A Message from our Headteacher

25th October 2024

Dear Parents and Carers,

As we reach the end of this first half term, I want to take a moment to reflect on what has been an incredibly positive and purposeful start to the new academic year here at Glebelands. Building on the momentum of last year's record GCSE results, we are proud to share that the progress of our students places us in the top 10% of schools nationally—a testament to the hard work of both our students and our dedicated staff. These results include remarkable achievements across departments and many outstanding individual student accomplishments.

This term, it has been a delight to see all students settle in with enthusiasm, particularly our new Year 7s, who have made a fantastic start to their secondary school journey. I'd like to extend my gratitude to all parents and carers who joined us at our information and parents' evenings, as well as at the Year 11 'Glebelands Way to Revision' evening. Your support at these events is invaluable; these sessions are instrumental in helping students navigate the year ahead and achieve their very best.

I am pleased to see so many students engaging in the wide variety of activities on offer here at Glebelands. From enrichment sessions during Thrive to numerous clubs and opportunities highlighted in this newsletter, it is wonderful to witness their enthusiasm for learning beyond the classroom. A special mention goes to everyone who helped make our Year 11 Practice Interview Day a success; it was an invaluable experience for our students as they prepare for their next steps.

Thank you once again for your continued support, which makes all the difference to the success and well-being of our students. Wishing you and your families a restful and enjoyable half-term break.

With warm regards,
Mr Mitchell

Key Dates

Autumn Half Term

Date	Event
7th November	Godalming College Interview Day
14th November	Meet the Tutor Evening
15th November	Children In Need Day
18th November	Year 11 mocks begin
28th November	Presentation Evening for last year's GCSE students
13th December	Christmas Dinner and Christmas Jumper Day
16th December	Christmas Carol Service – Cranleigh Baptist Church
20th December	End of Term – School Finishes 12.30pm

Spring Term 2025 - a look ahead

Date	Event
6th January 2025	INSET Day
7th January	All students return to school
20th January	Year 9 Test Week
29th January	INSET Day
30th January	Year 11 Parents Evening
7th -10th February	Iceland Trip
16th – 20th February	Half Term
24th February	Students back to school
4th April	Term ends 12.30pm

Other Term Dates

Date	Event
22nd April	Summer Term starts
5th May	Bank Holiday
27th – 30th	May Half term
30th June	INSET Day
19th July	Term ends 12.30pm
21st & 22nd July	INSET Days

Safeguarding at Glebelands

Keeping children safe is our priority at Glebelands. We are committed to safeguarding and promoting the welfare of children and young people and we expect all staff and visitors to the school to share this commitment.

We have a safeguarding team at school and if you have any concerns about the safety and welfare of a child you can contact dsl@glebelands.surrey.sch.uk.

If it's an emergency always call 999.

Head of Achievement Updates

YEAR 7

A great start to Glebelands!

What an amazing start Year 7 have had. We've reached the last week of half term with a record 23 commendations for any 1 concern point, this is a fantastic achievement and testament to how well the Year 7s have settled in and embraced life at Glebelands. Year 7 are engaged and involved in lessons, producing some brilliant work and behaving beautifully. Not only that, outside of lessons over two thirds of students have been involved in extra-curricular activities such as sports clubs, music clubs, art and science club. Our first inter-house competition was a bench ball tournament and it was a great success with lots of fun had by all. A large number of students are also regularly attending homework club after school to stay on top of their work. Homework club is a supervised drop in activity and students can stay for as long as they need up to 4.30pm, all are welcome.

Half Term Achievement and Effort Awards

Each half term a certificate and a small prize is given to students who are nominated by their teachers for excellent effort or a great achievement in a subject area. Congratulations to the students who have been recognised and awarded these this half term.

Head of Achievement Updates

YEAR 8

What a fantastic and a positive start to the new academic year! As the new head of achievement for year 8, I have been impressed with their work ethic and positive 'can do' attitude. I am delighted to have taken over the year group from Mrs Auty and will continue to lead the group as they continue their journey through Glebelands. Students have engaged well with the curriculum this term as well as with their classwork. This is evident in the number of commendations and subject awards presented this term. I am really excited and looking forward to working with this year group as I continue to guide them through their Glebelands journey.

