

Glebelands Newsletter

Spring Term - February 2025

In this issue

Welcome to the first Spring edition of our newsletter. This first half term is a short one, but with plenty packed in! See what our Year 11 Geographers' Iceland trip was like - an incredible country which is a longstanding favourite on the trip list. Fancy a musical concert? Spring Concert - Godalming College has a fundraising concert, the proceeds of which support students in our school as well as our upcoming Spring Concert at the end of March. Stay up to date with important key dates, new attendance rules, and why regular attendance is crucial. Finally please see an update on our Enrichment Trip on our trip pages.

We value your feedback on the newsletter and would appreciate it if you could take a couple of minutes to complete our online survey here.

School Council

A Message from our Headteacher

Dear Parents and Carers,

As we reach the half-term break, I would like to take a moment to reflect on what has been a positive and busy few weeks at school. There have been numerous activities and achievements across all year groups, and I am incredibly proud of our students for their dedication, enthusiasm, and hard work.

Our Year 11 students now have their final months carefully mapped out as they approach their GCSE examinations. I would like to thank them for their continued commitment and express my appreciation to parents for their invaluable support, particularly through the various information evenings we have held. Your involvement is greatly appreciated as we work together to support the students through this crucial period.

Year 9 students have also risen to the challenge of their test week. This is an intense experience, and we have been particularly impressed with their positive attitudes and determination throughout the exams. Well done to all of them!

It has also been an incredibly successful term for sport. A record number of students have taken part in extra-curricular activities, including those undertaking their Duke of Edinburgh training. Our girls' netball teams have been outstanding, with the Year 11 team being crowned county champions—a remarkable achievement for any school, but particularly impressive given that we are one of the smallest in the county. Our Year 9 and 10 teams have also performed exceptionally well and will compete in the county finals next half-term. Meanwhile, our swimming team triumphed in the district competition, and our girls' indoor cricket team secured second place in the county.

Beyond sport, 50 students had the trip of a lifetime to Iceland, experiencing its breathtaking landscapes and unique geography. The Performing Arts department has also been working tirelessly, with rehearsals for our school productions well underway. Well done to all students involved for their dedication and commitment.

Looking ahead, next term we will be transitioning to a new Management Information System (MIS). This change will require some learning from all key stakeholders—students, staff, and parents—but will bring long-term benefits to communication and efficiency across the school. We appreciate your support as we implement this improvement.

Finally, I would like to thank you once again for your continued support, which is invaluable in ensuring the success and well-being of our students. I wish all of our students a fantastic half-term break, and we look forward to welcoming them back refreshed and ready for the next half of term.

Best wishes
R Mitchell

Key Dates

Spring Second Half Term

Date	Event
24 th February	All students return to school STEM Trip to Williams Racing
25 th February	Year 9 Options Evening
27 th February	Year 11 Food Practical Exam
6 th March	Year 9 Parents' Evening World Book Day
7 th March	Enrichment Day
10 th – 14 th March	Year 11 Second Mock Exam Period
13 th March	Year 10 Macbeth Trip to London
14 th March	Year 10 Reports Issued
17 th March	Year 11 Geography Fieldwork in Cranleigh
20 th March	Year 10 Parents' Evening

Safeguarding at Glebelands

Keeping children safe is our priority at Glebelands. We are committed to safeguarding and promoting the welfare of children and young people and we expect all staff and visitors to the school to share this commitment.

We have a safeguarding team at school and if you have any concerns about the safety and welfare of a child you can contact dsl@glebelands.surrey.sch.uk.

If it's an emergency always call 999.

What is safeguarding?

Safeguarding ensures that every child, regardless of their age, disability, gender reassignment, race, religion or belief, sex, or sexual orientation, has a right to equal protection from harm. It's the steps that people take to protect children and vulnerable people from harm.

Examples of safeguarding concerns to look out for:

Physical

A group of children pushing or hitting a smaller child when an adult isn't looking.

Emotional

A crying child running towards their parent who responds in a harsh manner using inappropriate language.

Sexual

A teenage girl walking home being catcalled and harassed, or being touched without consent.

Neglect

A child wearing the same dirty clothes every day and stealing food from other children.

How can you help?

If you ever see anything happen to a child that makes you feel uncomfortable, please let your safeguarding lead / person know. You're not causing problems – you could save a child from unnecessary harm. Any one of these things might not mean anything, but if your safeguarding lead / person isn't told, they can't help.

