## MESSAGE FROM THE HEADTEACHER

Dear Parent/Guardian

As we approach the end of another busy year, I cannot help but feel immensely proud to be leading Glebelands school. We have made fantastic progress this year and it has been wonderful to receive so many positive comments from students, parents and the wider community. None of this could have been achieved without your continued support.

There is much to celebrate with regard to academic progress and also with regard to opportunities to develop and demonstrate other important qualities such as pride, generosity, collaboration, resilience and endeavour. We have seen much of these qualities in school this term.

This year OFSTED visited Glebelands and we were judged "Good" in all categories: Achievement; Teaching; Behaviour and Safety; Leadership. Although we were slightly disappointed with this outcome it gives us the drive to continue the good things we do and strive for improvement.

Throughout the year we have had many successes ranging from; the Robotics team achieving yet another regional trophy, many sporting successes including being crowned District Sports champions. Students have represented the school in Maths, DT, Music and performing Arts to name but a few. Staff have worked tirelessly to give students opportunities and students have embraced these chances!

It has been fantastic to get the 'community feel' back in school including the buzz on face to face parents' evenings, the drinks and chatter at the Celebration evening and the entertainment at our school production of 'Legally Blonde'. Thank you to all those who attended those events as they really have helped bring the buzz back.

To continue to develop the community feel within the school we have created our House system to create events across the school between subject and year groups. Thanks to all the staff involved with this but specifically Miss Retter and Mr Smitheram who have spent many hours strategically planning the creation of the system and getting it off the ground.

This year has seen a lot of members of our community supporting others. This has included school council feeding back to SLT, Yr 10 students mentoring younger students, sports leaders supporting younger year groups and primary schools, Mr Holcombe visiting primary schools with students, Legally Blonde performing for primary schools and some members of staff supporting primary schools. The number of young people who have taken part in the Duke of Edinburgh Award Scheme continues to grow, thank you Miss Campbell for all the work done to support this.

I want to thank all the staff both support and teaching for all of their hard work this year. The last day of this school year also presented our students and teaching colleagues with an opportunity to acknowledge the contribution of colleagues who are leaving the school.

The following staff are moving onto pastures new over the summer and I would like to thank them and wish them all the very best for the future.

Miss Appleton (Learning support department)  
Mr MacLennan (PE department)  
Miss Stubbs (English department)  
Mrs Maguire (MFL department)  
Mr Hoare (SLT + Mathematics department)

**July 2023**

All of these staff have made a positive difference to Glebelands and will be missed. I wish them all the best for the future.

I want to thank the students for their hard work this year and hope they enjoy their summer break.

On behalf of all school staff, I wish you all a very happy summer holiday.

Stay safe

## YEAR 7

As we reach the end of the first year at Glebelands it's time to reflect on what a brilliant year it has been. From sporting achievements to bake off superstars, from academic excellence in test week to kindness and compassion shown to those in need, our Year 7s have shown us what capable and talented students they are and we can't wait to see what else they will achieve at Glebelands. Before we rest up for the holidays I'd like to share with you some of the highlights from this half term:

### Adventures in history

This half term some of our Year 7s have been role playing Henry VIII while others have made board games exploring the ideas of purgatory, heaven and hell from the middle ages.

### Legally Blonde Junior

23 of our Year 7s played a part in our fabulous production of Legally Blonde Junior last week, whether on stage or helping with make-up, costume, back stage or light and sound crew. It was wonderful to see so many of our year group really make this show something special. We hope you enjoyed the show if you had a chance to see it. I'm so proud of all the Year 7s who got involved, particularly those who were brave enough to give fantastic performances with lines and solo singing parts in front of such big audiences. We hope all our Year 7s enjoyed getting involved with the show and look forward to seeing them back for future performances.

### Sporting achievements

The summer term has seen more sporting prowess from our Year 7s. Our cricket and rounders teams have given it their all in tournaments and matches this half term and our District Sports athletics team did an excellent job with the girls coming second and the boys coming third out of all the Year 7 teams. Great work Year 7 sports teams!

