Glebelands Newsletter

Summer Term July 2025

In this issue

It's summer and what a glorious start we have had to the weather! In this summer and final edition brings a round up of the now familiar sections of the newsletter. Our Heads of Achievement round up their year with your children along with lots of other updates from around the school. We have exciting news on our playground project thanks to Glebelands Trust. Only 24 of our families regularly donate. If you can help with future donations - even a £1 a month could help - please see here. Finally the long break is not always easy, if you are needing family support over the holidays please see sessions available from FACE and a helpful guide about returning to school in September from National College. We look forward to sharing more school news next year. Until then enjoy the summer.

Respect and Achieve

A Message from our Headteacher

Dear Parents and Carers,

As we come to the end of another academic year, I wanted to take a moment to reflect on what has been a hugely successful and rewarding time at Glebelands.

This term in particular has seen some wonderful highlights, including our fantastic school production of The Wizard of Oz, our Celebration Evening, and the Year 11 Leavers' Day and Prom, all of which marked key moments in our school calendar. I am incredibly grateful for your support at these events – it means a great deal to our students and staff alike to see such enthusiasm from our wider school community.

I would also like to take this opportunity to thank all our staff for their hard work, commitment, and passion. They continue to create fantastic opportunities for our students while delivering an excellent standard of education. Their dedication makes a real difference.

As is always the case at this time of year, we will be saying goodbye to a number of staff who are moving on to new adventures. These include:

Mrs Bradley (L4L)
Mrs Holloway (Languages Assistant)
Mr Holcombe (Music)
Mrs Lee (Home School Link Worker)
Miss McCann (Receptionist)
Miss Mitchell (Design Technology)
Mrs O'Kane (Languages Assistant)
Mrs Rhodes (Learning Support Assistant)
Miss Ritchings (Design Technology)
Mrs Stanley (Student Services)

Each of them has, in their own way, left a positive mark on our school and contributed to the continued progress and success of Glebelands. We thank them for all they have done and wish them the very best for the future.

To our students, thank you for your effort, commitment, and resilience throughout the year. You continue to make us proud.

And finally, to you – our parents and carers – thank you for your continued support. It is through our shared efforts that we are able to help our young people flourish.

I wish you all a restful, safe, and enjoyable summer break. We look forward to welcoming everyone back in September.

With warm regards,
Mr Mitchell

Key Dates

Autumn Term Key Dates

Date	Event
2nd & 3rd September	INSET days
4th September	Years 7 and 11 return to school
5th September	Years 8, 9 and 10 return to school (all children in)
8th September	School Photographs (Years 7, 9 and 11 only) 6.30pm Year 7 Information Evening 7.30pm Year 11 Information Evening
17th September	Thrive starts
22nd September	6.30pm Years 8, 9, 10 Information Evening
30th September	Open Evening - school finishes early at 2.25pm
1st October	School opens 9.30am following Open Evening
2nd October	Year 11 Sculpture Park Trip (GCSE Art Students)
6th October	Iceland Information Evening (time TBC)
8th October	Flu Vaccinations
16th October	Year 11 Parents Evening
24th October	INSET day
27th -31st October	Half Term

Autumn Term 2 - a look ahead

Date	Event
3rd November	All students return to school
6th November	Practice Interview Day
7th – 11th November	Iceland Trip
17th November – 12th December	Year 11 Mock Exam period
12th December	Christmas Jumper Day and Christmas Dinner
15th December	Christmas Carol Service
19th December	End of Term. School closes 12.30pm

A full list of our term dates can be seen on our website here.

Glebelands School Charity

Children on The Edge (COTE) is a child rights organisation that works hand-in-hand with communities to support some of the world's most marginalised children in some of the toughest situations.

Glebelands School students have raised just under £8000 over the last three and half years so far, from school events such as non-uniform days, cake sales, and carol concerts. The school community hopes to pass this milestone with our final non-uniform day of Friday 11th July.

All money donated has been used to support the charities work with Children in countries such as Myanmar, Ukraine, Bangladesh, and Lebanon.

Thank you to everyone for their generosity again this year!
Mr J Pike

IN SUPPORT OF:
CHILDREN ON THE EDGE

Safeguarding at Glebelands

Keeping children safe is our priority at Glebelands. We are committed to safeguarding and promoting the welfare of children and young people and we expects all staff and visitors to the school to share this commitment.

We have a safeguarding team at school and if you have any concerns about the safety and welfare of a child you can contact dsl@glebelands.surrey.sch.uk.
If it's an emergency always call 999.

Head of Achievement Updates

YEAR 7

Year 7 have completed their first year at Glebelands and what a year it has been. When Mr Mitchell told them at the beginning of the year to throw themselves into every opportunity, they certainly listened, because the vast majority of our Year 7s have joined in with at least one extra curricular activity across the year, with some students joining in with multiple activities.

It has been brilliant to see them get stuck in with sports, performing arts, science, art, and textiles clubs as well as joining in with house competitions all year. What a talented bunch they all are!

We've finished Year 7 with a very hot end to the year, but our Year 7s have coped admirably. We've had a fantastic final half term; the highlight of which was Sports Day. The year 7s were really well behaved and showed excellent sportspersonship, cheering each other on as well as cheering the other year groups in their respective houses. Our Year 7 winners, Attenborough, put in some amazing performances, but we also had some school records broken by the 7HAW mixed relay team, Sam Phillips and Michael Cole. Amazing work!

A big well done to the eighteen of our Year 7s who took part in the Wizard of Oz, either on stage or helping back stage. It was great to see so many of our students take part and I look forward to seeing them joining in with future productions.

Our Mindset Mentor programme is now drawing to a close, and I hope those students who have been involved have found it a useful endeavour, possibly making some new friends amongst our senior students. The programme will return next year in the Spring Term.

Congratulations to those students who earnt enough commendations to take part in our Thorpe Park Reward trip or our movie afternoon in the final week of term. Your hard work and excellent effort will help you thrive in Year 8 and we hope you enjoyed your reward. Congratulations also to those students who have been awarded a prize at our Celebration Evening. These end of year awards reflect how hard the students have been working since joining Year 7 and are a really significant achievement.