Head of Achievement Updates

YEAR 7

We are at the half way point for Year 7 and I can safely say that your students are doing you proud at Glebelands, both academically and with extra-curricular activities. So many of them have engaged with opportunities like sports teams, the school production, science and art clubs and the spring concert. It's great to see your students not only achieving in class but also embracing all aspects of the school. Exciting things have been happening in lessons as science students made models of atoms or dissected chicken wings, DT students have finished their second rotation, PE students have been learning dance routines and playing on the 3G pitch, and some history students are going to be making models of Motte and Bailey castles over the half term holidays. In addition, this half term we've been running a competition with the Learning for Life team to celebrate the 9 protected characteristics in the UK. Entries are due on Friday 14th and Ms Bradley and her team are looking forward to judging the efforts from our year 7s.

At the end of the Autumn term each tutor group voted for their school council members and this half term saw tutor groups combine their thoughts for their new representatives to take to their first meeting on February 5th. There were some interesting and sensible suggestions that were put forward to our new school council committees and the reps will present back soon with news from the student council. Thank you and well done to those Year 7s taking on this responsibility.

Half Term Achievement and Effort Awards

Each half term a certificate and a small prize is given to students who are nominated by their teachers for excellent effort or a great achievement in a subject area. Congratulations to the students who have been recognised and awarded these this half term.

Subject	Achievement	Effort
Art	Grace Rothschild	Beatriz Aleixo

Commendations – Top 10:

An indication of how hard students are working is the number of commendations achieved. I would like to recognise the top 10 in our year group:

1	Theo Burge	6	Gabriel Wright
2	Sophie Habens	7	Ellouise Tinsley
3	Abigail Buckman	8	Tabitha Powell-Cullingford
4	Jude Wright	9	Beatriz Aleixo
5	Ruby Sutton	10	Beatrix Walker

Attendance – 100%

The following students have 100% attendance and no lates to registration – well done!

Beatriz Aleixo	Sophie Boxall	Seren Eveleigh	Flynn Pearl	Edward Tidy
Daryna Andreiko	Charlotte Buck	Lira Gara	Tabitha Powell-Cullingford	Alizza Tsoi
Ella Andrews	Abigail Buckman	Isabella Gartland-Dye	Kealan Rose	Thomas Turnbull
Tiggi Aves	Annabella Burton	Jack Green	Thomas Sandiford	Gabriel Wright
Kira Bakhmach	Addison Cameron	Sophie Habens	Arham Shahzad	Ruby Sutton
Megan Barr	Isaac Cheetham	Emmie Hall	Krisztina Simon	Riley Templeton
Alice Bell	Zachary Cottrell	Neave Hamilton	Benedict Small	Flynn Pearl
Teegan Best	James Cowley	Maya Jones	Lucie Smith	Riley Boucher
Borlase Abigail	Crawley Neve	McEntee Charlie		

The term ahead

The second half of the spring term brings exciting events for Year 7. On March 7th, students will visit Marwell Wildlife Park for an enrichment day, including a workshop on Habitats and Ecosystems, linking to science and geography.

Year 7 spring reports will soon be released, covering homework, behavior, and engagement. These can be discussed during the Year 7 subject evening on April 3rd, with appointments available via ScoPay. More details will follow.

We'll also launch our mindset mentoring scheme, pairing selected Year 7s with trained Year 10 mentors. If your child is involved, you'll receive an email soon. In the past we've found these sessions can really help boost confidence in our younger learners and provide a positive role model in their peers. Our Year 10s are eager to meet with their mentees when we come back from the break.

Please ensure your child's pencil case is restocked over half-term (see journal for details) and check shoes/uniform for any replacements needed, especially after a growth spurt. Remember to arrange removal of fake nails, nail color, and fake eyelashes before school returns.

Wishing you a restful half-term, and we look forward to a great second half of the year with exciting opportunities ahead!

Mrs Auty

Head of Achievement Year 7

Head of Achievement Updates

YEAR 8

What a fantastic and positive start to 2025! Year 8 have impressed me with this term with their positive attitudes. I was especially proud with the way year 8s were listening attentively while a year 10 student delivered an assembly on Ramadan. Students had asked some thought-provoking questions which earned them some commendations. The awards listed below are another example of year 8s making positive choices in school. Well done!

Half Term Achievement and Effort Awards:

Each half term a certificate and a small prize is given to students who are nominated by their teachers for excellent effort or a great achievement in a subject area. Congratulations to the students who have been recognised and awarded these this half term.

A reminder that 7th March is Enrichment Day. Any students not attending an event will be expected to attend school, where they will take part in school-based activities.

You should have received a letter regarding our new system - Bromcom (My Child at School App).

A gentle reminder that we return to school on Monday 24th February, where students are expected to be in full uniform. I ask for your support in ensuring your child adheres to our school policy on hair styles/nails. The policy can be found on our school website.