Half Term Achievement and Effort Awards:

Each half term a certificate and a small prize is given to students who are nominated by their teachers for excellent effort or a great achievement in a subject area. Congratulations to the students who have been recognised and awarded these this half term.

As we take a well-earned break from this eight-week term, parents are reminded of the importance of attendance to school. Attendance to school is vital as this prevents from students falling behind in their subjects. Students are expected to return to school on 4th November in full school uniform. False nails/piercings are not permitted so please can I ask for your support in ensuring that these are removed before the school term. We have meet the tutor evening on Thursday 14th November. This gives parents/carers the opportunity in meeting their tutor and have a catch up with how students are settling in. I would finally like to take this opportunity in wishing you and your family a well-deserved and restful half term.

Miss Amin

Head of Achievement Year 8

Head of Achievement Updates

YEAR 9

An amazing start to Year 9 with a busy half term. I am impressed with how students have settled into the demands of Year 9 and stepped up in terms of effort and attitude. It has been a pleasure to see students reading in tutor groups – a very poignant book chosen by Miss Frost. Students have also planned and structured their homework and other activities during the week. We have celebrated Black History Month and had some great Thought of The Week presentations.

We are striving to be the best year group in terms of uniform, punctuality and attendance. Students have achieved over 5,000 commendations, which is incredible. There have been over 70 students that have had a communication home recognising their efforts. There are 129 students that have been on time to school every day this half term – well done to them. I would like to see that number much higher next half term.

Half Term Achievement and Effort Awards:

Each half term a certificate and a small prize is given to students who are nominated by their teachers for excellent effort or a great achievement in a subject area. Congratulations to the students who have been recognised and awarded these this half term.

After half term, on November 14th 4:30-6:30 there is an opportunity to 'Meet the Tutor' to get a picture of how your child has started the year. We will continue pushing to be the best year group for uniform, punctuality and attendance and we appreciate your support with this.

On behalf of the Year 9 Tutor Team, I wish you all a great half term break.

Mr Nibloe
Head of Achievement Year 9

Head of Achievement Updates

YEAR 10

The Year 10 students have made an extremely positive and focused start to their GCSE courses which has culminated in over 3,400 commendations being awarded to date! It is a pleasure to become their new Head of Achievement and I have been very impressed with their effort and commitment to their learning.

Half Term Achievement and Effort Awards:

The Year 10 students will be organising various bake sales and events the week beginning 11th November in aid of Children on the Edge and Children in Need. The tutors will be liaising with their group to ensure there are lots of scrumptious goods to sell during the first week back. In addition, we look forward to the first set of Engagement Reports, followed the Meet the Tutor event on the 14th November.

I would like to congratulate the Year 10 students on their excellent start and hope you all have a happy half term!

Mrs Albrecht

Head of Achievement Year 10

Head of Achievement Updates

YEAR 11

We have started our final school year at Glebelands with everyone returned fully focused and noticeably more mature than when they left us in July. The excitement began with the senior students training for their roles and then the school photographers took individual photos, replacing those that had been representing our students at school since year 7 😊 as well as the tutor group photo and the whole year group photo too.

Local colleges and sixth forms have visited this half term, promoting the value of attending their institutions next year. In addition to this, the students have also been visiting college open evenings and gaining valuable insights in to what GCSE qualifications they will need to study selected courses for next year. This has helped maintain their focus and determination to achieve in lessons.

Many of our students volunteered to help at our Open Evening and they were impressive in representing their school. They certainly are very proud of their school, and rightly so. Subject evening was very highly attended by parents and students - thank you. The buzz in the School Hall was one of excitement and pride. Parents heard from class teachers how hard students are working in addition to excitement in hearing how all the efforts over the years are now being rewarded with the potential of achieving very good grades at the end of this year!

We have just finished the half terms celebration assembly which is my favourite assembly. One aspect highlighted today was the number of students with 100% attendance and we are the second-best attending year group in the school, a very big achievement and especially important in their final year.

