 aside pitch). The team dug deep and passed the ball around well, unfortunately the rather large goals meant that Woolmer hill were able to capitalise on their shots and take the win 4-2. A good performance from the team and we play again in February. Well done.

Year 7 girls football Tournament – Well done to Glebelands who finished third in their district football tournament. Some good play from the team and good passing, but areas to work on.

Year 7 Boys football tournament-

Excellent work from the Year 7 boys who played in the district tournament at Rodborough. The team played against Rodborough (Green) and won 1-0 with Marcus scoring, the beat Alton school 2-0 with Ben and Nick scoring, they won against Woolmer Hill (3-0) with Ben, Marcus and Nick scoring. This meant that they reached the final against Rodborough pink, the boys took an early lead through Ben but Rodborough hit back to make it 1-1. The game stayed like that even after extra time and so it went to penalties. Despite some great goals

being scored and a great effort from Reece in goal the boys lost to a sudden death penalty which meant they finished runners up overall.

Year 8 boys football tournament

Another great performance from Glebelands saw Year 8 boys win against Christs college (Reuben with the goal) and also against Woolmer Hill (Reuben) and a draw against Rodborough green plus a 1-0 defeat to Rodborough pink meant that they finished third overall.

Year 9 boys football tournament

The Year 9 boys played 3 matches at their tournament against Rodborough school, Christs College and Woolmer Hill. The team unfortunately lost all three matches but all the matches were close and there were some excellent performances from boys who had not played together as a team before. Tom top scored for the team.

U15 Girls Football tournament – postponed due to frozen pitch

Netball

Year 9 tournament – postponed to 21st march

Year 7 and 8 netball vs Woolmer hill – two very close and competitive matches against Woolmer hill saw a win for the year 7 team win and a narrow loss for the year 8's. it was the year 7's first game for Glebelands and good to see them putting into practice what they have been learning at training.

Year 8 B and 9 B vs Broadwater – Glebelands won both these games and it was good to see the first of our B team matches taking place. Students were able to put what they have been working on in training into a game situation and were able to show off their skills. Top effort from all.

Year 9 and 10 vs Woolmer Hill – Well done to both teams for their wins over Woolmer Hill, year 10 won 23-11 and year 9 won 12-9. Top effort all round with year 10 playing in different positions to extend their experience and understanding of netball. Year 9 are so far undefeated in their league and are showing good development in their centre pass routines and mid court play.

Year 11 GCSE mixed Netball vs Woolmer Hill

As part of their GCSE Moderation, students from year 11 took part in a mixed netball game against Woolmer Hill, Glebelands were very fast off the mark with 5 quick goals to Woolmers 1. As the game progress the Glebelands students showed exactly why they had been awarded their marks, they were clinical, moved the ball quickly and moved well. Lots of great shooting from Grace, Alfie and Kyle saw them extend their lead. Great defending from Bridget and Rory prevented Woolmer from scoring. Glebelands took the game 25-12. Well played everyone involved.

Basketball round up-

Boys

U16 vs Christs – 42-8 win. Alfie top scoring with Freddie, Brandon, Josh and TJ also scoring. A very good performance from start to finish.

U16 vs Hurtwood lost 33-22 with Josh D top scoring. This was a very good performance against a sixth form school

U16 vs Broadwater – Won 33-17 to Glebelands. A great second half performance with Alfie, Tj and Oscar top scoring, a defensive masterclass saw Broadwater only score 2 points in the second half to ensure a good win for the boys

Please be reminded that your data protection is important to us. For more information on how the school uses your data please see our website page on [Data Protection](#)

U14 vs Christs – Lost 7-21 to Christs, A good performance with several boys playing their first ever basketball match- Archie L top scoring for the team.

U14 vs Broadwater – Won 19-18. This was a 1-point win to Glebelands – Charlie Lilley with a crucial 3 pointer with a few minutes to go. A very good game which was end to end and saw the lead change several times. A good defensive display in the final 10 minutes saw the team home.

Year 7 basketball tournament – second place. A great performance from the team who won 12-2 against George Abbot, won 14-4 against Woolmer Hill and 12-4 against Rodborough black. The final match was against Rodborough green and the boys conceded a few early baskets which saw them have to fight back. The team did this very well and managed to get within a basket of the Rodborough team but a late basket proved to be decisive and the team lost 10-6.