Have a well-deserved half term break, Ramadan Mubarak to those observing the holy month.

Miss Amin

Head of Achievement Year 8

Head of Achievement Updates

Year 9

Year 9 have been working really hard this half term. There has been a focus on revision and preparation for test week. Students used a range of techniques to help them get into good habits for revision which will serve to help them in Year 10 and 11. I am proud to say students behaved brilliantly in tests, which again bodes well for Year 10 and 11. Alongside the demands of test week, there were a range of extra-curricular opportunities that students took part in. I've included some Duke of Edinburgh training weekend and Wizard of Oz rehearsal photographs below.

Half Term Achievement and Effort Awards:

	Rupert De Vos Van Steenwijk	Lily Southgate	Ethan Stone	Jacob Telling	
	Alice Maki		Sylvie Walker		
	Samuel Quinn				
	Riley Vince				

I have shared with students about improving attendance, reducing concerns (particularly homework concerns) and improve punctuality. We have made some positive steps with attendance, improving slightly since Christmas. Punctuality has also improved in pockets. However, there are still a vast number of concerns collected for homework. A good routine for homework is important – either attending homework club or setting a specific period of time each evening without distraction. It is crucial to build these habits in preparation for GCSE years when the demands increase.

GCSE Options will be the focus when we return after half term. There is an Information Evening on Tuesday 25th February followed by Subject Evening on Thursday 6th March. These events are really helpful in guiding decisions to ensure students choose the most suitable option choices. I would like to thank you for your continued support and look forward to being part of choices about the next part of your child's journey.

On behalf of the Year 9 tutor team, I wish you all a safe and happy half term break.

Mr Nibloe

Head of Achievement Year 9

Head of Achievement Updates

YEAR 10

This half term has seen the Y10 students busy securing their placements for their Work Experience, which is in April. My thanks to Mrs Bradley for overseeing the process and supporting the students. Most students have successfully secured a placement and I am looking forward to hearing all about their interesting experiences.

The commendation competition continues with the Houses in the year group vying to have the highest number by the end of the year. In total, the Year 10 students have achieved 7569 with 10TUR continuing to lead the competition with 1669 points. However, 10FRA are closing the gap in second place with 1682 points and 10HAW are in third place with 1496 points.

A number of students have already surpassed the 100-commendation mark. Congratulations to Matilda Bonard, Jaya Baworee, Theodore De Vos Van Steenwijk, Samuel Elliott, Joshua Hamilton, Leah Kale, Ami Spurgeon, and Matthew Tang. The rest of the year group are also doing exceptionally well and I am proud to be awarding them their certificates on a regular basis!

Half Term Achievement and Effort Awards:

Each half term a certificate and a small prize is given to students who are nominated by their teachers for excellent effort or a great achievement in a subject area. Congratulations to the students who have been recognised and awarded these this half term.

The Y10 Assembly on Tuesday 4th February launched the Senior Student application process. We have a strong tradition of recruiting excellent ambassadors for the school, who take part in a number of internal and external events. The process includes writing a letter of application, an interview and a presentation, and I anticipate this year will be hotly contested. The positions available will include the Senior Student Team, the House Captains and the Prefect Team. Good luck to all those who apply!

I am looking forward to the Enrichment Day in March which is an opportunity to gather lots of great memories that can be shared in their Yearbook and leavers' assembly. The other half of the academic year will fly by and the focus will be on their Work Experience, followed by the Year 10 Exams in the Summer Term.

Have a lovely Half Term holiday!

Mrs Albrecht

Head of Achievement Year 10

Head of Achievement Updates

YEAR 11

As I write this, nearly half the year group is overseas in Iceland on a highly anticipated school trip. I hope they return with unforgettable memories and stories.

This half term has been busy, starting with students receiving their mock exam results. Most experienced joy and recognition, while for others, it served as a wake-up call. This process is designed to prepare them for the challenges ahead.

Instead of afternoon tutor registration, we've held BOOST sessions in each subject to help students prepare for their summer exams. Mr. Kerry has also shared the Glebelands revision schedule. We also had Subject Evening, where parents, students, and staff discussed next steps. After half term, after-school revision sessions (Periods 7&8) will begin.

Please remember the next round of mock exams starts on March 10th—just four weeks away! The Y11 program at Glebelands, led by Mr. Smitheram, Mr. Kerry, and the dedicated pastoral team, is structured and supportive, ensuring students receive the help they need.

After half term, I'll share details about the Yearbook, leavers hoodies, and the Prom, which will be at Denbies Wine Estate on July 2nd. Thank you to those who pointed out my deliberate mistake at Subject Evening! 😊

Lastly, congratulations to the Y11 Netball team and Miss Retter for winning the Surrey County Championships at Cranleigh School!