I am hoping that many of you will be reflecting on the revision evening, hosted by Mr Smitheram and Mr Kerry, which students received in their assembly last week. With the mocks starting 2 weeks after half term, not only is it important to know how to support your child with revision but also in supporting them in planning (and relaxing) when and how often to revise. I hope you all found the evening helpful?

One of the favourite days of the year for the Y11's is the Practice Interview Day. Students have applied for an advertised job, written their CV's and were interviewed by experienced professionals. All students, after their interview, received feedback on how it went. The feedback was that they were all exceptional in their presentation and how they approached the event.

Thank you to everyone for your continued support but now it's time to relax and enjoy your well-deserved holiday.

Mr Singleton
Head of Achievement Year 11

Attendance Matters

School Penalty Notice for School Attendance have changed from 19th August 2024

With the introduction of the new National Framework for Penalty Notices issued by DfE, the following changes have come into force for School Penalty Notice Fines issued after 19th August 2024.

National Threshold

There will be a single consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period.

These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence.

The 10-school week period can span different terms or school years.

Please note: The DfE does not consider a need or desire for a holiday or other absence for the purpose of leisure and recreation to be an exceptional circumstance.

Attendance Matters

PENALTY FINES FOR SCHOOLS ARE CHANGING

Per Parent*, Per Child

A School Penalty Notice is issued to each parent*, for each child that was absent.

For example: 3 siblings absent for term time leave, would result in each parent receiving 3 separate penalty notices

*Parent

Section 576 of the Education Act 1996 defines "parent" as:

- All natural (biological) parents, whether they are married or not.
- Any person who, although not a natural parent, has parental responsibility for a child or young person.
- Any person who, although not a natural parent, has care of a child or young person.

FIRST OFFENCE

The first time a Penalty Notice is issued for unauthorised absence the amount will be: £160 per parent, per child paid within 28 days. Reduced to £80 per parent, per child if paid within 21 days.

SECOND OFFENCE

(within 3 years)

The Second time a Penalty Notice is issued for unauthorised absence the amount will be: £160 per parent, per child paid within 28 days.

THIRD OFFENCE

(within 3 years)

The third time an offence is committed a Penalty Notice will not be issued and the case could be presented straight to the Magistrate's Court. Prosecution can result in Criminal records and fines of up to £2,500. Cases found guilty in Magistrates' Court may show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.

Sporting Achievements

Netball

A strong start to our sports activities for Autumn Term starting with congratulations to our Year 10 netball team who were the District Tournament winners!

Results

This half term students have taken part in the following matches:

Glebelands vs	Year	Game	W/L/D	Result
Rodborough	11	League	W	32-12
Rodborough	10	League	W	9-8
Rodborough	9	League	W	9-1
Christ's	7	League	W	39-1
Christ's	9	League	W	22-5
Rodborough	9/10B	Friendly	W	22-6
Rodborough	7	League	W	15-1
Rodborough	8	League	L	7-8
Tournament	10	Tournament	W	1 ST PLACE
Broadwater	11	League	W	24-9
County	7	Friendly		

Year 7 and 8 have shown great enthusiasm with great numbers attending after school netball club meaning that many players have already shown large improvement from last year.

Year 7 started the season strongly with a convincing win over Christ's College. The girls stayed calm in possession to move the ball effectively down court and into the shooting circle. Lots of interceptions in the middle of the court provided Glebelands with even more opportunities to attack. POTM – Sophie.

Year 7 and 8 also travelled to Rodborough for the first away fixture of the season. Year 7 dominated the first half of the match winning 15-1. The second half match we played a friendly and Glebelands changed positions demonstrating fantastic versatility on court. POTM- Meridith. Year 8 had a very close match demonstrating vast improvement from last year tactically. Unfortunately they lost 8-7. POTM- Summer.

Year 7s also had the opportunity to play a friendly tournament at Guildford County. They showed great enthusiasm and versatility, playing a variety of positions across 3 matches. The girls developed over the course of the afternoon, gaining in confidence with each game. Well done to everyone who took part!

