

Glebelands Newsletter

Summer Term July 2026

In this issue

Trust us, you won't want to skip this one! From the streets of Paris to the wilds of Exmoor, our students have had a year packed with adventure, achievement and unforgettable memories, and this edition brings you the last of this term's highlights. Read about our incredible residential trips, including a completely off-grid, phone-free experience out on Exmoor that pushed our students out of their comfort zones in the best possible way. We're also celebrating the huge success of our sold-out performances of Grease the Musical. Alongside these headline moments, you'll find round-ups of our sporting achievements from across the term, and all the important dates you need as we head towards the summer break. Grab a cup of tea and settle in, there's a lot to celebrate.

A Message from our Headteacher

Dear Parents and Carers,

As we come to the end of another school year, I want to thank all our parents, carers, staff and students for their commitment, support and enthusiasm. It has been a busy year, and I am proud of how our students have embraced the many opportunities available to them, both inside and outside the classroom.

This has been a year of firsts for Glebelands. Students represented the school in our first gymnastics competition, took part in our inaugural Business Studies event, became the first cohort to complete the Cranleigh Lions Award, and performed for the first time at the G Live Schools Showcase. Each opportunity has helped students develop confidence, resilience and new skills, while representing the school with pride and maturity.

Although proud of our achievements, we remain committed to continuous improvement, always evolving to provide the best opportunities for every student.

The breadth of experiences this year has been remarkable. Students took part in more than fifty educational visits and trips, and many gave back to the local community by supporting our primary schools through reading initiatives and sporting events, demonstrating the kindness, leadership and responsibility we value at Glebelands.

The final weeks of term have been memorable. Our production of Grease was outstanding, showing what talented students and dedicated staff can achieve together. We also recognised many students' achievements at our Celebration Evening and whole-school assembly, reflecting on another year of academic success, personal growth and contribution to school life.

This week, Year 10 heard from Martin Crosser of the charity Charlie's Promise, who delivered a powerful presentation on knife crime and making safe, informed choices – an important reminder that education extends beyond the classroom.

None of this would be possible without our dedicated staff. My sincere thanks to every member of the Glebelands team, whose commitment and care make our school the special place it is. We also say farewell to valued colleagues: Miss Erricker, Mrs Van Wyk, Miss Anand, Mrs Clutton, Mr Stanley and Ms Lagnado, who are moving on to new opportunities. Each has made a significant contribution to Glebelands, and we thank them and wish them every success.

I extend heartfelt thanks to every parent and carer who has supported the Glebelands Trust this year. I appreciate many families face financial pressures, making your generosity even more meaningful; your contributions enhance our facilities, resources and curriculum for all students.

Finally, thank you for your continued support throughout the year. The strong partnership between home and school remains one of Glebelands' greatest strengths.

Most importantly, thank you for entrusting us with your children. They are an exceptional group who continue to impress us with their kindness, resilience and ambition, and we could not be prouder of all they have achieved.

I wish you and your families a wonderful, restful summer break, and look forward to welcoming everyone back in September.

Kind regards,
R. Mitchell

Key Dates

Autumn Term 1

Date	Event
1 & 2 September	INSET Days
3 September	Term starts Years 7 & 11
4 September	Term Starts all years in
7 September	School Photographs (Yrs 7, 9 & 11) Year 11 Information Evening 6.30pm
21 September	Year 7 Information Evening 6.30pm Years 8,9 and 10 Information Evening 7.30pm
24 September	School Finishes 2.30pm Open Evening
25 September	School Starts 9.30am Flu Vaccinations All Years
30 September	Year 11 GCSE Art Trip Watts Gallery
16 October	INSET Day
19 to 30 October	Two week half term