Another impressive half term for the Y11s at Glebelands

Year 11 Surrey County Champions!

Head of Achievement Year 11

Ramadan

Ramadan is 28th February to 30th March this year. As we approach the holy month of Ramadan, we would like to extend our warmest wishes to all in our community who will be observing this special time. May this month bring you peace, reflection, and spiritual growth. Wishing you and your loved ones a peaceful and fulfilling Ramadan.

Attendance Matters

School Penalty Notice for School Attendance have changed from 19th August 2024

With the introduction of the new National Framework for Penalty Notices issued by DfE, the following changes have come into force for School Penalty Notice Fines issued after 19th August 2024.

National Threshold

There will be a single consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period.

These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence.

The 10-school week period can span different terms or school years.

Please note: The DfE does not consider a need or desire for a holiday or other absence for the purpose of leisure and recreation to be an exceptional circumstance.

Attendance Matters

PENALTY FINES FOR SCHOOLS HAVE CHANGED

Per Parent*, Per Child

A School Penalty Notice is issued to each parent*, for each child that was absent.

For example: 3 siblings absent for term time leave, would result in each parent receiving 3 separate penalty notices

*Parent

Section 576 of the Education Act 1996 defines "parent" as:

- All natural (biological) parents, whether they are married or not.
- Any person who, although not a natural parent, has parental responsibility for a child or young person.
- Any person who, although not a natural parent, has care of a child or young person.

FIRST OFFENCE

The first time a Penalty Notice is issued for unauthorised absence the amount will be: £160 per parent, per child paid within 28 days. Reduced to £80 per parent, per child if paid within 21 days.

SECOND OFFENCE

(within 3 years)

The Second time a Penalty Notice is issued for unauthorised absence the amount will be: £160 per parent, per child paid within 28 days.

THIRD OFFENCE

(within 3 years)

The third time an offence is committed a Penalty Notice will not be issued and the case could be presented straight to the Magistrate's Court. Prosecution can result in Criminal records and fines of up to £2,500. Cases found guilty in Magistrates' Court may show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.

Sporting Achievements

This Term's Significant Achievements

Glebelands Yr 11 Girls Netball Celebrate County Win!

The Year 11 Netball Team achieved an outstanding victory in the Surrey Netball County Finals, capping off an incredible unbeaten run. Having dominated their league for the third consecutive year, they secured their place in the finals as one of the seven league champions from a total of 51 competing schools. Throughout the competition they demonstrated exceptional resilience, determination, and teamwork, overcoming tough opponents to emerge as the top school in Surrey. Their dedication and growth as a team have been remarkable and their success is a testament to their hard work. The school is immensely proud of their achievement.

Year 9 netball team have won their league and booked a place in the county finals Inspire event on 31st March

Year 10 were runners up in their league and have booked their place in the county finals Aspire event on 31st March.

Cross Country

Congratulations to the following students who were selected to represent Waverley at the Surrey Cross Country championships. Sam Phillips, Josh England, Cole Hammond and Connie Emmett (Sam finished 16th overall which was great achievement).

Sporting Achievements

Swimming Galas

Glebelands Boys Swimming Team Shines at Surrey Schools Gala.

On the evening of Saturday, January 25th, the Glebelands boys swimming team made a strong showing at the Surrey Schools Gala held at Guildford Spectrum. The event, which brought together top schools from across Surrey, saw an exceptional standard of competition, with numerous Surrey school swimming records being broken.

As the warm-up session got underway, it quickly became clear that some of the county's most talented swimmers were in attendance. However, the Glebelands boys were undeterred by the high level of competition. Despite the pressure, they demonstrated incredible strength and determination throughout the warm-up, setting the tone for an exciting evening ahead.

All of the Glebelands swimmers, who compete for Cranleigh Swimming Club, rose to the challenge when the races began. They gave their best effort in every race, with notable performances in the 200m Individual Medley and 100m Breaststroke, securing two second-place finishes in their heats.

Team Manager Mr. Davies expressed immense pride in the boys, praising their sportsmanship and effort. "I couldn't be prouder of how the team performed tonight," he said. "It was a thrilling and competitive event, and the boys really gave it their all."

The team, which consisted of William Davies, Casper Jimmison, Callum Stewart, James Knight, Finn Williams, George Emmett, Oscar Randall, and Alex Cutbill, can hold their heads high after such a strong and inspiring performance.