Sporting Achievements

Netball (9-11)

Years 9, 10 and 11 have all been performing very well in their leagues so far this seasons and are all currently unbeaten. They have been very committed to training on a Thursday and we are seeing significant improvements in their game play due to this.

Year 9 have shown significant improvements this year, they are learning to hold their space and drive on to the ball more, ensuring they do not take the space of another player, allowing more fluid movement of the ball down the court. This was most notable in their game vs Christs where they were spreading out well, and moving the ball quickly but controlled from the centre court in to the shooting D. Strong defence in this game allowed for lots of turn overs and for Glebelands to pull away to a comprehensive win. POTM – Pippa and Kara

Year 9 and 10 B team played a friendly game against Rodbrough due to other teams being unable to attend a tournament. This game was a great developmental opportunity for both teams, and allowed students to further develop their understanding of netball and to play in a competitive environment in a range of positions. Glebelands played very well in this fixture taking an early lead and maintaining this for the rest of the game. POTM – Poppy and Paige.

Year 10 have also started the season very well with a league win against Rodborough and a win in their district tournament. In both performances the team was controlled enabling them to keep possession of the ball and work their way in to the D well to take their shooting opportunities. In the tournament Glebelands played very well in their pool going through unbeaten as the top team to face George Abbot in the final. This game started very close but then Glebelands took control, intercepted well and captialised on the George Abbot mistakes to take the win. POTM – Freya, Poppy, Connie. A really great team effort.

Year 11 are aiming to stay unbeaten in the league for the third year in a row, to make it to the county finals event in January. They have developed so well as a team over the last 3 years, they work hard and are committed to training, as a result we have seen a very strong start to the season with wins over both Broadwater and Rodborough. The team have also taken the opportunity to play in different positions during these games to further their tactical understanding of the game, this has seen them develop more empathy for one another and a greater understanding of the game as a whole. POTMs – Ayla, Beth, Lara, Lola A super start to the season.

Results

This half term students have taken part in the following matches:

Glebelands vs	Date	Home/Away	W/L/D	Result
Year 11 v Rodborough	Sept 24	H	L	3-1
Year 10 v Kings College	Sept 24	A	W	3-1
Year 9 v Rodborough	Sept 24	H	L	6-1
Year 8 v Kings College	Oct 24	H	L	3-2
Year 8 v Rodborough	Sept 24	H	L	5-1
Year 7 v Kings	Oct 24	H	W	9-0
Year 9 v Kings	Oct 24	A	L	3-1
Year 10 v Rodbrough	Oct 24	A	D	2-2
Yr 8 girls vs Howard	Sept 24	Cup	W	5-2
Yr 9 girls vs Rodborough	Oct 24	League	D	3-3
Year 9 v Woolmer Hill	Oct 24	A	L	3-2
Year 7 v Rodborough	Oct 24	H	tbc	tbc

Years 7, 8 and 9

Year 7 started their season against Kings College and played brilliantly, goals were shared between Sam, Hugo, Ryan (2), Tom, Casper (2), Reuben (2). The team then played against Rodborough school just before half term and this was a very close and exciting match. Casper opened the scoring for Glebelands but Rodborough hit back and then scored again before half time. Sam then scored a good goal after good build up play to make it 2-2 but Rodborough scored again to go in front. The match continued to be close with both teams playing nice football and passing it well. Despite more chances being created the boys couldn't find the equaliser and Rodborough won 3-2 but a good performance from the team. Next match Mon 11th Nov.

Year 8 played two matches one against Rodborough and one against Kings College. The team played well, particularly in the second half of the match against Rodborough and throughout the game against Kings College. Harry scored against Rodborough and he also scored from a penalty against kings along with a long range effort from Jack, this game was very even and despite these goals the team lost 3-2 with good football played by both teams throughout.

Year 7/8 girls played against Howard in the Guildford and Waverley Cup, they played very well overcoming a physical Howard team to take the win 5-2. The girls worked really well as a team to create lots of goal scoring opportunities and could have had more goals but some great stops from the Howard keeper prevented us from getting more. The defence were brilliant tracking back and keeping the Howard team away from the goal in the second half. Goals from Maggie (3) and Millie (2). POTM – Poppy. The next round of the cup is against Rodborough on Thursday 24th October.