In addition to our sports fixtures, this half term also saw our school sports day. The children enjoyed a sunny day out on the field and the majority of students competed in different track and field events or our outdoor arena events. The year 7 winners this year were 7CSP. Well done 7CSP!

## Punctuality and attendance

I am very proud to say that punctuality across the year group is generally excellent and we still have 20 students at 100% attendance at the end of the year: Lucy Auty, Evie Beavis, Thomasina Bradbury, Tristan Bradbury, Rupert De Vos Van Steenwijk, Arlo Denyer, Charles England, Jacob Grazier, Sebastian Kenyon, Lily-Erin Macdermott, Alice Maki, Olivia Pantlin, Ryan Powell, Phoebe Puckova, Evie Ross, Lily Southgate, Sofia Taiani, Jacob Telling, Benjamin Weaver, Finley Williams.

## Commendations

In one year alone, our Year 7 students have amassed over 26,000 commendations between them! 126 pupils have managed to get over 100 or more commendations each, an amazing achievement.

On Tuesday 11<sup>th</sup> July we rewarded our top 12 commendation earners with a trip to Thorpe Park. The children had a lovely day. The next 25 highest commendation earners have been rewarded with an off-timetable movie afternoon. Congratulations to all our hard-working commendation earners. Your efforts have not gone unnoticed and we applaud your hard work and dedication.

Congratulations also go out to the 29 students who still have zero concerns. This shows excellent attitude and good organisational skills and we are very pleased you are doing so well.

## Half term achievement and effort certificates

Each half term a certificate and a small prize is given to students who are nominated by their teachers for excellent effort or a great achievement in a subject area. Congratulations to the students who have been recognised and awarded these this half term.

SUBJECT	Achievement	Effort
Art	Tola Wilczkiewicz	Samuel Radley

**July 2023**

The end of the year also saw the awards given out for effort and achievement across the whole year. Congratulations to those students who received a prize at our Celebration Evening on Tuesday.

## **A final farewell**

And so, I come to the end of my final newsletter with our lovely Year 7s. It's with a great sadness but a heart full of pride that I hand over the baton to Mr Nibloe who will be taking over as Head of Achievement as the group move into Year 8. I'm sure that, in his capable hands and with the strong team of tutors supporting him, your children will continue to go from strength to strength. All that remains for me to say is that I hope you enjoy the summer and the children have a lovely, well-deserved break.

**Ms L Auty**

## **Accelerated Reader Year 7**

The following students have achieved the extraordinary feat of becoming 'Word Millionaires' this year:

Walker, Sylvie  
Rowden, Joseph  
Weaver, Benjamin  
Pantlin, Olivia  
Milne, Ines-Angel  
Maki, Alice  
Wilczkiewicz, Tola  
Beavis, Evie  
Denyer, Arlo  
Beardsall, Faith  
Weaver, Elliot  
Robertson, Clara  
Prior-Egerton, Grace  
De Vos Van Steenwijk, Rupert  
Auty, Lucy  
Coverley, Nickolaus  
Hanna, Charles  
Bradnock, Joshua

A special mention goes to Sylvie Walker with over 9 million words and Joe Rowden with over 8 million. Simply astounding!

## YEAR 8

Welcome to the Year 8 section of the newsletter. I am very pleased to report an excellent end of year report for the Year 8 students! I am very proud of the effort they have put into this academic year and am so pleased with their enthusiasm and hard work. We continue to be the year group with the fewest concern points and the fewest detentions! Maybe not for every student but I think this shows the super character of the year group and their cheerfulness, enthusiasm and willingness to work together as a team and to really strive for excellent achievement. As we approach the summer break I have some news to announce that with the departure of Ms Stubbs to a new school nearer her home, we took the difficult decision to reduce our six tutor groups to five for the new academic year. This was carefully planned and thought through prior to informing the students and I thought the 8RES students were very mature in their outlook upon the changes to come. Most of the tutor groups in the year will accept some of the 8RES students into their group and I hope that we will encourage new bonds and friendships to form. We wish Ms Stubbs every success in her new school. She will be very much missed. We also say farewell to Mr Hoare who has been a great support to me and the team throughout this busy academic year. Mr Hoare is retiring and while we think he will miss teaching a great deal, we wish him well for the future!