Congratulations to the Glebelands boys on their hard work and sportsmanship!
Mr. Davies and Mr. Stewart from Cranleigh Swimming Club kindly ran the team for this event.

A huge congratulations to our amazing swim team, for their brilliant victory at the Waverley District swim gala. Every swimmer played a crucial role ensuring every event was filled and giving their all for the team. Their dedication, teamwork and determination truly made the difference, and it was the collective effort that secured our win. In a thrilling competition, we edged out a strong Woolmer Hill team by just one point – every race mattered! This is a fantastic achievement for Glebelands and we would like to say a huge thank you to Cranleigh and Crawley swim clubs who work hard with our students all year round to ensure they are the best they can be.

Sporting Achievements

Football - Boys and Girls

The year 7&8s played an exciting game of football against Broadwater in blustery weather this half term. Glebelands grew into the game in the first half, gaining more possession of the ball and passing more effectively as the half went on which resulted in a 5-minute hat-trick for Poppy before the half ended. Despite Broadwater managing to pull a couple of goals back early in the second half, Glebelands showed determination to go on and score twice more through Maggie and Poppy to win 5-2. Well done everyone! POM -Ruby.

The U15s put in a dominant performance against Lord Wandsworth in a highly physical match. Despite controlling the game, a slight lapse in focus saw LW take the lead just before halftime. Glebelands responded immediately, with Evie scoring in the first minute of the second half, quickly followed by another goal. A stunning strike from Zoe and a brilliant finish from Sofia sealed the victory. Sienna made crucial saves, distributing the ball well, while the high defensive line effectively shut down LW's long-ball approach. A fantastic team effort and a well-deserved win to take them through to the next round of the ESFA cup.

The U16 girls' football team delivered a fantastic performance against Broadwater, controlling the game with smart play and great teamwork. They spread the ball well, using the width to create attacking chances while maintaining a rock-solid defence that prevented Broadwater from entering the final third. Sienna made tremendous saves to keep the opposition out on the two occasions they did get through, while Luchia, Zoe, Evie, Fleur, and Sophie all scored impressive goals. A brilliant all-round effort, and a well-earned victory!

Sporting Achievements

Football - Boys and Girls

Year 10 played against Christs College, losing a very open game 3-1. The match was very even throughout and both teams created opportunities. Glebelands opened the scoring through a well taken goal from Ayo but Christs hit back just before half time. In the second half the teams remained very closely matched and not many chances were created but Christs did take the opportunities they created and scored two late goals. A good performance from the team despite the end result.

Year 8 played against Christs college at the start of the term. This was a very good performance from the team who passed the ball well and looked confident when in possession of the ball. Glebelands went a goal behind but came back well, creating several chances. In the second half the boys turned the good play into goals with Harry scoring a hat trick and Jack scoring one to win the match 4-1.

Yr8 boys football squad v Christs College

Indoor Athletics

Our Year 7 students put on a fantastic performance at the recent Indoor Athletics Competition, competing against 10 other schools from the area. The team showed great determination and teamwork across a range of track and field events, including sprints, relays, long jump, and shot put. There were some outstanding individual and team performances, with several students achieving personal bests, well done specifically to Sam and Ruby for winning their races. Their hard work and enthusiasm were evident throughout the competition, making the school proud. Well done to all who took part!

Sporting Achievements

Basketball

The Year 9/10 basketball team claimed a great victory against George Abbot in a very close game. Glebelands took an early lead and held on with determination, showing great teamwork under pressure. POTM, Sienna and Pippa, were outstanding, helping secure a well-earned win. A fantastic team effort!

Congratulations to the Year 7 Boys Basketball team who won district tournament at Woolmer Hill, beating Rodborough and Woolmer Hill to first place. Glebelands played well in the matches scoring regularly and working very hard off the ball to ensure the opposition did not score baskets when on the attack.

The Year 7 team also played against George Abbot school in a match towards end of January. It was a great game with both teams creating scoring opportunities regularly. The lead changed several times with Beavis, Sam, Mackenzie and Ben scoring points in an 18-18 draw.

Year 7 Squad v George Abbot

U14 Boys Basketball team runners up in district tournament

The u14 Boys played in the district tournament again against Woolmer Hill (A and B) and Rodborough (A and B). The team played well, winning three out of four matches and only narrowly losing to the eventual winners from Rodborough school. Glebelands points were scored by Aston, Mackenzie, Isaiah and Oliver A.

Matches v Rodborough and George Abbot scheduled for after half term

Sporting Achievements

Indoor Cricket

The U13 cricket team played in the Surrey district indoor cricket tournament against Aldro and Broadwater. There was some great batting from Esme B and Ruby while Iris, Amelia and Meredith bowled well to take wickets. Jessie managed to take a great catch in the game against Aldro which was important in closing the gap between the two teams. Unfortunately, the girls were just outplayed by two confident teams. A great experience for the girls, hopefully more great cricket to come in the summer term!