Year 9 boys played against Kings (away), Rodborough (Home) and Woolmer Hill (away). The first match against Rodborough was a tough game against a good side, the team played well and worked hard throughout and Oscar scored a good goal to get the team back into the match. Unfortunately the boys could not score again and lost the match.

Sporting Achievements

In the second game the team played well and were very unfortunate to go a goal behind, plenty of good play saw them get back into the game with Cole scoring and despite a lot of chances being created they could not score another and Kings score two late goals to give them the win.

The last match of the first half term for Year 9 was against Woolmer Hill school. Stan scored twice but Woolmer scored 3 quick fire second half goals to claim the win, it was an even match with both teams playing good football, the team did well and displayed a great attitude throughout.

Year 8/9 girls played a friendly game against Rodborough, this was a really close and competitive game with both teams dealing well with a tough and bobbly pitch, nonetheless the girls did not give up and continued to fight hard despite the worsening conditions, doing their best to keep possession of the ball and pass forwards to our strikers who were faster than the oppositions defence, some good stops from the Rodborough keeper denied us more goals. A super hatrick from Evie saw the game finish 3-3. POTM – Evie and Iris

Years 10 and 11

The year 10 team started the season against Kings College and played some great football, passing quickly and using the width to create a lot of chances. The goals came from Will, Radriel and Oliver B in the second half more chances were created but the boys couldn't add to the goals and they ended up winning 3-1 to claim a deserved win.

The second match saw them play against Rodborough and again the boys played really well. There was lots of good possession, great pressing and intensity and superb team work. Will O'b opened the scoring with a long range shot but two quick fire goals saw Rodborough take the lead at half time. In the second half the boys again started well, keeping the ball and creating chances. It was a little end to end and both teams could have scored before a late free kick was awarded outside of the Rodborough penalty area and up stepped Ayo to score a great goal to make it 2-2 and a deserved draw.

Year 11 started their season against Rodborough and again played well, moving the ball well and counter attacking from wide positions. Rodborough scored first but Jed quickly scored a great equalizer from distance. Further chances were created and both goalkeepers made good saves. Rodborough hit back to score two further goals to take the game 3-1 but a very good performance from the boys, who had lost by larger margins in years gone by against this team. V Woolmer Hill (postponed by Woolmer- rearranged for March 25). Next match Mon 18th Nov.

Sporting Achievements

Primary School 6 Aside Football

On Monday 16th October, the year 10 sports leaders hosted two primary football tournaments for our local feeder schools. They were tasked with officiating, scoring and running the event. The event itself was a lovely afternoon and we just missed the thunderstorms and heavy rain. Miss Retter and her leaders were privileged to host 60 students in years 5 and 6 from 3 local primary schools for the tournament. We witnessed a great display of football, a superb atmosphere, great support and respect for one another.

Well done to the sports leaders who were fantastic role models, we have received very positive feedback from our feeder schools regarding the event and the leaders. Glebelands PE department are excited for the remaining primary events that will take place over the course of this academic year, led by our sports leaders. Well done to all involved.

Extra Curricular Activities

In addition to the fixtures the PE department are pleased to be able to offer the following extra curricular activities at lunchtime and after school. New clubs this year include:

- Cheerleading Club (All years Tuesday)
- Table Tennis (All years Wednesdays)
- Strength and Conditioning Club (Year 9/10 Tuesdays)

Cheerleading club has been well attended this term. Students have learnt how to lift each other to prep and catch in cradle. They have been learning routines to music and are developing their confidence in performing more challenging lifts. Students have also been practicing their gymnastic tumbling skills at Cheerleading Club and we are looking forward to entering a gymnastics competition in the Spring term.

You can find a timetable of our extra curricular activities on our school website by clicking [here](#).

Coming up next half term:

21st November	Waverley Cross Country
13th November	Year 9 Netball Tournament
Tuesdays in November	Boys basketball tournaments

Spotlight On...