Autumn Term 2 - a look ahead

Date	Event
2 November	Term Starts
6-9 November	Year 11 Iceland Trip
13 November	Non-Uniform Day Year 11 Godalming College Interview Day
16 November	GCSE Results Presentation Evening (ex Year 11s)
19 November	Year 11 Mocks begin
11 December	Christmas Dinner/Jumper Day
16 December	Carol Service 6.30pm, Cranleigh Baptist Church
18 December	Term ends 12.30pm

Homework Club 2026-27

Homework Club runs Mondays through to Thursdays only. We are looking to move this onto My Child At School booking online to access the club. Please look out for more information on this in the new academic Year

Safeguarding at Glebelands

Keeping children safe is our priority at Glebelands. We are committed to safeguarding and promoting the welfare of children and young people, and we expect all staff and visitors to the school to share this commitment.

We have a safeguarding team at school, and if you have any concerns about the safety and welfare of a child, you can contact dsl@glebelands.surrey.sch.uk.

If it's an emergency always call 999.

Attendance Matters

School Attendance & Penalties for Non-Attendance

In 2024 the National Framework for Penalty Notices was issued by the DfE. There is now a single consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period. These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence. The 10-school week period can span different terms or school years. **Please note:** The DfE does not consider a need or desire for a holiday or other absence for the purpose of leisure and recreation to be an exceptional circumstance.

Reporting Absence

When absence is unavoidable, please report in the following ways:

- **First morning of any absence**, indicating the cause and likely duration of the absence please call 01483 542408 by 8.45am. A truancy call will be sent upon any unknown student absence.
- **Medical or dental appointment**, email the school in advance on absence@glebelands.surrey.sch.uk
- **Planned leave** - Absence forms can be obtained on the Attendance page of our website.

Attendance Matters

PENALTY FINES FOR NON- ATTENDANCE

Per Parent*, Per Child

A School Penalty Notice is issued to each parent*, for each child that was absent.

For example: 3 siblings absent for term time leave, would result in each parent receiving 3 separate penalty notices

*Parent

Section 576 of the Education Act 1996 defines "parent" as:

- All natural (biological) parents, whether they are married or not.
- Any person who, although not a natural parent, has parental responsibility for a child or young person.
- Any person who, although not a natural parent, has care of a child or young person.

1

FIRST OFFENCE

The first time a Penalty Notice is issued for unauthorised absence the amount will be: £160 per parent, per child paid within 28 days. Reduced to £80 per parent, per child if paid within 21 days.

2

SECOND OFFENCE

(within 3 years)

The Second time a Penalty Notice is issued for unauthorised absence the amount will be: £160 per parent, per child paid within 28 days.

3

THIRD OFFENCE

(within 3 years)

The third time an offence is committed a Penalty Notice will not be issued and the case could be presented straight to the Magistrate's Court. Prosecution can result in Criminal records and fines of up to £2,500. Cases found guilty in Magistrates' Court may show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.

Head of Achievement Updates

YEAR 7

As our students first year at Glebelands draws to an end, we recently welcomed our next cohort: the present year 6s, from all the feeder primary schools, for their Glebelands experience day. It's hard to believe that this marks exactly one year since their first involvement as a year group, and what a year it's been.

Over the course of the newsletters this year, I've managed to highlight some, but not all, of the many amazing things your children have experienced here at Glebelands, there's too many to list, but below are few milestones that we have all encountered together this year:

- First day at Glebelands, meeting new friends, tutor and getting their new timetables
- Being introduced to BROMCOM, cashless payments, homework (SPARX) and respect cards
- House competitions and Thrive Wednesdays
- Celebration and whole school assemblies
- Shoe box appeal
- Christmas jumper fundraising day
- School production – Grease
- Choir and cheerleading
- Gym completions, swimming gala and girls' indoor cricket
- Girls qualifying and attending the Netball Surrey finals day
- Boys qualifying and attending the Surrey indoor athletics finals day
- School newsletter
- Road Safety Day and the Marwell Zoo trip
- Mindset Mentoring programme
- Red Nose and Comic Relief fundraising day
- Year 7 Parents Evening and first graded reports being sent home
- Mr Pike's baby daughter – Harriett – being born

Head of Achievement Updates

YEAR 7 (cont.)