In sporting news, I was delighted with the Year 8 efforts on Sports Day and you will note a large section from PE later in the newsletter. It was a great day and the weather was kind enough to be just sunny enough for the whole day to be enjoyable for all. Congratulations to all the students who took part and to all the deserving prize winners. Congratulations are also in order for Year 8s who did such a brilliant job competing at District Sports too, what a great success! Mr Whistler and Ms Retter also came into assembly last week to award certificates to Year 8 students who have taken part in PE sports events and competitions over the course of the term and it was wonderful to see how many students were recognised for their efforts. We are very grateful to the PE staff for putting on lots of events and organising fixtures throughout the year, they are a real asset to Glebelands School.

**July 2023**

In assembly this week we said congratulations to students for being awarded a subject prize from the following departments. Well done to all the students listed below!

<u>Subject</u>	<u>Achievement</u>	<u>Effort</u>
Art	Toby Greening	Thomas Hughes
Drama	Amelia Shimell	Jack Templeton
D&T Food	Fleur Greenough	Ella Mezzetti
D&T Graphics	Harrison Taylor	Imogen Forsey
D&T Timbers	Connie Emmett	Eliot Hard
IT	Charlie Willis	Ollie Daniels
English	Ava Hounsham	Lily Clark

RS	Isabelle Radley	William Sandiford
Science	Abbie Golding	William Jenking
Spanish	Laila Smith	Arlo Knight

We also said a big well done to those students who have managed to still maintain 100% attendance and they received a certificate and prize too.

**Freya Bradley, Theodore De Vos Van Steenwijk, Benjamin Di Pietro, Samuel Elliott, Amber Gregory, Daniel Lewis, Jake Mains, William Sandiford, Jack Templeton, Timothy Waite.**

We recognised our TT Rockstars top scorers with the most correct answers on TT Rockstars in their teaching groups too. The students named below received a certificate and a small prize.

During the holidays, students can continue to work on TT Rockstars from home on their computers or phones and build their rockstar profile!

## Well done to:

George Rivers, Oliver Booth, Nicole Huet, Sophia Radley.  
Sydney Shayler, Ava Perry, Oliver Buckman, Charlie Willis.  
Matthew Tang, Isabella Andrews, Ethan Miles, Scarlett Wakefield.  
Amelie Stevens, Jenna McDermott, Theo de Vos Van Steenwijk, Samuel Elliott.  
Laila Smith, Ami Spurgeon, Ella Bishop, Timothy Waite.  
Mason Cade, Leah Peters, Elsie Lillywhite, Henry Harris

## A huge congratulations to the following Year 8 students who have the highest number of commendations this year with 0 concerns!

Samuel Elliott, Isabella Andrews, Mason Cade, William Sandiford, , Jack Templeton, Eliot Hard, Freya Bradley, Jenna Macdermott, Elsa Wooltorton, Nicolle Sklenar, Scarlett Wakefield, Nicole Huet, Emily-Jane Rapley, Edward Jackson, Theodore De Vos Van Steenwijk, Poppy Fisher, George Rivers, Alice Meakin, Esther Lamont, Oliver Di Pietro, Joseph Elliott, Isabelle Radley, Ethan Dauncey, Daniel Elms, Ava Perry, Esme Warner, Toby Greening, Daniel Lewis, Maisie Best, William Jenking, Amber Gregory, Alice Cole, Harrison Taylor, Ava Hounsham, Gustavs Mucenieks, Rose Rochester, Claudia Bradnock, Matilda Bonard, Maverick Mitchell de Vera, Megan Austwick.