Introducing our New Head Students

In the summer term of Year 10 our new Head Students were selected to take up their roles for Year 11. This year our Head Students are: Beth Quinn, Amy McFetritch and Emily Donoghue. They are ably supported by a team of deputies.

This is an inspirational role to hold in school and the role is open to all students who wish to apply in Year 10. We hear from some of our students what it means to them to hold this role.

Hi, my name is Emily, and I am one of the Head Students here at Glebelands School. Becoming head student is something I take great pride in, and I have enjoyed working alongside the other excellent head students throughout this year. I decided that I wanted to apply for this position when I was in year 7, after listening to the previous head students talk about Glebelands. I remember feeling so inspired and they quickly became role models for me, which since then I have hoped to be able to similarly reflect onto the students in younger years at our school. The application process is a great way to develop key skills and as senior students, we found applying very clear and supportive. The process of applying involves writing a letter of why you are the best fit for the role addressed to the senior leadership team, alongside preparing and presenting a convincing speech to your year group. There is, of course student voting involved, but please don't let this put you off, it is a great way to develop confidence and familiarise yourself with making convincing public speeches. Lastly, you will be interviewed by the senior staff to present your ideas and reasons for becoming head student. This may seem like a lengthy process but in reality, it is not as scary as I first thought, there is lots of support and it is a very fair thought-out process. As head students you are given many opportunities to present speeches to the school and the wider community which is a great way to represent Glebelands. I am delighted to be one of the head students within such a strong body of senior students, and I have really enjoyed working with different people and displaying the brilliance at Glebelands School. **Emily**

As one of the Head Students I really enjoy all the abundant opportunities the role brings. I feel very lucky to be able to represent the school and I particularly love taking part in public speaking. The most recent event the senior students took part in was Open Evening, and we each delivered a speech to potential future students and parents. We also gave them a guided tour of Glebelands – I was very proud that I could help promote the school. I applied for the role of head student in the spring term of last year and there were several rounds to the process: first writing a letter of application, followed by creating and executing a speech to my peers and lastly an interview with some senior members of the school. I think the process was very valuable, as it provided me with experiences and skills that I will find useful in the future (such as preparing job applications and attending interviews). One of my favourite things about the role is the chance to give back to the school as during my time at Glebelands there have been so many amazing opportunities offered to the students and I'm very grateful to have been able to take part. **Amy**

We wish the students well in their roles as Head Student for Year 11.

House News

House Points

A great start to the year with each House achieving over 3000 commendations already.

House	Points
Angelou	3444
Attenborough	3071
Franklin	3421
Hawking	3182
Seacole	3345
Turing	3608

Year 7 Dodgeball

Our first house competition of the year saw Year 7s taking part in an exciting afternoon of dodgeball and beachball competitions. Seacole and Turing deserve a special mention for fielding full teams while Angelou, Franklin and Hawking combined to make a third team on the day. Some very close games played in great spirits. A massive well done to all who participated! The results were as follows:

- 1st Angleou/Franklin/Hawking
- 2nd Turing
- 3rd Seacole

Pin Badges

This year we have introduced pin badges for students to wear on their lapel. The theory behind this is to give students a visual representation of their House to make them more identifiable to others around school as being part of the same House and to further develop the community spirit which the Housesystem aims to achieve.

Future Events

- Yrs 7-10 Dodgeball event
- Children in Need
- Shoebox Appeal
- Black History Month competition
- Art Design competition

Glebelands Trust

Welcome to Glebelands Trust!

We are a dedicated charity supporting Glebelands School by enhancing the educational experience similar to a traditional Parent Teacher Association (PTA) without the time commitment that a PTA requires. Instead, we encourage parents to donate directly to the Trust. Your generosity allows us to provide exceptional resources and opportunities for our students that extend beyond the school's budget.

Every donation you make, whether as a one-off gift or through a monthly contribution, directly benefits the students by funding educational materials and extracurricular activities that enrich their learning journey. You can conveniently donate through our Just Giving link above, and as a registered charity, we can reclaim tax on your contributions, maximizing the impact of your generosity. Our Trustees ensure that all funds are promptly put to use, creating immediate benefits for your children.