It certainly has been a busy year but there's still lots more to report from this half term, our final one together. 😞

It was lovely to see the girls and boys of the school choir and cheerleading squads first performing to the year 7's in a rehearsal assembly, practising and honing their skills before performing live at the Cranleigh Carnival. It was great to see so many pupils, parents and staff in attendance to watch and support our students perform.

I also had the pleasure recently to escort our top twelve students - top two from each tutor group in terms of commendations accumulated this year, to Thorpe Park for the annual rewards day. It was a great day, quieter than we anticipated, so the students accessed more rides than normal but for me personally it was great to reward and spend a day with a bunch of hard working and lovely girls and boys; they were a real credit to the school and their families!

We also rewarded the next six best students from each tutor group in terms of commendations accumulated this year, with the annual Movie Afternoon – Despicable Me 4 😊. Although the weather was warm, we all enjoyed an afternoon, away from lessons, watching a movie, even though no one brought sweets or popcorn, something to remember for next year. A small gesture to recognise and rewards everyone for their efforts this year.

Talking of heat, as we enter our third heatwave of the season, the year 7 students recently returned from their Paris trip, with the Language Department, where I am reliably informed that the temperatures remained in the high 30s to mid-40 degrees for the entire week. Despite this, and some modifications to the daily activities, the reports are that the kids (and staff) had a great experience. Thank you to the staff who organised and made this happen.

Our penultimate week of the academic year also saw the 'Grease' production, which I am reliably informed was amazing. The students have been rehearsing for this for a long time and were very excited to be performing in front of family and peers. The final week of the academic year also saw the Sports Day finally taking place, rearranged from our second heatwave. This is an amazing day for all involved, and it was great to see all the students trying their best to win competitions and earn points for their houses.

Over the course of this year, we have said hello and good bye to various students within our community but we also now have to say good bye to two colleagues, Mrs Clutton (ANG) and Miss Anand (TUR) who are leaving for other opportunities, still in education. It is also with sadness that I report that I am moving on, to next year's Y10's as they enter into their examination phase. Can I please take this opportunity to thank you all for your continued support this year and to wish all the students in year 7 a lovely, restful summer holidays and a successful year 8.

Henry	Kettle	Adam	Mackenzie
Harley	Parker	Nassira	Tombling
Kieran	Stone	Truda	Bridger
Heidi	White	Emily	Fernandes Teixeira

Thank you to everyone for supporting the students through their year here at Glebelands, but, as always, it's now time to relax and enjoy your well-deserved break.

Mr Singleton

Head of Achievement Year 7

Head of Achievement Updates

YEAR 8

It has been an absolute pleasure to see the young people in Year 8 grow over this academic year. One of the Year 8 highlights for me was reading through all the tutor comments that appear in the end of year reports. I was so proud to be reading such positive comments across the year group. Year 8 can be a tricky year to negotiate with it being so far away from the GCSE exams, but your students have been brilliant and I am very happy to be following them into Year 9 next year. Congratulations go to all those students who received a prize at Celebration Assembly earlier this week and well done to all those that earned enough commendations to either come to our Thorpe Park reward trip or to enjoy the movie afternoon last Tuesday. Many snacks were consumed as these students had a well-deserved afternoon off!

We've seen so many amazing achievements this year, it's difficult to know where to start. We've had Year 8s winning big in house competitions, including Art, Design, STEM, writing, baking and litter picking. Our sports teams have been achieving great sporting success across winter and summer sports. Plus, we've seen some amazing drama and musical talent with performances at G-live, the carol concert, the Cranleigh carnival and of course in our production of 'Grease'. There are definitely some stars in the making there, and I'm excited to see them in future productions and performances. We are always keen for more people to join our extra-curricular activities so perhaps some more of you will be competing next year, be it in house challenges, Lego robotics or in sports teams. Or maybe some more students would be brave enough to perform in future productions and concerts. More opportunities will be coming their way in the autumn!