Head of Achievement Updates

YEAR 7

Half Term Achievement and Effort Awards

Each half term a certificate and a small prize is given to students who are nominated by their teachers for excellent effort or a great achievement in a subject area. Congratulations to the students who have been recognised and awarded these this half term.

Subject	Achievement	Effort
Art	Alice Bell	Ella Andrews
DT - Food Technology	Hunter Brash	Charlotte Buck
DT - Graphics	Sofia Kite	Charles Bartholomew
DT - Textiles	Cheuk Ca Tsoi	Viktoria Sulek
DT - Timbers	Jack Green	Kealan Rose
Drama	Teegan Best	Alex-James Ingram
IT	Ellouise Tinsley	Gabriel Wright
English	Jude Wright	Zachary Baker
French	Lorenzo Moretto	Elliott Packham
Geography	Anya Huggon	Reef Baker
History	Ruby Sutton	Theo Burge
Learning for Life	Emmie Hall	Casper Grazier
Lexia	Ethan Berry	Chloe Mikiri
Maths	Freya Hoare	Sophie Boxall
Music	Hannah Wood	Chloe Turner
PE	Meredith Stott	Dylan Brambley
RE	Harrison Patrick	Jemima McCarthy
Science	Hannah Watt	Harry Haines
Spanish	Alice Marshall	Lucas Gamble

Commendations – Top 10:

An indication of how hard students are working is the number of commendations achieved. I would like to recognise the top 10 in our year group:

1	Theo Burge	6	Gabriel Wright
2	Sophie Habens	7	Jude Wright
3	Abigail Buckman	8	Abigail Borlase
4	Ruby Sutton	9	Ellouise Tinsley
5	Tabitha Powell-Cullingford	10	Beatrix Walker

Attendance – 100%

The following students have 100% attendance and no lates to registration – well done!

Tiggi Aves	Beatriz Aleixo	Edward Tidy	Lira Gara
Alice Bell	Neave Hamilton	Thomas Turnbull	Abigail Buckman
Abigail Borlase	Charlie McEntee	Ruby Sutton	Ella Andrews
Charlotte Buck	Benedict Small	Riley Templeton	Annabella Burton
Tabitha Powell-Cullingford			

YEAR 7 (cont.)

The year ahead

I'm very excited to be able to welcome our Year 7s back as Year 8s on the 5th September when they will no longer be the youngest in the school. Please take some time to restock pencil cases, check on uniform sizing (especially skirt length) and wear and tear on things like school shoes and school bags so that students are ready to start the year well-equipped and well dressed in their school uniform. I'd also like to bring your attention to a clarification in the uniform policy regarding socks, that they should not have bows or frills on them, and just be plain black socks.

I'm so proud of Year 7 and how well they've settled into Glebelands, and I'm sure Year 8 will bring lots more exciting opportunities when we return from the summer. But, for now, I wish you and them exciting and fun summer break with a well-deserved rest from school work. Have a great summer!

Mrs Auty
Head of Achievement Year 7

Head of Achievement Updates

YEAR 8

Another fantastic half term to finish the academic year with. I have been impressed with how the year 8s organised and supported one another on Sports Day. There was definitely a positive spirit amongst the houses and it was lovely to see the enthusiasm amongst the students. This week, students who have worked extremely well this year were treated to either Thorpe Park or a movie afternoon. Students who continue working hard in lessons have also been recognised within their subjects during our final celebration assembly of year 8.

Half Term Achievement and Effort Awards:

Each half term a certificate and a small prize is given to students who are nominated by their teachers for excellent effort or a great achievement in a subject area. Congratulations to the students who have been recognised and awarded these this half term.

Subject	Achievement	Effort
Art	Noah Perkins	Joshua Christian
DT - Food Technology	Lara Mohamed	Robert Evans

YEAR 8 (cont.)

Attendance – 100%

We also celebrate student attendance and would like to recognise those students who have 100% attendance and those who have not had any lates to school or lessons:

Neale	Ewan
Rice	Jake
Nwaosu	Obinna
Gregory	Owen
Ha	Thien
Neville-Towle	Summer

As my first year of Head of Achievement at Glebelands comes to an end, I have had the pleasure of knowing each of your children throughout the year.

Please can I ask for your support in ensuring students are well equipped for the start of the new academic year (pen, pencil, calculator, ruler, rubber, green pen). As we head in to Year 9, it is paramount that students start the academic year ready to learn. Our new Bromcom system allows parents/carers to keep track of sanctions and commendations. Please can we ask for your support in ensuring your child is aware of their sanctions and when they take place. Reminders are sent via Bromcom and tutors will remind students where possible. If your child cannot complete an after-school sanction, please can you let the school know at your earliest convenience. If we do not receive prior notice, we cannot re-arrange these sanctions and will result in an escalation. This of course, is a last resort.

As a gentle reminder, false nails, unnatural hair dyes and patterns shaved in to haircuts is not permitted upon return. We expect students in full uniform on Friday 5th September 8.45am. I wish you all a restful summer break.

Miss Amin
Head of Achievement Year 8

Head of Achievement Updates

YEAR 9

Wow! What a year it has been. It seems a very short few weeks ago we embarked on the journey through Year 9. There have been so many highlights for me. Seeing students reading during tutor times has been superb to see. The way they have engaged in the book and its contents has been great. It's been challenging at times, but students have persevered.

To have so many students taking part in Duke of Edinburgh is incredible. This week we have been fundraising for Children on the Edge. Seeing so many students taking part and baking cakes, buying sweets, arranging activities shows me what a responsible and mature approach so many of the year group have. A vast number of students have taken part in the Wizard of Oz production, the battlefields trip, sports fixtures, Thrive activities in the community, which all show such an amazing attitude. I've included some pictures of Sports Day which was another testament to students respecting each other and achieving great things.