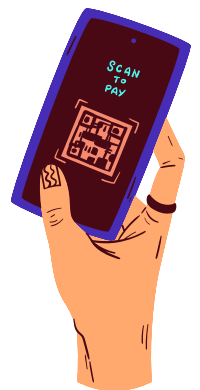

Why Your Support Matters

Glebelands School manages its finances effectively, but there's always a gap between available funds and the cost of providing the best possible educational experiences. The Glebelands Trust helps to bridge this gap by funding valuable resources and innovative projects across all school departments. We align all our spending with the School Development Plan, which is approved by the Governors, ensuring every penny enhances the quality of education.

How You Can Help

Your support is crucial, and there are several ways to contribute to the Glebelands Trust:

- **Just Giving:** Please scan the QR code make a donation through Just Giving. They offer an easy 'one click' option for both monthly and one-off donations, though they do take a small commission.
- **Direct Donations:**
 - One-off or Monthly Contributions. Some parents contribute £10 per month, while others opt for quarterly or annual donations. Every bit helps! Set up a direct debit or make a one-time payment to:
 - Account Name: Glebelands School (Cranleigh) Educational Trust
 - Bank: Natwest
 - Sort Code: 52-41-56
 - Account Number: 48271462
- **Online Shopping Donations:**
 - Easy Fundraising: Register and select Glebelands School (note: not the Trust) as your charity. Shop through their site, and a percentage of your purchase is donated.
 - Give as You Live: Similar to Easy Fundraising, register at giveasyoulive.com and choose Glebelands School Trust. Donations are made as you shop.
- **Gift Aid:** Enhance your contribution by an extra 25% at no additional cost to you. Just complete the Gift Aid form and return it to the school office.

Every donation, no matter the size, plays a vital role in enriching the educational experiences at Glebelands. If you have any questions or need assistance, please reach out to us at trust@glebelands.surrey.sch.uk.

Performing Arts

Music

We have successfully implemented our new Key Stage 3 curriculum. Year 7 and 8 have begun learning to read drum notation and play drum kit to the song Another Brick In The Wall Part 2 by Pink Floyd. Our Year 9's are also learning to read and play drums, as well as learning about genres of music including: Blues and Gospel; Trad and Big Band Jazz; Soul and Funk, and Reggae and Ska Punk – why not play them some music from these genres, and talk and/or move to the music?!

Our new Key Stage 4, Year 10 students have made a fantastic start, learning about musical elements and example features in each of their 8 set works, whilst preparing a solo performance for the end of this half term. Our Year 11's have completed first drafts of their free compositions, have begun their brief compositions and are busy preparing their solo and ensemble pieces for their formal NEA assessments in November.

Clubs

Our orchestra have been rehearsing music for our school carol concert at Cranleigh Baptist Church on Monday 16th December. Our musical theatre and singing club have been learning vocal warm ups and singing along to come of their favourite musical songs. Next half-term, they will learn to sing carols in preparation for their first concert.

Peripatetic

Surrey Arts are our main provider of one-to-one musical instrument lessons. If you are interested in signing your child up to lessons, please use the information provided on the advert on this page.

Productions

We will be hosting our Spring Concert in March and School Production in July 2025. Please look out for announcements regarding auditions and ticket releases on our social media and in future newsletters.

Mr Holcombe

Performing Arts

Drama

Year 7 Drama

Our new Year 7 students have all made a positive start with their “Introduction to Drama” module. Mr Robinson and Ms Frost have seen students progress in creating bold characters in storytelling as well as learning about the different types of theatre and stage positions in their homework.

Year 8 Drama

We welcome Mr Ransom as a part-time member of the Drama department who has taught two of the Year 8 tutor groups. Students have been enjoying learning different styles of performance in Mask Acting and Commedia Dell’Arte. Students seem to be really enthusiastic in making more comedic and exaggerated pieces of theatre.

Year 9 Drama

One rotation have fully completed , they have explored a wide range of styles of performance as well as having a sneak-peak into what GCSE drama looks like, looking at Blood Brothers (studied at GCSE) as well as Drama Practitioners, finishing off with the students’ favourite discipline of Stage Combat.