The Glebelands baskets were shared between Isaiah, Will A, Daniel and Aston.

Overall runners up which was great achievement

Year 9 basketball tournament

The Year 9 boys played their tournament at George Abbot and play against Christ College, George Abbot, Rodborough A/B and Guildford County A/B.

All the matches were close with Glebelands winning against Rodborough A and Guildford County B and narrowly losing to George Abbot and Guildford County A.

Baskets were scored by Charlie, Archie, Will A and Will S

The boys finished third overall- well done boys

Girls

Year 10 Basketball Tournament – a good all-round performance from the year 10 team saw them finish 2nd. Well done team.

Year 9 Basketball Tournament some very close and competitive games for the girls at their district tournament, finishing 4th overall.

Year 9 vs Broadwater – a very competitive match against Broadwater with Glebelands taking the win 26-15 with lots of shots not dropping for us. Glebelands were good on attack and defence ensuring that they did not let Broadwater have an easy of open shot.

Year 8 vs Broadwater – Glebelands took the win in this match 28-12, a slow start in the first half with lots of shots bouncing off the backboard but Glebelands soon found their stride and improved their shooting. Lots of work on defence prevented the Broadwater team from any open shots and Glebelands rebounded well. Top Job team.

December 2022

District cross country

Well done to all our runners who performed very well in a competitive field at the Waverley/Guildford Cross country run

Interform

KS3 Interform Benchball tournaments

Well done to all students who attended the interform benchball competitions this half term.

Winning tutor groups as follows

Year 7 – RAB

Year 8 - RES

Year 9 – JEP

Sports Leaders Events

Primary Basketball Tournament

Glebelands sports leaders hosted a year 5 and 6 basketball tournament with 70+ students from St Cuthbert Mayne, Park Mead, Cranleigh C of E and Wonersh and Shamley Green in attendance. It was a very close competition

with lots of baskets scored. Well done to our year 10 sports leaders who refereed the games. Results 1st – St Cuthbert Mayne, 2nd – Cranleigh C of E 2, 3rd WSG2, 4th WSG1, 5th Park Mead 1 and 2, Cranleigh C of E 1. Superb effort all round.

Primary Dodgeball Tournament

Please be reminded that your data protection is important to us. For more information on how the school uses your data please see our website page on [Data Protection](#)

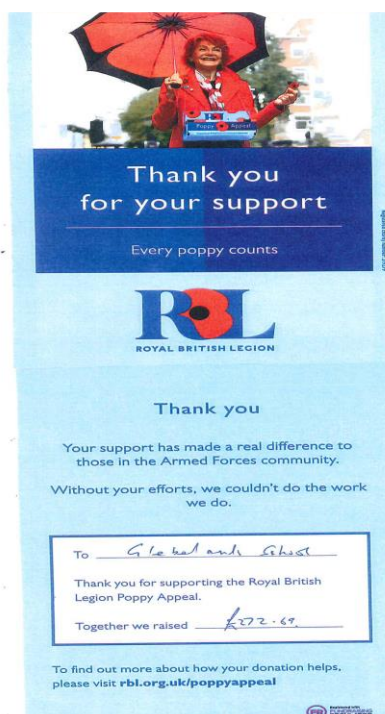

Glebelands sports leaders were hosts to 55 students from years 4 and 5, for two inclusive dodgeball tournaments. This event saw 7 teams from three local primary schools go head to head in dodgeball. Students showed their good agility, coordination and throwing skills to try and get one another out. The sports leaders gave lots of helpful advice and also umpired the games for students. Top effort from all involved. Results – year 4 – 1st WSG, 2nd St Cuthbert Mayne, 3rd Cranleigh C of E. Year 5 – 1st WSG, 2nd WSG1, 3rd St Cuthbert Mayne, 4th Cranleigh C of E.

The PE department would like this opportunity to say thank you to staff and parents from our local primary schools for giving up their time to participate in these events. We would also like to thank them for their support in transporting students over so they were able to compete in both events, we are very proud to have our students leading and inspiring younger students from within the community and hope the younger students look forward to these events in future.