It has been a very busy academic year. As a tutor team we have been very encouraged by the positive attitudes and hard work demonstrated by the students. We have been very proud of their resilience this year, particularly when they were a bit tired at end of terms! We were also inspired by their super community spirit when considering the needs of others and their fundraising for Comic Relief and Children on the Edge. We are very proud to have such a super group of young people in our year group who are so considerate and thoughtful. If you are considering beating the rush for new school uniform, you will find that uniform can be ordered for collection from the school website. The shop is open during the summer holidays on certain dates.

## YEAR 9

As another year ends, wow, what a brilliant year it's been!

I want to start by yet again saying how much I have enjoyed leading these wonderful year 9 students. I also want to thank the year 9 tutors, who are the most amazing team to work with.

Like every year, there have been challenges, and new ones this year, but nothing we haven't been able to yet again overcome. As always, as parents, you have been supportive and understanding. Your trust and recognition that there are 'always two sides to every story' has helped us maintain positive relationships and resolve, most situations, quickly and effectively

This year we are sad to have to say goodbye to the outstanding Mrs. Ritchings (SKR), who is stepping down as a form tutor but remains in the school working part time. The job she has done with her tutor group is widely praised by the tutor team and this is seen in the number of commendations her students accumulate each and every day. The kids in SKR have been very fortunate to have Mrs. Ritchings in their corner and I know that every one of them, including me, are very sad to see her step down.

However, we now welcome Mrs Dufour (CED) into our tutor team, someone who most of you will already know. Mrs Dufour is a very experienced and respected member of staff at the Glebelands School and will combine working as Head of Languages with leading her tutor group.

The children, as always have been very busy this term. The Legally Bond production concluded last week with the year 9's playing, as usual, a major role within this production. The PE team have been running many competitions including rounders, cricket and the district athletics competition. The Robotics team did themselves proud again, and we cannot forget the amazing learning that takes place every single day in their lessons including online learning, again, during the many strike days this year!

Unfortunately, we have been pipped to the post by the year 7's, again, for best attendance in the school, still came second. Our punctuality continues to prove an issue and we have recently passed the 12,000 commendations threshold with SKR, again, officially being crowned the year 9 tutor group commendation champions for 2022-23.

Another very impressive academic year for the year 9's.

## Mufti day – Friday the 14<sup>th</sup> July 2023

Each year group takes it in turn to organise a whole school mufti day and raise money for the school's charity of choice – Children on the Edge.

This year I set each year 9 tutor group an additional challenge of raising as much money, individually, as possible, by allocating them a day each where they could sell cakes etc, at the picnic area by the school field. The winning tutor group will receive a free 'queue jump' pass for the dining hall for the last week of term.

Below is the money raised by each tutor group:

Monday – JEP	£49.32
Tuesday – JHG	£45.86
Wednesday – FMR	£41.35
Thursday – SPR	£89.90
Friday – SKR & MJH (Combined)	£99.60

Please be reminded that your data protection is important to us. For more information on how the school uses your data please see our website page on [Data Protection](#)

Year group total	£326.03
School total	£736.04

Congratulations to everyone involved for all their efforts and especially to Mr Radwanski for raising the most as an individual tutor group.

## Duke of Edinburgh Award Year 9

70 of our Year 9 students completed their Bronze assessed expeditions during a blisteringly hot weekend back in June. They camped near the river Wey and enjoyed an evening swim to cool down before cooking their evening meals. They did a fantastic job and were praised by all of their assessors for their teamwork and resilience. They continue with their physical, volunteering and skills sections with the aim of completing the award and receiving their certificates in Year 10. A special mention to; Will Allcott, Emma Anderson, Esther Boyd, Anneka Bridger, Emily Fuller, Lola Harewood, Niamh Jimmison-Spice, Adelaide Jones, Charlotte Lovegrove, Amy McFetrich, Alex Ridley and Milo Swift, who are only one section away from completing the award - well done! **Miss Campbell**