Commendations – Top 10:

An indication of how hard students are working is the number of commendations achieved. I would like to recognise the top 10 in our year group:

1	Tristan Bradbury	6	Edward Gordon-Smith
2	William Davies	7	Lucy Auty
3	Rupert De Vos Van Steenwijk	8	Ferad Yetik
4	Mia Harry	9	Leanna Quinlan
5	Betty-May Dackham	10	Lily-Erin Macdermott

There are a superb thirty-seven students who have achieved zero behaviour concerns for the whole year. This is an amazing achievement and was celebrated in our assembly. There are six students (Lucy, Rupert, Erin, Sylvie, Olivia and Lily-Erin) with 100% attendance AND 0 behaviour concerns. Again, these were celebrated in our assembly, but I wanted to publicly congratulate them – an incredible demonstration of their positive attitude towards their learning.

Attendance – 100%

We also celebrate student attendance and would like to recognise those students who have 100% attendance.

Lucy Auty	Erin McEntee	Lily-Erin Macdermott
Charles Bradley	Everly Meddings	Olivia Pantlin
Rupert De Vos Van Steenwijk	Sylvie Walker	

An incredible year with lots of highlights. I would like to thank the Tutor Team who have put in 110% to ensure every student receives the best possible care and support. Many students have really taken the opportunities available to them, which is fantastic. I hope this continues into next year.

The next two years are focused towards GCSEs and I'm confident students will come back with a positive mindset. Before then, though, there is a long summer holiday to make the most of.

On behalf of the Year 9 Tutor Team, I wish you all a fantastic summer.

Mr Nibloe
Head of Achievement Year 9

Head of Achievement Updates

YEAR 10

The Year 10s have played a vital leadership role over the last couple of weeks and have been very busy supporting younger students in The Glebelands Experience Day, Sports Leaders with various Primary sports events, and giving prospective parents, students and SCITT trainee teachers tours of the school. In addition, may students have been completing their Silver Duke of Edinburgh Award, staring in or working behind the scenes in the School Production, as well as completing their Senior Student/Prefect/House Captain, Mindset Mentoring and School Council responsibilities. They are an impressive and vibrant group of young people!

Their last ever Sports Day was a delight, where the House Captains shone as excellent ambassadors for their respective houses; the competitors showed amazing sportsmanship and everyone cheered every other year group's competitor down the home straight, no matter what position in the race they'd achieved. Here are some taster photos, more will be available in the Y11 Year book!

Commendations – Top 10:
An indication of how hard students are working is the number of commendations achieved. I would like to recognise the top 10 in our year group:

1	Samuel Elliott	6	Ami Spurgeon
2	Joshua Hamilton	7	George Rivers
3	Theodore De Vos Van Steenwijk	8	Jaya Baworee
4	Leah Kale	9	Matthew Tang
5	Alexander Auty	10	Esme Warner

Joshua Hamilton	Cheuk Wang Pang	Leah Peters	Matthew Tang	

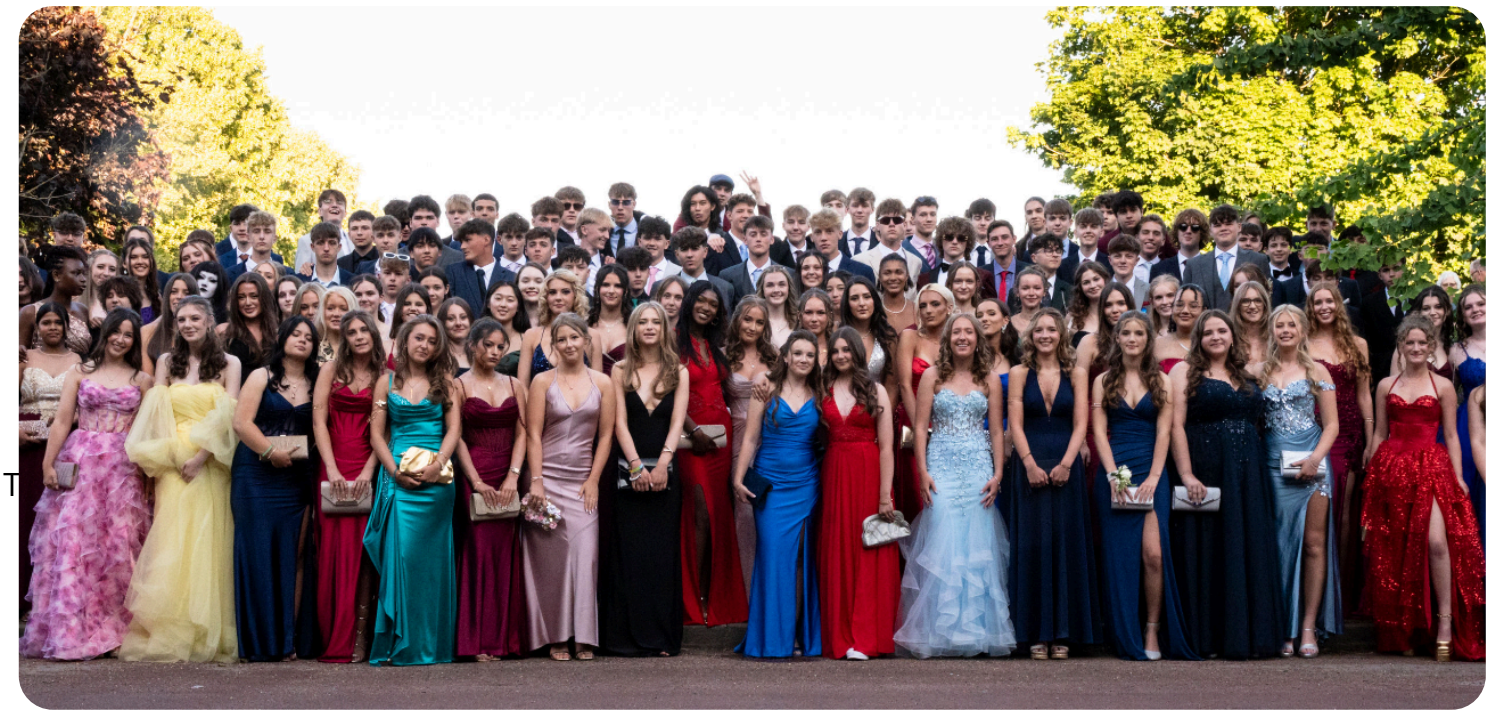

It has been very special watching how the Year 10 students are maturing and taking all the opportunities they can to be involved in the school and wider community this year. I had the pleasure of going on the Berlin Trip where the heat was up to 32 degrees on an all-day guided walking tour, but the students did not complain and instead were interested, engaged and a joy to spend time with.