Recently, thirty of our Year 8 students had the opportunity to go to Exmoor on the Sience residential. I've had very positive reports back from the teachers that took them away and I hope they all had an excellent few days with students coping really well in the heat. We'll have more trips available in Year 9 and 10 so if you missed out in Year 8, there will still be opportunities for overnight trips as we move up through the school.

Head of Achievement Updates

YEAR 8

Our last event of the year was our delayed Sorts Day which finally took place on the last Wednesday of term and, while it was a little shorter than normal, our Year 8s coped with the heat brilliantly and did their best in all their events. Results are unavailable at the time of writing this but I'm very proud of the sportspersonship and all their efforts on the day. We eagerly await to see if Attenborough have retained their title or been knocked off the top spot this year!

I feel this year has gone by in the blink of an eye, but maybe that's because the Year 8s have made my job a lot easier by being such a great year group! Please join me in congratulating them in successfully completing their second year of secondary school.

Half Term Achievement and Effort Awards:

Each half term a certificate and a small prize is given to students who are nominated by their teachers for excellent effort or a great achievement in a subject area. Congratulations to the students who have been recognised and awarded these this half term; it's lovely to see some new names in there too.

We also celebrate student attendance, and I would like to recognise those students who have 100% attendance.

Alice Bell	Alice Marshall-Dziemianczuk
Abigail Buckman	Esther Ogunsowo
Theo Burge	Ruby Sutton
Jack Green	Riley Templeton
Neave Hamilton	Bea Walker
Jonah-James Williams	Riley Boucher

Year 9

We will be looking forward to welcoming back our year group as Year 9 students on Friday 4th September. We'll be starting GCSE content in Science and more of the subjects will now be taught in sets instead of tutor groups which will be an exciting change. Year 9 brings with it our first official test week in January, ahead of options choices for GCSE subjects. We will of course send plenty more information about this nearer the time. There will also be more opportunities for overseas trips, enrichment activities, theatre trips and extracurricular activities. Please encourage your children to join in with the many clubs and activities on offer in Year 9.

Over the summer, please check to see if uniform needs replacing - including school shoes. Your daughters in particular may need new skirts so that they still remain at knee length, as lots of growing has been happening in Year 8! A reminder that if you are thinking of getting piercings this summer please do it early on so that they can be removed for PE lessons in September and please note that cartilage piercings are not permitted within school uniform rules next year. Remember to stock up those stationery items too in those back-to-school sales that seem to start even before we've broken up! I'm sure you will be pleased to hear that our tutor team remains the same for next year, and I will be remaining with the year group. I'm looking forward to see what more they can achieve in Year 9!

However, there is one big change. Ms McAulay has been our SLT link throughout Year 8, supporting myself, the year team and all the year 8 students. Moving into Year 9, our SLT link will now be Mr Jones. I'd like to thank Ms McAulay for all her marvellous support over the year and I look forward to working with Mr Jones in Year 9.

All that remains to say is, from myself and the Year 8 team, we hope you have a fabulous and restful summer break!

Mrs Auty

Head of Achievement Year 8

Head of Achievement Updates

YEAR 9

A brilliant end to the summer term! Lots of positives to celebrate the end of the KS3 term and returning as KS4. It has been a pleasure in getting to know the year 9s and preparing them for what KS4 GCSE has in store for them.

Half Term Achievement and Effort Awards:

Each half term a certificate and a small prize is given to students who are nominated by their teachers for excellent effort or a great achievement in a subject area. Congratulations to the students who have been recognised and awarded these this half term.