July 2023

## GASP PROJECT

Glebelands School has had a long-established relationship with the GASP motor mechanics project, this year we were delighted to welcome them back to work in a small group with some of our Year 9 students. Over the course of the summer term the students have been working on a variety of skills and projects including bike maintenance, engine diagnostics and maintenance, tyres and punctures, Go Karts and pit bikes. The end of term project was then held at Dunsfold Aerodrome in the penultimate week of term with the boys' time trialling the Go Karts and practising their drifts! Mr Singleton, Mrs Rogers and Ms McAulay were in close supervision and acted as time keepers and the cheering crowd. Mr Singleton was game enough to try to race against the Year 9 boys but had to concede they probably had the weight advantage over him! Well done to all the boys who took part, Josh Arrowsmith, Oscar Dighton, Oliver Nairne, Jed Robson, Oscar Sproit and Zack Weller. The GASP team gave their thanks for us providing them such a super team!

This term a number of year 9 boys have been working with and looking into the mechanics of engines. For the conclusion of their course, it was arranged that they will go to Dunsfold and race some go-carts around the track, as you can imagine, they really enjoyed this, especially once it got competitive!

Results for the (race) day are listed below:

Please be reminded that your data protection is important to us. For more information on how the school uses your data please see our website page on [Data Protection](#)

Jed Robson – 42 seconds  
Josh Arrowsmith – 43 seconds  
Oscar Dighton – 48 seconds  
Oscar Sproit – 50 seconds  
Zac Buxton – 55 seconds  
Oliver Nairne – 58 seconds

And for those interested:

Mr. Singleton – 44 seconds!

For photos of the crashes, and yes there were a few, I will happily provide these as well.

## Sports day

As usual, the year 9 students did everyone proud at sports day. Not only was the level of competition on the track extremely high but the levels of co-operation and behaviour off it was exemplary!

However, there can only be one, and the winner this year was:

1<sup>st</sup> – SPR  
2<sup>nd</sup> – JEP  
3<sup>rd</sup> – MJH  
4<sup>th</sup> – SKR  
5<sup>th</sup> – FMR  
6<sup>th</sup> – JHG

As part of their study of the Holocaust, Year 9 pupils received a visit from Generation2Generation speaker Seymour Kelly, who spoke about his mother Lusaka Kelly and her experiences during the Holocaust. Students were captivated by a powerful speech and had the opportunity to ask some questions of their own.

## Achievement and Effort Certificates:

Each half term a certificate and a small prize are given to students who are nominated by their teachers for excellent effort in a subject area or great achievement. Congratulations to the students who have been recognised and awarded this half term.

**The Junior Mathematical Challenge** is a 60-minute, multiple-choice Challenge that we enter some of our top maths students for each year.

It encourages **mathematical reasoning, precision of thought,** and **fluency** in using basic mathematical techniques to solve interesting problems.

The problems on the Junior Mathematical Challenge are **designed to make students think.** Most are **accessible,** yet still challenge those with more experience.

Our year 7 and 8 students took part in the junior maths challenge and the year 9 and 10 students took part in the intermediate maths challenge.

We are really proud of the results below showing the achievements of the students who took part.

We also had 4 students who qualified for the Junior Kangaroo, which is the next round after the junior maths challenge. 3 of these students achieved a merit award in the Kangaroo round which is a fantastic achievement. They should all be really proud of themselves.

### Boys Cricket Round up

#### Year 7

Glebelands v Christs College

Glebelands hit 119 with Oliver T hitting 29, Seb K 16 no and Oli A 15.

Oli A took 3 wickets and Josh S took one in the Christs innings of 50, which meant that the team won the match, a great performance from all of the players.

v

The match v Broadwater school was unfortunately postponed. Well done to the team for their first season representing Glebelands.

## Year 8

Glebelands v Broadwater school

Glebelands hit 78 runs in the 16 overs with Reuben S (19 no) and Stan (9) no

In reply Broadwater hit 79-2 (Will Jenkins taking two wickets) which meant Broadwater won the match.