Congratulations to all the students in the year group. Have a great holiday and come back refreshed and ready to wow in any college/apprenticeship interviews, knuckle down and hone your skills, your knowledge and exam technique, be prepared to aim high in any NEA coursework modules, work hard to achieve the grades you are capable of, and, finally, to continue to be the outstanding role models to the younger years you already are!

Maths!

Junior Maths Challenge

Our Maths Department have been busy hosting events to stretch children's understanding of the subject. They hosted a Junior Maths Challenge for Years 7 and 8. The challenge set by the UK Maths Trust consists of a 60 minute, 25 multiple choice challenge. It encourages mathematical reasoning, precision of thought, and fluency to make students think. The problems on the Junior Mathematical Challenge are accessible yet still challenging. The results for Gold, Silver and Bronze certificates for the Junior Maths Challenge are as follows:

YEAR 7		
Silver	**Bronze**	
Sam Phillips	Sophie Habens	Tiggi Aves
Cheuk Ca Tsoi	Hannah Watt	Holly Horth
James Knight	Jonathan Rochester	Katherine Ridley
Josif Markovic	Benedict Small	Neave Hamilton
Isaac Cheetham	Ellouise Tinsley	Ruby Sutton
Theo Burge	Samuel Cubitt	Casper Grazier
Abigail Borlase	Joshua England	Reuben Turfery
Annabella Burton	Hoi Yan Wong	Zachary Baker
	Esther Ogunsowo	Flynn Pearl
	Gabriel Wright	

Year 8		
Gold	**Bronze**	
Elliot Vague	Harry Freeland	Oliver Ramsdale
Seren Harris	Austin Lynn	Summer Neville-Towle
Cheuk Kit (Torrez) Tsoi	Matthew Ford	Ewan Neale
Silver	Tymoteusz Jasnusz	
Thien Ha	Alexander Micklem	
James Fisher	Obinna Nwaosu	
Millie Lancaster	Ella Cowley	
Eva Drane	Jake Rice	
Abigail Watt	William Wield	

Well done to everyone that took part and achieved an award.

Primary Maths Challenge

In July we also hosted the Glebelands Primary Maths Challenge. Teams of four students from Year 5/6 from our feeder schools came to compete in four challenges in hope of becoming the champions. All of the students worked really well in their teams and got stuck in to all of the tasks. Tillingbourne left victorious with their team called "5jsquared=genius".

I would like to say a massive thank you to our Year 10 students who helped to run this event and showed great encouragement, enthusiasm and leadership skills. All of the teams were very complimentary and are looking forward to coming again next year.

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

10 Top Tips for Parents and Educators

SUPPORTING CHILDREN GOING BACK TO SCHOOL

Change can be hard for children to manage. Going back to school after a long summer break might cause them to feel uncertain about their friendships, school routines and relationships with new teachers. However, trusted adults play an important role in providing both practical and emotional support.

1 LEARN WHAT EQUIPMENT YOU NEED

Figure out a list of all equipment needed for the start of the school year, so you can comfortably get your hands on the necessary items in time. If children have any financial issues and receive free school meals, the school may be able to provide some monetary aid or offer other support.

2 COMMUNICATE WITH THE SCHOOL

If you notice that a child is feeling anxious about a change of teacher or school, arranging a one-to-one meeting with their new teacher can be a good way to alleviate some of the anxiety. Just knowing that they understand the child's worries and will be able to help them if the need arises can build the foundations of a good working relationship. Knowing that you can contact them with any queries can also be reassuring.

3 CHECK THE SCHOOL WEBSITE

There will be plenty of information about the start of term on the school's website to keep you updated. Furthermore, you should be able to find other useful information such as contact details for staff, important school equipment, clubs, and news about any special events on the school calendar for the year. It could be helpful to look through this with children for anything which might reassure them.

4 HELP TO MANAGE FRIENDSHIPS

If a child is feeling anxious about making new friends – especially if they're moving up to secondary school – it can be a good idea to remind them of what they could do or say when meeting new classmates. Investigating the extracurricular activities available could be a good way to open a conversation about their hobbies and pastimes, and joining such clubs could allow new friendships to be built on this mutual interest.

5 PLAN SELF-CARE

Talking to children about how they can manage their self-care can be an effective way of helping them understand its importance. This might involve playing a computer game they love with friends, a weekly visit to the library, getting to bed at the same time each night, or a range of other activities that support their wellbeing and provide the familiarity and safety of a routine that works for them.

6 MANAGE TRICKY FEELINGS

Explain that it's okay to have difficult feelings around returning to school. This can help reduce any shame or embarrassment a child might be feeling over these emotions. Emphasise that other children – even some of the teachers – will be feeling the same way. Consider practical ways to manage these feelings and help children feel more in control of their emotions. Some examples include fidget toys, breathing exercises or a notepad for doodling.

7 SECURE A SCHOOL UNIFORM

Parents and carers should try to buy a child's uniform for the new academic year well in advance of the new term (although allowing for potential holiday growth spurts) and give them time to adapt to any changes. Make sure they can comfortably change into and out of it for PE lessons. Double check the requirements for PE on the school's website, as some schools will also have requirements for PE kits.

8 PREPARE FOR TRANSITION DAYS

Ensuring that children attend transition days is a vital step in preparing for the new year. Some schools also have transition evenings for parents and carers to attend, offering extra opportunities to reach out for any additional support.