POPPY APPEAL

Thank you and well done to all staff and students for raising £322.69 for the Royal British Legion Poppy Appeal

ATTENDANCE MATTERS

We are all aware that attendance is important. All research informs us of this: we know that students are more likely to succeed in academics when they attend school consistently. At Glebelands we do not underestimate the impact that parental support has on ensuring good attendance. With your continued support we can all work to gain back control and make their future years a success.

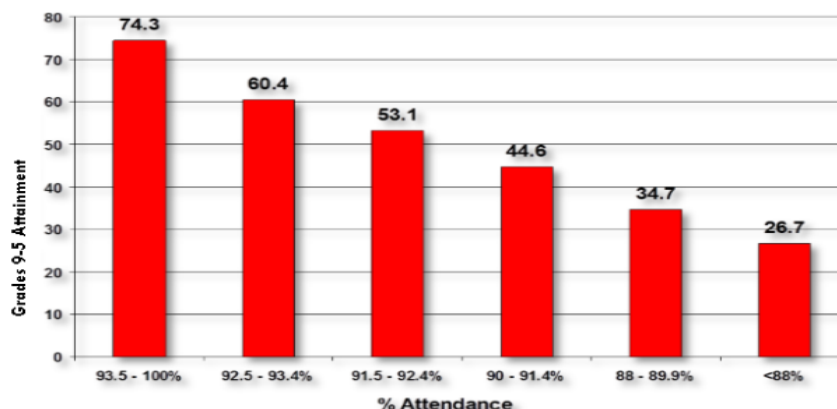

Students who are frequently absent will fall behind with learning, we do not want this to happen; absence can make students feel anxious and vulnerable; we do not want this for our students. All students at Glebelands are valued, important and anything that gets in the way of their education is important to us.

Missing a few days of school here and there may not seem a big deal, but research shows that it can have a significant impact on children's learning. Most of the work they miss is never made up, which can lead to big gaps in their learning.

Fact: Students who are absent between 10 and 12% of school (that's 19 to 24 days per year) stand only between a 45% to 35% chance of achieving five or more good GCSEs, compared to 74% of those who miss fewer than 5% of school days.

Chances of Success at GCSE

Attendance

Our target is **96%**- but we are some way off reaching our target. The Department for Education tracks attendance carefully and judgements on how well a school is doing is partially based on whole school attendance. Whole school attendance up to 2nd December was **93.2%**.

Year 7 96.12%

Year 8 93.45%

Year 9 94.69%

Year 10 92.50%

Year 11 88.39%

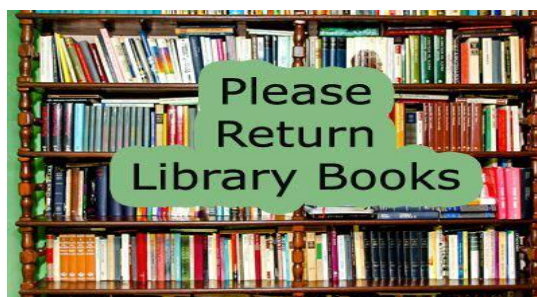

You can help by coming to school every

Build the Habit of Good Attendance

- Parents and schools have a key role to play in children's success
- One of the most important life habits we can instil in children is attendance
- Promoting good attendance helps children to understand the importance of education, commitment and taking responsibility

What Parents/Carers can do

- Set a regular evening and morning routine
- Do not let your child stay at home unless they are truly sick (we do not operate a 48 hour policy)
- Develop back up plans for getting to school if something comes up. Call a family member, a neighbour or another parent and check bus timetables and routes

FREE SCHOOL MEALS

Your child may be able to get free school meals if you are currently in receipt of any of the following:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- support under Part VI of the Immigration and Asylum Act 1999 the guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

If your child is eligible for free school meals, they'll remain eligible until they finish the phase of secondary schooling they're in on 31 March 2023.

If you feel that your child may be eligible to receive free school meals, please contact the school on 01483 542400 and request a Free School Meal application form.

DIARY DATES	
16 December	End of term (12.30 finish)
3 January 2023	Inset Day