Glebelands v George Abbot

Glebelands hit 80 in 16 overs- Will O'Brien 30 no and Joe Elliott 19 no

Wickets were taken by Will and Joe Elliott but Abbot hit winning runs in 11<sup>th</sup> over

Glebelands v Christs College. This was a very good game with Joe E, Sam E and Harry W hitting most of the Glebelands runs in a winning effort, with Christs all out for 40.

## Year 9

Glebelands v George Abbot

Glebelands hit 82- Ben R 30 no, Oli M 12, Oli E 7no

Wickets taken by Ben (2) in first over and Charlie Lilley but George Abbot hit winning runs in 11<sup>th</sup> over

Year Boys 9 cricket team v George Abbot school

## V Christs College

This was a match that had to take place inside due to the weather. The boys batted well to hit 100 runs with Charlie and Reuben top scoring with 26 and 21 runs each.

The team then bowled and fielded very well and wickets were taken by Oliver M, Ewan, Will A, Charlie L, Oliver E and Christs finished their allotted overs on 74 which meant a win for Glebelands

The Year 9 cricket team v Christs College

## Year 10

### Glebelands v Broadwater

This was a great game with lots of runs scored by both teams. Broadwater hit 135 with one of their players returning from retirement as Glebelands took 9 wickets as a result of great bowling and very good fielding (Rory with 4, Rasmus 2, Rufus and Tom taking others).

In reply Glebelands hit 121 in the allotted overs with Callun 28 and Rasmus 30 no

### V George Abbot

This was a great game with both teams knowing each other very well. George Abbot hit 121-8 with Rasmus taking 4 wickets, and Charlie, Ezra, Toby and Tom all taking wickets.

In reply Toby hit 26, Rasmus 13 and Callum 12 in the Glebelands total of 94-7 which left the team just short of the runs required.

### V Christs College

Christs hit 130 runs with Rasmus, Tom, Charlie, Ezra taking wickets.

In reply Rasmus top scored with 38 no in the Glebelands total of 66, which meant Christs won the match. Well done to the team and all the Year 10 students who have represented the school so well over the last few years.

### The Boys Year 10 cricket team

## Tennis

### Year 8/9 Tennis v George Abbot

A great match that saw our team play singles and doubles matches with Freya, Esther, Laila, Henry and Milo winning their matches. Close matches took place and there were some great performances from each of the team. Glebelands won 6 matches overall to George Abbot's 10.

We hope to have more tennis fixtures next year

## Rounders

### 7 mixed rounders

The Year 7 mixed rounders team played their tournament at Rodborough school. There were 3 teams, with Woolmer Hill, Rodborough and Glebelands competing.

In the first match the team scored 5 rounders against Rodborough with both Cole and Nick hitting rounders. Rodborough batted well in reply though and managed to hit 7 rounders to take the win.

In the second match against Woolmer Hill A team Glebelands batted well to score 6 rounders (Reece/ Evie/ Cole/ Charlie with rounders) and although there was some good fielding from Tola, Evie and Reece in particular that helped reduce the Woolmer Hill total, however they managed to hit 8 rounders in total to win the match.

The final match saw the team play Woolmer Hill B team and this resulted in a win with Glebelands hitting 6 rounders and Woolmer Hill 4. This result meant that the team finished third overall

### 7 rounders Tournament

A super team effort from the year 7 rounders tournament, this was their first game of rounders at secondary school and they played very well, learning and developing in each game. They finished 3<sup>rd</sup> overall with a win a draw and a loss, lots of good fielding saw them only lose by 1 rounder on the final ball. A very good effort from all involved.

July 2023

## 10 Rounders Tournament

Year 10 finished first in their district rounders tournament, lots of great batting hitting well in to deep field allowed the girls to score lots of full rounders. Coupled with very tight fielding and superb bowling saw the team come away as champions.

Also very tight fielding and risking it when batting saw the team victorious against Rodborough. In the other game against Woolmer Hill the team played very well but were unlucky with their shots hitting the fielders and being caught out. Nonetheless a great performance.