9 READ THE MENTAL HEALTH POLICY

If a young person struggles with their mental health, it's important to understand their school's mental health policy and provision to know what support is available. This should be on the school's website. A range of aid is typically on offer – from individual timetable amendments to group sessions on emotional wellbeing. You can then discuss these options with the child to reassure them that help is there if they need it.

10 LEARN ABOUT SEN SUPPORT

If a child has SEN and receives help in school, try to confirm exactly what support is available, to ensure they'll be having their needs met. If they're moving up to secondary school, it's a good idea to meet with the SENCO to ensure that all teachers receive the most relevant, up-to-date information about the child's needs and have a contact to liaise with if these change over time.

Sporting Achievements

District Sports

Well done to all students who took part in the District Sports athletics held at the Guildford Spectrum in mid June. The PE Department would also like to express how proud we are of every individual who embodied Glebelands' 'Respect and Achieve' ethos in both their attitude and actions. Student behaviour was exemplary, and their teamwork was outstanding. They ensured smooth transitions between events, supported one another, and took initiative when changes were needed, always making sure that each event was covered by two competitors to give the team the best chance.

We saw some fantastic performances from many of our students on the day, and brilliant attitudes from our students to congratulate their opponents regardless of the position they finished. We are really pleased with the students for all their efforts.

The Year 7 boys finished runners up, Year 8 boys third overall, Year 9 girls runners up overall and a special mention goes to the year 10 girls who won the event for their year group. Overall, Glebelands finished third.

Sports Day

On Friday 27th June students took part in athletic events as well as outdoor arena activities, Endball and Tug-of-war depending on their selections.

The atmosphere was excellent throughout the day with students supporting each other and their houses well and through the house colours worn on the track and by our House Captains, who led by example on the day. The level of competition was high and several records were broken due to the fantastic efforts of our students.

Congratulations to the Individual record breakers who were-

Year 7 - Hawking mixed 4 x 100m team, Sam Phillips in the 1500m and Michael Cole in the 200m
Year 8 - Franklin Boys relay, Frankie Lloyd (200m)
Year 9 - Stanley Grist 300m, Evie Ross 200m, Cole Hammond 800m, Cole Hammond 1500m, Seacole Boys 4 x 100m, Attenborough Mixed 4 x 100m, Seacole 4 x 200m Mixed
Year 10 - Freya Bradley (200m), Ayo Corpes (200m) Connie Emmett (300m), Hawking 4x100 girls relay, Hawking boys 4x 100m relay, Hawking 4 x 100m mixed relay and Hawking 4x 200m mixed relay

Students received certificates and medals for finishing in the top three of their event and record breakers will/ have received special certificates in cups and colours assemblies.

Sporting Achievements

The overall results were:

	Year 7	Year 8	Year 9	Year 10	Total Points	Rank
Angelou	140	176	123	123	562	6
Attenborough	167	160	182	158	667	1
Franklin	150	156	160	125	591	4
Hawking	157	143	131	191	622	2
Seacole	133	156.6	169	161	619.6	3
Turing	116	148	112	208	584	5

Sporting Achievements

Year 10 Sports Leaders

The Year 10 Sports Leaders delivered a fantastic leadership event for Year 7 students, the culmination of months of hard work and development. Throughout the year, these students have shown real commitment to building their leadership, organisation, communication and problem-solving skills. The event was a brilliant showcase of their progress, as they confidently planned and delivered a series of fun, engaging and inclusive activities.

Year 7 responded with real energy and enthusiasm, rising to the challenge and enjoying every moment. Laughter and teamwork filled the space as both leaders and participants immersed themselves in the activities. Leading your peers is no easy task, and our Sports Leaders demonstrated impressive maturity, resilience, and professionalism throughout.

Additionally, our Year 9s and 10s have been supporting our local primary school sports days over the past half term. Their energy, maturity and ability to lead younger pupils with confidence and care has been widely praised by staff across our local community, resulting in other organisations contacting me to ask for help with their events. They have been fantastic ambassadors for the school and should be incredibly proud of the positive impression they have made. A huge well done to all involved — a brilliant example of student leadership in action!

Cricket Summary

U15 vs County and Woolmer Hill

The U15 girls cricket team, secured a confident win against Guildford County by doubling their score, with all members of the team taking a turn with the bat and adding to the team total. Solid bowling from Glebelands helped to keep the County run total to a minimum. Against Woolmer Hill, the team played really well and lost narrowly. Eleanor, Evie and Connie impressed with the bat, while Evie and Eleanor delivered some excellent bowling. Although Woolmer Hill matched our total with two overs to spare, the girls showed great spirit and resilience. A solid all-round fielding performance from the rest of the team helped keep the pressure on. Well done to everyone involved.

Sporting Achievements

U13 Cricket – Tournament and games vs Broadwater and Prior's Field.

The hard work of the U13 cricket team at training has paid off this half term when playing Guildford County, Broadwater and Prior's Field. All the girls have batted with more confidence which has seen some really high scoring innings. Tabitha hit numerous sixes in the tournament game against Broadwater to put us in contention going into their innings against a very strong side. The team have also fielded more and more accurately with each game they have played. The game against Guildford County saw an especially great fielding display which saw all of the County team out in the fourth over and giving Glebelands a great win! We had very very close defeats against Broadwater and Prior's Field, with games coming down to the last over. Well done on a great season!

Year 7 v George Abbot won

The Year 7 boys continued their season with a match against George Abbot that was played inside due to the weather. This was a really good game with Glebelands batting well to score 111 runs (Tom hit 21 and Theo, Jude, Joe, Josh and Reuben all contributed). In reply Glebelands bowled and fielded well to restrict George Abbot. Wickets were taken by Tom, Josh, Casper, Joe, Jude and Reuben in the Abbot total of 80 meaning the boys took the win.

V Rodborough- unfortunately the deadline for Glebelands news meant this match didn't get a write-up**!**

Year 8 v Rodborough won

This was a great match and was close throughout. Glebelands hit 99 runs (Daniel 32 not out, Sam 28 not out), top scoring. In reply, Rodborough hit 98 with wickets taken by Austin, Freddie, Oliver and stumpings from Matthew meaning the team won by 1 run!