Year 10 Drama

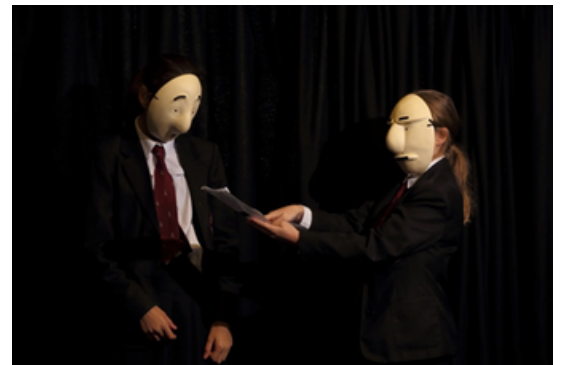

Students have been acting out Blood Brothers (GCSE set text) as well as reading it for homework. Mr Robinson has been really impressed with the consistent effort shown.

Year 11 Drama

Year 11 students have been working really hard learning from their Year 10 mock and preparing for their Autumn Year 11 mock. Mr Robinson has been blown away by the amount of effort students have shown in classwork and homework, improving their revision techniques.

Thrive and Drama Club

Year 7 Drama Club has been running on Monday lunchtime, while Year 8 has ran Thursday (Week A and B) and Year 9 has ran Thursday Week B only as a double session. Both lunch-time Drama Club and THRIVE have been focusing on improvisation and comedy with some students trying out Lighting design/operation, with students having excellent energy and enthusiasm!

After October half-term Drama club on lunch time will focus on audition preparation for the next full-school musical, to be announced shortly! Mr Robinson and Mr Holcombe are itching to get started!

After auditions are completed Mr Robinson will be running rehearsals for the school musical instead of Drama Club, days and times to be confirmed.

Mr G Robinson
Head of Drama

Enrichment

Enrichment covers a range of our extra curricular activities including Thrive and Trips. We have a strong offer of extra curricular activities as well as sports clubs which you can see here on our website. Letters were issued at the start of term about the trips we aim to offer in the coming year. This first half term has seen a couple of trips as well as Thrive being in full swing!

Year 8 and 9 Drama Trip to The Lion King

Mr Robinson along with Ms McAulay, Mrs Wilson and Mrs Roundell took 40 Year 8 and 9 students to The Lion King during the week of their 25th Anniversary on the West-End. During the trip students were impeccably behaved, and represented the school well in their school uniform. The students all were mesmerised by the animal puppets that walked past them during the show, the amazing costume, lighting design with an incredible light show for one scene, sound design with amazing music and orchestration, particularly enjoying the percussion performers who performed near the audience. Fun was had by all and the students were a credit to Glebelands School.

Camps International - Tanzania

Over the summer holidays 10 of students headed off on a trip of a lifetime to Tanzania for a month! Supported by Camps International along with our Science Teacher Miss Lee-Cordoso, the team flew to Dar es Salaam to start their trip. They headed through various camps run by Camps International helping with local projects to build community facilities in the area. There were opportunities to work and interact with local communities and even making paper made from elephant dung. One of the highlights of the experience was then to be taken on safari to see if they could spot the African big 5 of the lion, leopard, rhinoceros, elephant, and African buffalo! They had a fantastic time and made memories that we hope they will treasure for a life time.

Thrive

We have had a very successful half term of Thrive activities, with the rain holding off for the most part! Exciting new activities this year included Stop Motion Animation, String Art, Cheerleading and Pickleball. Thrive will take a break over the Winter, returning in the Summer term, where pupils make new choices with the aim of achieving their Thrive Award!

Sports Lettings

The school sports facilities are available to hire when not in use by the school. If you are interested in hiring these facilities please email bookings@glebelands.surrey.sch.uk. The following clubs currently use the facilities and would love to hear from you if you would like to join!

Please note the Sports Hall is closed for essential maintenance from 21st October to 8th November 2024 and so clubs will not be available on these dates.