## 8 Rounders Tournament

The year 8's played really well in their tournament finishing second. Again we saw really good teamwork and great batting from the team. Their communication skills have improved and it was good to see them discussing tactics when batting and fielding. A great performance. Well done

## 9 Mixed Rounders

The year 9 mixed rounders team were slightly down on numbers but still managed to battle through and come 3<sup>rd</sup> in the tournament. They batted really well but struggled in the field due to less numbers. Nonetheless a lovely fixture with lots of positive attitude on show.

## 10 Mixed Rounders

Year 10 played in a game against Rodborough as the other teams were unable to attend the tournament. We played two innings and Rodborough took the first by 2 runs, in the second innings Glebelands fielding was tight getting lots of Rodborough players out quickly and taking the win. A very nice fixture with lots of laughs. Well played all

## District Sports

Firstly, we would like to say a huge well done to all students who attended the event and participated to the best of their ability. Secondly, we would like to reiterate how proud we are of each and every student who upheld Glebelands' 'Respect and Achieve' ethos in all that they did on the day. The behaviour was exemplary from all students and they worked extremely well as a team to ensure everyone was at their events at the right time, and if changes needed to be made they did this amongst themselves to ensure that every event had two competitors, to give us the best chance of winning the competition.

Finally, we saw some fantastic performances from many of our students on the day, and brilliant attitudes from our students to congratulate their opponents regardless of the position they finished. Each and every student was integral in contributing to the final result and allowing Glebelands school to win the district sports competition for 2023. Well done again to every member of the Glebelands District sports team 2023.

## Sports Day

Sports day took place on the 23<sup>rd</sup> June and it was a very successfully day with students competing in a variety of events. These included Ultimate frisbee, Outdoor arena, Tug of war and Athletics.

There were excellent performances on display and two records broken with Sienna Southgate (Year 8 Javelin) and Connie Emmett (Year 8 High Jump).

The students were brilliant and supported one another throughout. The results were as follows-

## School Council Update

Thank you very much to all Tutor Reps for presenting the feedback to their tutor groups on behalf of Sarah, Alfrayer and Atreyu. Some of the main areas presented included the clarification of some points that not all students were aware of. First of all, Children on the Edge, our partner charity, provides direct support for some of the most marginalised children around the world and this does include those affected by war in Ukraine. So, the School Council were pleased to hear that another mufti day in aid of COTE was on its way! Further to this, second hand uniform is already available from the uniform shop, so we wanted to ensure that everyone is aware of this service.

**July 2023**

At our most recent full School Council meeting, Tutor Reps passed on ideas from their tutor groups but most of our time was spent continuing with the fantastic work of our five sub-committees.

The Learning Committee discussed the advantages and disadvantages of the revision booklet and specific revision techniques as well as the setting of homework and seating plans. Sarah will be adding further clarification to some of these areas to be shared in our next feedback presentations.

The Wellbeing Committee were able to reflect on the positive progress made with their target of raising awareness of LGBTQ+ rights throughout Pride month. In the meantime, the Diversity Committee, joined once again by Mrs Sunger and some students from the IDE group, continued to plan ideas for a forthcoming assembly, including an online form to allow students to anonymously share stories and experiences. Alfrayer and Chloe will be liaising with Dominique, from the MHST and Mrs Sunger on their respective roles.

The Eco-Committee and Premises Committee joined forces for this meeting and discussed many potential project ideas including SpoGomi, the Japanese sport of competitive litter-picking, and writing letters to local MPs with regards to the Global Plastic Treaty. However, the main idea that SLT were really intrigued by, was Eco Bricks. Ed and Atreyu will be looking into how we may be able to participate in this project where PET bottles are packed solid with clean and dry plastic to be used in construction.

Thank you to all the Tutor Reps and in particular to Sarah, Alfrayer, Atreyu, Ed and Chloe for their responsible approaches to this important aspect of school life. I would like to take this opportunity to encourage all students to continue to pass on your great suggestions and ideas to the School Council via your Tutor Reps. The School Council Leadership Team really impressed Mr Mitchell at our recent SLT meeting. They chose their priorities well and presented very confidently. We are all looking forward to seeing further positive contributions from the School Council next term!