V George Abbot and Woking High lost

The Year 8 team continued their season against George Abbot and faced a very strong opposition. Glebelands hit 82 runs with Daniel Hand Matthew both hitting 18 runs, George Abbot replied strongly and hit the winning runs needed in the eighth overvV Woking High. The team travelled to Woking High as part of the Surrey schools competition. There were some notable performances -Oliver hit 17 not out and Sam H top scored with 27 runs in the total of 72. In reply Woking batted well and although Daniel took a wicket the boys could not prevent Woking hitting the runs needed in the eighth over.

Sporting Achievements

Cricket (cont.)

Year 9 v George Abbot lost
Year 9 boys played against George Abbot. There were plenty of runs scored with Abbot hitting 139, but Alex, Oliver, Seb and Joel took wickets. In reply Joel, Seb and Arlo top scored, but wickets continued to fall in the Glebelands total of 73, meaning the team lost the match.

Year 10 V Christs College - unfortunately the deadline for Glebelands News meant this match didn't get a write up, but well done to the whole squad who have represented the school so well over the several years; you have been great representatives of Glebelands in every match played.

Rounders

Year 7 & 8 Rounders vs Kings (21.5.25)
We played a very exciting first mixed rounders match of the year vs Kings. Despite the typical English weather, we had a brilliant afternoon with team one winning 8.5-2 and team two winning 14-7.

Year 7 and 8 vs Broadwater and Rodborough (12.6.25)
Our second game of the season was played by the year 7 and 8 rounders teams in a triangular tournament hosted at Glebelands. The Year 8 team started fielding against Rodborough and both teams fielded extremely well, limiting the rounders scored. Final score 4-3 to Glebelands. This was followed by another close match against Broadwater with them winning 7.5-6.5. On the other pitch Year 7 beat Rodbourgh but lost against Glebelands. To finish the tournament when the other teams left, we played a year 7 vs year 8 match which finished 7-7.

Year 7 vs Broadwater and Rodborough (26.6.25)
The Year 7 team played a fantastic match vs a mixed Broadwater and Rodborough team. Sofia and Viktoria worked extremely well together, sending the ball quickly and accuractly from backstop to first base, stumping six players out! The team fielded extremly well and got the whole team out with ten balls remaining. Final score 10.5 to 3 rounders. They then played against Broadwater and dominated for the whole match, but unfortunately Brioadwater caught up in the last few good balls and ended up winning 9.5-8 rounders.

Sporting Achievements

Rounders (cont.)

Year 7 and 8 vs Broadwater and George Abbott

Glebelands hosted a triangular tournament on one of the hottest days of the year! All teams demonstrated brilliant perseverance and sportsmanship despite the boiling temperatures. The Year 7 team played against Broadwater, first winning 6.5-5. POM, Ruby S. They then played George Abbott, losing 9.5-6.5 where all players demonstrated great batting skills against a very strong bowler.

The Year 8 played their first match vs Broadwater and lost 9.5-6.5. We played some Year 7s in this team due to year 8 illness and one was awarded player of the match playing a year up: Seren H. They then went onto play a GAB mixed year 8/9 team vs our mixed year 7/8 team and unfortunately lost, but great experience to pay against some strong opposition to challenge the teams fielding skills. POM - Amelia L for brilliant fielding skills.

The final matches of the year are Year 7 and 8 girls vs Rodborough on Wednesday 16th July.

Tennis

Girls in Y7-10 have played tennis fixtures against Rodborough and Prior's Field this half term. They have shown some great skills in doubles and singles, with lots of very close games being played across all age groups. Well done to all involved!

The Yr 7 & 8 boys played a tennis fixture against Rodborough this half term. All the boys played very well and showed great sportsmanship, keeping their own scores in their games, some for the very first time! A special mention must go to Tom who hit an ace on the last shot of the afternoon to secure a draw overall, with both Glebelands and Rodborough winning 6 matches each. Well done everyone!

'The Glebelands Open

Students have also had the opportunity to take part in 'The Glebelands Open' this half term (a friendly tennis tournament for house points and prizes). The results were as follows:

Year 7 Boys Champion – Mackenzie Vince
Year 8 Boys Champion – Tyler Faber
Year 9 Boys Champion – Oscar Habens
Y7-10 Girls Champion – Sophie Habens

Sporting Achievements

Track Meets

Well done to all students who took part in the recent Year 7, 8 and 9 track meets. It was fantastic to see such strong performances across all year groups, with students demonstrating great effort, determination and team spirit. The meets provided an excellent opportunity to practise race tactics and sharpen technique, and it's clear that everyone had been preparing well for the upcoming District Sports. A brilliant effort from all involved.

Cups & Colours 2024-2025

The PE department recognised students for their effort and contributions to school sport and extra curricular activities at the end of this term in the Cups and Colours assemblies. Students received certificates and/or colours for the summer sports with Junior Colours being awarded in Year 9 and Senior Colours in Year 10. Well done to all those students who have represented the school so well this term.

House News

Information about the House System

The House system aims to celebrate four areas of education and we have four cups / shields that students are vying for each year along with the House Shield. Students have the opportunity to gain house points towards the following: Charities Cup, Academic Cup, Sports Award and Arts Award – House Points can be earned for these categories in the following way:

Charities Cup	Academic Cup	Sports Award	Arts Award
Raising awareness and money for charity Volunteering	Commendations Sparx maths and English Tassomai Language nut competitions Departmental events	Sports day House extra-curricular activities	Bake off Music events Design events Photography events Departmental events

Getting more students involved in House Events is key to building a strong sense of community and school spirit. We hope that our new House Captains and Vice Captains, will be instrumental in helping us continue to embed and build the House System at Glebelands.