The U15 cricket team delivered a fantastic team performance in the second round of their indoor competition, finishing as runners-up in a closely contested event. They secured thrilling victories over Guildford High by 2 runs and Howard of Effingham, by just 1 runs, showcasing great composure under pressure taking wickets well when they needed to and not bowling any wide or no balls. Despite a strong effort with brilliant batting from Connie and Eleanor, Glebelands just fell short against a dominant Woolmer Hill side. The team displayed impressive batting (Sienna and Connie), bowling (Eleanor and Evie), and fielding throughout the competition. A fantastic effort—well done to all the players!

Primary Dodgeball Event

The primary dodgeball events were a huge success, with nine teams from three schools competing across two exciting competitions. The tournament was both inclusive and competitive, allowing all students to enjoy the fast-paced action. Our sports leaders did a brilliant job enforcing the rules, ensuring fair play, and making the event enjoyable for everyone. Congratulations to St Outhbert Mayne and Womers on their well-earned victories! There was fantastic dodging and diving from all players, showcasing great enthusiasm and effort. A big thank you to the staff and parents for their support in bringing the teams over. A fantastic event

Sporting Achievements

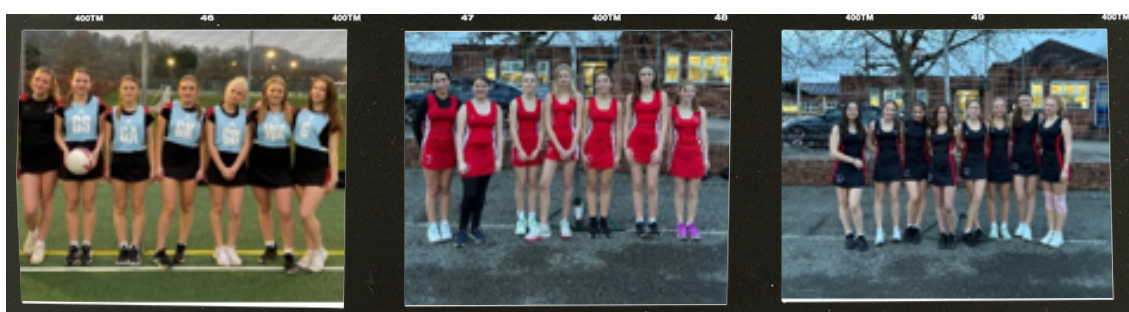

More Netball!

The Year 7&8 B netball teams competed in a Waverly tournament this half term. Year 7 showed excellent interceptions and composure, finishing joint 2nd after a win against Woolmer Hill and a draw with Broadwater. Although they lost narrowly to Rodborough, they improved throughout the tournament. POMs – Kealan and Viktoria. Year 8 played well but narrowly missed wins, including a close loss to Rodborough by 1 point, and finished 4th after losses to Broadwater and Woolmer Hill. POMs – Esmee, Summer, Isla, and Lily-May.

Year 9 played two strong games against St Catherine's. They controlled the match from the start with great passing and team cohesion. POMs – Evie and Amber. Year 10 showed great determination in a close game against tall opponents. Despite some excellent interceptions from Ruby, Fleur, and Sienna, and strong passing in the centre court from Connie, Sophie, and Amelie, they lost narrowly. Sofia and Laila worked well in the shooting circle. POMs – Sienna and Connie.

The Year 9 team had strong performances against Cranleigh, Broadwater, and George Abbot, with quick ball movement creating plenty of scoring chances. A win against Broadwater secured their place as league winners and a spot in the county finals. Their teamwork, enthusiasm, and defensive efforts from Kara and Evie were impressive.

The Year 10 team also displayed excellent ball movement, creating scoring opportunities and maintaining strong attacking pressure. After a win against Broadwater, they finished as league runners-up and booked a place in the county finals. Their teamwork and resilience, along with great play from Freya, Connie, Poppy, and Elsie, paid off.

Important Update: Transition to New School Information Platform

Starting 24th February 2025, we will be switching to Bromcom management information system, with My Child at School (MCAS), which is a new parent platform that will replace our current systems, SIMs and Insight. MCAS provides easy access to important information about your child, including attendance, assessments, homework, and achievements, through both a mobile app and web portal.

For Students:

In the week of 24th February, students will be introduced to the Bromcom system during an assembly. Homework will transition to MCAS starting 3rd March 2025, and parents will also have access from that date.