## Mindset Mentors

A big thank you and well done to our team of Year 10 Mindset Mentors! The students listed below have done a great job supporting some of our year 7 and year 8 students. They have proved to be excellent role models, giving up their time to help their mentees. They all showed plenty of responsibility, respect and kindness. Sometimes a fair amount of resilience and patience was necessary too!

Here are a few anonymous quotes from some of the year 7 and 8 mentees:

*"I've learnt techniques such as to persevere more and be kind."*

*"I learnt to be better at homework and to concentrate in lessons more."*

*"When I didn't have mindset mentoring I got detentions for no homework and since having a mentor I have got literally one or two breaktimes."*

Plus, many students quite simply said: *"It was fun!"*

Thank you to all these Mentors for their insightful feedback too, as this will allow me to further reflect and improve this scheme for next year.

# GLEBELANDS TRUST

Registered Charity  
No. 1193565

## About Us:

Glebelands does not have a parent and teacher association in the traditional sense, but operates Glebelands Trust as a way of donating money to the school for items that would otherwise not be available to students through normal funding mechanisms. We have different ways of raising money for Glebelands Trust that don't involve direct donations, although that is also an option. Glebelands School (Cranleigh) Educational Trust is registered as a charity and therefore can accept donations through Give As You Live and Easy Fundraising websites which offer a donation as you shop

## Give as you live

- Register once at [www.giveasyoulive.com](http://www.giveasyoulive.com)
- When you shop online via their app or website, you will receive notification to donate to Glebelands Trust.

## Easy Fundraising

- Register once and select your charity donation
- When you shop online you will receive notification to use the Easy Fundraising website for your purchase
- Then a percentage of your purchase is donated to Glebelands School.

## Just Giving

- Glebelands Trust is registered with Just Giving as a way to donate funds directly.

## ATTENDANCE MATTERS

We are all aware that attendance is important. All research informs us of this: we know that students are more likely to succeed in academics when they attend school consistently. At Glebelands we do not underestimate the impact that parental support has on ensuring good attendance. With your continued support we can all work to gain back control and make their future years a success.

Students who are frequently absent will fall behind with learning, we do not want this to happen; absence can make students feel anxious and vulnerable; we do not want this for our students. All students at Glebelands are valued, important and anything that gets in the way of their education is important to us.

Missing a few days of school here and there may not seem a big deal, but research shows that it can have a significant impact on children's learning. Most of the work they miss is never made up, which can lead to big gaps in their learning.

Fact: Students who are absent between 10 and 12% of school (that's 19 to 24 days per year) stand only between a 45% to 35% chance of achieving five or more good GCSEs, compared to 74% of those who miss fewer than 5% of school days.

Chances of Success at GCSE

### Attendance

Our target is **96%**- but we are some way off reaching our target. The Department for Education tracks attendance carefully and judgements on how well a school is doing is partially based on whole school attendance. Whole school attendance up to 2<sup>nd</sup> December was **93.2%**.

Year 7 96.12%

Year 8 93.45%

Year 9 94.69%

Year 10 92.50%

Year 11 88.39%

You can help by coming to school every day and on time.

### Build the Habit of Good Attendance

- Parents and schools have a key role to play in children's success
- One of the most important life habits we can instil in children is attendance
- Promoting good attendance helps children to understand the importance of education, commitment and taking responsibility

### What Parents/Carers can do

- Set a regular evening and morning routine
- Do not let your child stay at home unless they are truly sick (we do not operate a 48 hour policy)
- Develop back up plans for getting to school if something comes up. Call a family member, a neighbour or another parent and check bus timetables and routes
- Avoid medical appointments and holidays during term time

**July 2023**

- support under Part VI of the Immigration and Asylum Act 1999 the guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

If your child is eligible for free school meals, they'll remain eligible until they finish the phase of secondary schooling they're in on 31 March 2023.

If you feel that your child may be eligible to receive free school meals, please contact the school on 01483 542400 and request a Free School Meal application form.