These events offer opportunities for students to develop teamwork, leadership, and confidence in a fun and supportive environment. Encouraging participation can also help students discover new interests and talents outside of the classroom. When more students get involved, it creates a more inclusive and exciting atmosphere, where everyone feels they have a role to play. House events at Glebelands are not just about winning points — they're about building friendships, representing your house with pride, and making lasting memories. By taking part, students contribute to a positive school culture and help their House succeed in a range of competitions and walk away as winners of one of the trophies above.

Over the coming months there will be a range of house events running, from masked reader and Languagenut to rounders and tennis. Not to mention points will continue to be awarded for Tassomai hours, Sparx Reader and Maths and for commendations gained.

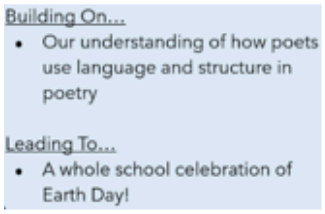

School Council Update

Type here

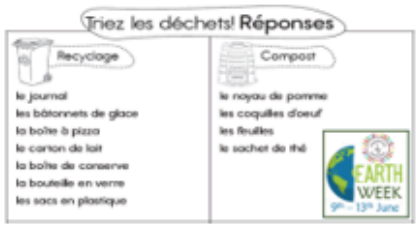

Since our last School Council update, Tutor Representatives have presented back to their tutor groups. With each feedback opportunity, our presentations, prepared by the School Council Leadership Team, seem to get more and more informative and detailed. George, Theo and Will have done an excellent job with this, so I am sure Tutor Reps and tutor groups have benefited from their conscientiousness. Key messages were passed on by each of our committees including pointers on how students can seek specific help and be respectful towards each other from the Wellbeing and Diversity Committees. It has also been agreed that we can have a School Council suggestion box which will be placed in Student Services. However, our most ambitious project for this half-term was from the Eco-Committee: the first Glebelands School Earth Week!

Earth Week

Preparations for this project started earlier in the year, when our Eco-Committee leaders, Theo and Maverick, joined forces with Sophie (who led the committee in 2024), to win the hearts and minds of our Heads of Department. It has been fantastic to hear how many departments contributed throughout the week. Geography and Science were natural early adopters, but English, DT, History, MFL, Drama and many others were all on board too! Early feedback from the student body shows how they really valued learning about environmental issues and solutions through the lens of each subject. Many found the lessons and activities very eye-opening but also enjoyable.

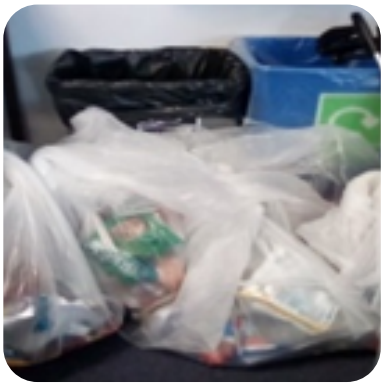

The week kicked off with a **SpoGomi House competition!** For those who may remember my anticipation of this litter-picking-sport in the last article, I was a little concerned that there may not actually be enough rubbish on-site to run this! (A very good 'problem' to have!) To add to my worries, an astonishing fity-four students signed up to take part! Amazingly, even on beautifully clean Monday morning break-time, the competitors rooted around in hidden nooks, a usually off-bounds ditch and the undergrowth of various shrubs throughout the site, and managed to fill four bags between them! Well done to all who took part, our nine-strong extended leadership team who ran the event and the top three House teams in particular:

SpoGomi House competition Winners:
Angelou!
9ANG: Faith Beardsall; 7ANG: Maya Jones, Annabelle Phizackerley and Isabella Lloyd.
Joint second place: Franklin & Seacole
7FRA: Neave Hamilton, Hannah Watt, Emie Hall, Bella Burton, Kate Ridley, Suzi Coan, Kealan Rose and Rinad Chehade.
7SEA: Jude Wright, Bea Walker, Tiggi Aves and Alice Marshall.

School Council Update

Type here

The week culminated with ReUse & ReWild a project devised, planned and resourced by the creative force of nature that is Robby Olival from our Premises Team and The Pantry. He and his team in The Pantry, on top of providing some beautifully presented vegetarian and planet friendly meals on Friday, had been saving up various items that would otherwise go into landfill. These were upcycled into planters by students and some staff during the Friday break and lunch. Theo, Maverick and Jenna of the Eco-Committee, along with Jaya, Alex and Lily did a great job of guiding students with their planting efforts. These plants, some of which will be edible, will eventually be placed in the Conservation Garden, along with some of the bird houses and bug hotels made by students in Thrive activities this year. A big thank you to all staff and students involved, but particularly Mr Gunner and Mrs Rogers, who made this project possible, and Miss Ritchings and Miss Felmer for their fantastic Thrive activity, plus so many staff who mucked in (Miss Phillips, Mrs Wilson, Mrs Deacon, Mrs VanEeden, Miss Retter, Miss Brewer, Mr Bromley, Mrs Stockbridge, Mr Ransom...) and, of course, Mr Olival and his wonderful team at The Pantry!

Mrs N Clark
Head of Student Personal Development

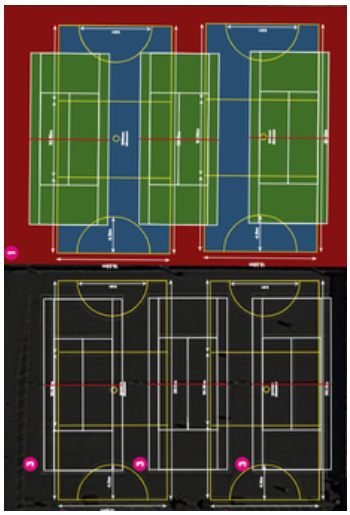

Glebelands Trust

Glebelands Trust - Update on Special Appeal!

We are a dedicated charity supporting Glebelands School by enhancing the educational experience similar to a traditional Parent Teacher Association (PTA), without the time commitment that a PTA requires. Instead, we encourage parents to donate directly to the Trust. Your generosity allows us to provide exceptional resources and opportunities for our students that extend beyond the school's budget.