Login Details:

We'll send login information for parents during the week of 3rd March 2025. A video will guide you through the login process.

Future Features:

In the coming months, we will introduce features like trip details, school communication, and dinner money management, replacing SCOPay.

Access via Computer:

We encourage parents to set up their child's MCAS, Tassomai, and Sparx accounts on a computer rather than a mobile phone for improved focus and mental well-being.

Further details will be sent after half-term, including how to download the app and register an account. **If you'd like to keep any reports from Insight, please download them before the transition.**

We're excited about these changes and look out for the letter in SCOPay dated 13th February that gives more detail on the changes.

School Council

Following the excitement of Tutor Representative and Head of School Council Elections last term, this week saw the welcome meeting for the new School Council 2025. I am very pleased to feature their photographs below.

If you hadn't already heard, George was elected as our new Head of School Council with Theo and Will as his deputies. In January, this new leadership team met with Emily, Charlotte and Beth, to ensure a smooth handover with projects initiated by the 2024 team.

The extended leadership team demonstrated excellent collaboration this week in ensuring all new Tutor Reps quickly received their badges, opted for their committee preferences and fed back the main suggestions from their tutor groups. They look forward to being able to select the best ideas for discussion and to assign all reps to committees soon.

Welcome to the School Council 2025

Glebelands Trust

A message from one of our Parent Trustees on Glebelands Trust

Dear Parents and Guardians,

I have recently joined the board of trustees for the Glebelands Trust Fund as a parent representative. This fund, which is entirely reliant on donations, is essential to enhancing the learning experience for all students. It allows departments across the school to apply for support for resources not covered by the regular school budget. Recent examples of funded items include equipment for PE, Science, Music, Drama, and more—each chosen to enrich our children's education.

Unfortunately, donations to the fund have decreased by 70% since 2021. As a parent who sees firsthand the positive impact of these resources, I understand how crucial the fund is to further improving our school's offerings. Without continued support, there is a real risk that some of these valuable resources could be lost.

We are aware that many families face financial pressures, but any contribution you can make, no matter how small, would be greatly appreciated and directly benefit our children's education.

Thank you for taking the time to read this, and for your ongoing support.

Yours sincerely,

Lisa Hard

Glebelands Trust Parent Representative

How You Can Help

Your support is crucial, and there are several ways to contribute to the Glebelands Trust:

- Just Giving: Please scan the QR code make a donation through Just Giving. They offer an easy 'one click' option for both monthly and one-off donations, though they do take a small commission.
- Direct Donations:
 - One-off or Monthly Contributions. Some parents contribute £10 per month, while others opt for quarterly or annual donations. Every bit helps! Set up a direct debit or make a one-time payment to:
 - Account Name: Glebelands School (Cranleigh) Educational Trust
 - Bank: Natwest
 - Sort Code: 52-41-56
 - Account Number: 48271462
- Online Shopping Donations:
 - Easy Fundraising: Register and select Glebelands School (note: not the Trust) as your charity. Shop through their site, and a percentage of your purchase is donated.
 - Give as You Live: Similar to Easy Fundraising, register at giveasyoulive.com and choose Glebelands School Trust. Donations are made as you shop.
- Gift Aid: Enhance your contribution by an extra 25% at no additional cost to you. Just complete the Gift Aid form and return it to the school office.

Every donation, no matter the size, plays a vital role in enriching the educational experiences at Glebelands. If you have any questions or need assistance, please reach out to us at trust@glebelands.surrey.sch.uk.

Performing Arts

Music

Jukebox Time Machine – Spring Concert 2025

We are excited to share and perform to you our much-anticipated spring concert at 6.30pm on Thursday 27th and 7.00pm on Friday 28th March. Doors will open 30 minutes before the shows begin. You will experience a musical journey from the 70s to today! Enjoy hit songs from every era—groovy 70s disco, 80s anthems, 90s classics, and today's chart-toppers—performed by our talented students. This high-energy show promises a fun-filled evening of nostalgia, music, and dance that everyone will enjoy. Whether you love the oldies or the latest hits, there's something for everyone! Don't miss this unforgettable night of music and excitement. Grab your tickets now and join us for a time-traveling concert experience!

[Tickets for 6.30pm Performance on Thursday 27th March](#)

[Tickets for 7.00pm Performance on Friday 28th March](#)

Wizard of Oz – Musical Production 2025

Rehearsals are well underway for our next musical production. Our student cast are busy learning songs from this classic musical by L. Frank Baum, including: Yellow Brick Road, Jitterbug and Somewhere Over The Rainbow. Over 50 of our students are involved with singing, acting and dancing, and we will soon be requesting volunteer students to assist with backstage roles including lighting, sound, stagehands, costume and makeup. Performances will take place on Thursday 10th and Friday 11th July, with tickets released before Easter break.

We look forward to sharing more about these events next half-term. Have a wonderful break.

Enrichment

Enrichment covers a range of our extra curricular activities including Thrive and Trips. We have a strong offer of extra curricular activities as well as sports clubs which you can see [here](#) on our website. Letters were issued at the start of term about the trips we aim to offer in the coming year. Thrive takes a break until Summer term when the weather is more reliable.

ICELAND

Geography Fieldtrip to Iceland 7-10th February

As I sit here and reflect on the past four days, I am struggling to pick out just one highlight of such a fantastic trip. We talk as a school about creating opportunities for students and wow did it deliver. The smouldering lava fields either side of the road to the Blue Lagoon, the awe and wonder of Iceland's stunning waterfalls, the experience of both sun and snow whilst trekking across a glacier or the real-life demonstration of the wonders of lava. A great trip with awesome students and staff. Pupils showed the very best of themselves and were fantastic ambassadors for Glebelands school. I hope it ignites a life long love of travel and adventure.

Mrs Martin
Geography Teacher

Iceland was a fantastic few days, where we saw the true range of the land of fire and ice. We wended our way past dramatic, ice-capped volcanoes and across startlingly flat, ancient (and not so ancient!) fields of lava, stopping at waterfalls - the most dramatic of which was certainly Gullfoss.

The glacier we climbed was magnificent, with glacier cones (inverted crevasses from volcanic tephra) and solid ripples on the surface of the ice as reminders of their constantly changing - almost alive - nature.

We saw lava melt, cool, and react with ice before our very eyes at Vik's lava show, though we didn't need to make use of the town's evacuation plan for a less-controlled display! Geysir and Reynisfjara beach (known as the most dangerous in the world) showed us the power of water, which we experienced in a more relaxing way in the Blue Lagoon. Our stay concluded with a tour of Reykjavik, the highlight of which was the beautiful Hallgrímskirkja church - it's distinctive columns reminiscent of the basalt columns at Reynisfjara - and a truly breathtaking FlyOver Iceland simulation (complete with olfactory effects) before we sadly had to catch our very real flight home.

It was a brilliant four days with memories which will last far longer thanks to Mrs Martin and the Geography Department.

Charlotte Lovegrove 11ATT

Enrichment

Memories of Iceland

Enrichment

As this Year 11 Iceland trip comes to an end we hope this inspires other students to take on some of our other residential trips. This year in March and June we have History trips to Ypres & Somme which focuses on the World War I battlefields and a trip to Berlin with a focus on World War II.

Lightbox, Woking

This week saw some of our Year 11 Artists take a trip to Woking to visit the Lightbox. The Lightbox is a leading contemporary gallery and award winning museum and a new trip on our schedule. The Year 11s enjoyed their time and we thank an Mrs Prescott, School Invigilator and Mrs Kay, Governor from Penthorpe, for giving up their time to for the trip.

Enrichment Day

Friday 7th March sees our 4th annual day of visits and school activities for the whole school. As you can imagine, quite a set of logistics behind the scenes to maneuver 770 students to various trips and activities! However this year, it seems that we have been more successful in the offer of trips and seen unprecedented demand with some trips selling out. Usually we do not fill the trips and we have planned on the previous experience of the school. We will be taking stock over half term and any entries where we have consent but no payment, we will need to release those places to those children on waiting lists. We are unable to increase capacity on the Year 8, 9 and 10 trips due to availability of coaches. We are looking at solutions to Year 7 where there maybe some additional capacity and will be in contact with parents directly if we are able to move children off the waiting list. We are thrilled by the enthusiasm for this trip and will update you on developments. Thank you again for your continued support.

Sports Lettings

The school sports facilities are available to hire when not in use by the school. If you are interested in hiring these facilities please email bookings@glebelands.surrey.sch.uk. The following clubs currently use the facilities and would love to hear from you if you would like to join!

Sports lettings close for the Christmas Holiday period from 20th December to 3rd January 2025

**SESSIONS FOR GIRLS AND BOYS UP TO AGE 16
WITH ANY DISABILITY**

Important Update on Disability Football Sessions

Our pan disability football sessions are temporarily paused as we work to secure a new club partner to continue supporting these sessions. We want to extend a huge thank you to Farncombe Youth FC for their dedication and support so far.

We appreciate all their time and effort in making these sessions a success. We are excited about finding a new partner to bring these important sessions back, and we'll keep you updated on our progress.

Thank you for your understanding and continued support.