Compared to primary school PTAs, we have a very low percentage of our community donating - only a few regular donations every month. The Trust has been looking at different ways of engaging community donations. You may have seen our new minibus out and about in Cranleigh; this was partially funded by Glebelands Trust and we are pleased to report that the Playground Project has raised funds to improve the school environment.

We have been lucky to receive two significant donations to the Trust along with other regular donations from parents. Together with a committment from the Trust to match fund a donation and school funding, **the project will be happening over summer! Thank you to those that donated!**

Why Your Support Matters

Glebelands School manages its finances effectively, but there's always a gap between available funds and the cost of providing the best possible educational experiences. The Glebelands Trust helps to bridge this gap by funding valuable resources and innovative projects across all school departments. We align all our spending with the School Development Plan, which is approved by the Governors, ensuring every penny enhances the quality of education.

How to Donate

Your support is crucial, and there are several ways to contribute to the Glebelands Trust:

- **NEW!** Log on to SCOPay and donate
- Just Giving: Please scan the QR code make a donation through Just Giving. They offer an easy 'one click' option for both monthly and one-off donations, though they do take a small commission.
- Direct Donations:
  - One-off or Monthly Contributions. £10 per month, or quarterly or annual donations. Set up a direct debit or make a one-time payment to:
    - Account Name: Glebelands School (Cranleigh) Educational Trust
    - Bank: Natwest
    - Sort Code: 52-41-56
    - Account Number: 48271462
- Online Shopping Donations:
  - Easy Fundraising: Register and select Glebelands School (note: *not* the Trust) as your charity. Shop through their site, and a percentage of your purchase is donated.
  - Give as You Live: Similar to Easy Fundraising, register at giveasyoulive.com and choose Glebelands School Trust. Donations are made as you shop.
- Gift Aid: Enhance your contribution by an extra 25% at no additional cost to you. Just complete the Gift Aid form and return it to the school office.

There's No Place Like Glebelands!
A Magical Night with The Wizard of Oz: Junior Edition

Last week, Glebelands School transformed into the colorful and whimsical Land of Oz as students brought the beloved story of The Wizard of Oz: Junior Edition to life. With dazzling costumes, creative set pieces, and a whole lot of heart, this year's school production was truly one to remember.

From the moment Dorothy (played with charm and confidence by Clara Robertson stepped onto the stage in her ruby slippers, the audience was transported on a whirlwind adventure down the Yellow Brick Road. Along the way, she was joined by a lovable Scarecrow (Noah Robins), a tender-hearted Tin Man (Jack Templeton) , and a hilariously cowardly Lion (Joey Hicks)) — each delivering standout performances filled with personality and great timing.

The Junior Edition's shorter run time made it perfect for young audiences, but nothing about the production felt 'junior.' The ensemble lit up the stage in scenes like the Munchkinland welcome and the Wicked Witch's lair. The Wicked Witch of the West (Olivia Pantlin) struck the perfect balance of villainy and flair, while Glinda the Good Witch (Isabella) brought grace and warmth to every scene.

Under the direction of Mr Holcombe and Mr Robinson, the production balanced fun, fantasy, and just the right amount of drama. Supported by a whole cast and crew the performance was truly memorable. The tech crew also deserves a standing ovation—lighting effects, sound cues, and scene changes worked seamlessly to support the story's magic. Special mention goes to the creative team for costumes and props, which were imaginative, vibrant, and full of delightful detail.

Thank you to every who came and watched the performances.

Performing Arts

Many of you will know that Mr Holcombe will be leaving at the end of this summer term. He's done a fantastic job of re-establishing music in the school, for events including Carol Concert, Spring Concert and working with Drama, Art and Textiles departments to deliver musical productions.

We're thrilled to have Mr Forrester take over responsibility as Head of Music from September. His background, skills and charisma match well with the culture of Performing Arts established at the school, yet we're confident he can further advance its growth and success.

Details regarding musical instrument lessons and school music clubs from September will be circulated to parents at the beginning of the Autumn Term. In the meantime, if you wish to sign up for instrument lessons with Surrey Arts at Glebelands, please follow this link:

https://www.surreycc.gov.uk/culture-and-leisure/arts/music/lessons-for-children/apply-and-pay

Please may I take this opportunity to wish all of our students and staff every success in the future. It's been an absolute pleasure to work with them over the past years, and I'm really pleased to be leaving our music provision in such good hands.

Mr A Holcombe

Enrichment

Enrichment covers a range of our extra curricular activities, including Thrive and Trips. We have a strong offer of extra curricular activities as well as sports clubs which you can see here on our website. Letters were issued at the start of term about the trips we aim to offer in the coming year. This first half-term has seen a couple of trips, as well as Thrive being in full swing!

Thrive

Thrive has been hugely successful again this year, with many new activities giving our students the opportunity to try out new things, challenge themselves, and make new friends. A new introduction this year was the Thrive Award, whereby students were encouraged to vary their choice of activities with the aim of achieving the award by selecting from a different category each time. By selecting one each from the Physical/Outdoor, Academic/Community and Creative/Skills categories, seventy students managed to achieve the award this year.

Duke of Edinburgh - Bronze Award

At the start of this half-term, over ninety Year 9 students took part in their assessed Bronze DofE expedition. Building on the skills developed during their earlier practice expedition, the students successfully navigated an unfamiliar route, demonstrating teamwork, determination and independence.

Despite facing torrential rain and challenging conditions, they demonstrated outstanding resilience and a positive attitude throughout. Their ability to adapt and support one another truly reflected the spirit of the DofE Award.

A huge well done to all involved — a fantastic achievement!

Duke of Edinburgh - Silver Award

In addition, a group of intrepid Year 10' headed to the New Forest for their Silver Aware expedition. Organised directly with our Partners in delivering this award, the Year 10s showed even more resilience and determination to complete their expedition. A few showers but they luckily avoided the overwhelming heat of the past few weeks.

Sports Lettings

The school sports facilities are available to hire when not in use by the school. If you are interested in hiring these facilities please email bookings@glebelands.surrey.sch.uk. The following clubs currently use the facilities and would love to hear from you if you would like to join!