As I prepare to take on my new role as Head of Achievement for Year 8 in September, I would like to take this opportunity to thank the Year 9 students, their families and colleagues for making the past two years so rewarding. It has been a privilege to support such a fantastic year group and to watch them grow both academically and personally.

I am incredibly grateful to parents and carers for your continued partnership and support, and to the dedicated Year 9 tutor team, whose commitment and care have made such a positive difference to our students. As the year group embarks on their Key Stage 4 journey, I do so with every confidence that they will continue to thrive and achieve great things. I wish them every success for the exciting years ahead.

Congratulations on what I feel is a fantastic cohort of students, I am sure they will excel under Mr Singleton's guidance. I wish you all a lovely summer break.

Miss Amin

Head of Achievement Year 9

Head of Achievement Updates

YEAR 9

Congratulations to our fifty-four Year 9 students who successfully completed and passed their Bronze Duke of Edinburgh's Award qualifying expedition on the 13th and 14th of June.

After months of preparation, training and teamwork, students put their navigation and campcraft skills into practice during a challenging two-day expedition. They walked with their teams, carried all of their own equipment, prepared meals and worked together to overcome challenges along the route.

It was fantastic to see students demonstrating the key values of the Duke of Edinburgh's Award, including perseverance, independence, communication and teamwork. We are incredibly proud of the commitment and determination shown by our Year 9 students.

Head of Achievement Updates

YEAR 10

It's been a half term focused on mock exams. Students have spent a lot of time preparing in and out of school. The majority have made numerous revision resources which will put them in a really good position in Year 11. Some know they need to step up with their preparation. Reports will include a mock exam grade and this should be reviewed carefully to set targets and areas to focus on in September. We talked in assembly about doing the little things to achieve 1% gains – being in school every day, completing Tassomai, completing all homework and so on. These added up will make a difference. We were very proud of how resilient they were in the hot conditions that week.

Year 10 have made an incredible contribution to the wider school this half term too and I have been proud of all involved. The Grease cast has worked fantastically hard to produce an amazing performance to sold-out crowds. The Prefect Team and House Captains were instrumental in Glebelands Experience with the Year 6 students starting in September. There have been a huge number of events led by Sports Leaders with Primary School sports days. A group of students working on their Young Citizenship Award with stalls at the Cranleigh Carnival and selling cakes in school to raise money for charity. And of course, the much-anticipated Sports Day. All of these culminate in an amazing end to the year showing what remarkable young people Year 10 are. It's been good to see students enjoying the sunshine at break and lunch!

Head of Achievement Updates

Year 10

As I reflect on the year Year 10 have worked hard to build foundations for their GCSEs. Year 11 will be a busy year with lots going on to support the achievement of students. It is vital that everyone buys in to this, making the most of opportunities given. I would recommend reviewing Year 10 with your child so they can have a positive start to Year 11 – do they need to focus on completing homework, being in school on time, improving attendance, asking for help if they don't understand something in a lesson?

We will continue to hold high standards for uniform. If your child is planning on having a piercing or nails painted, please have it done in the first few days of the summer break, so they can be removed for September. Our uniform policy is clearly outlined and we appreciate your support with this.

This year has been a pleasure to see students develop independence, character and confidence. I look forward to next year seeing them continue to grow and flourish.

On behalf of the Year 10 Tutor Team, I hope you have a superb Summer Holiday!

Mr Nibloe

Head of Achievement Year 10

Head of Achievement Updates

YEAR 11

The Year 11 School Leavers Day and Prom was held on the 3rd July and was a fantastic positive experience for all involved. The students had the opportunity to sign their school shirts, write messages in their Yearbook and attend an assembly that was focused on their journey from Y7-11 and had many photos of them at the various events and experiences over the years.

The Prom was held at Denbies Vineyard, where the students arrived in a range of vintage cars, motorbikes, Limo's and a selection of beautiful Sports Cars (which the parents enjoyed driving!). The Y11s looked stunning and had a blast dancing together, using the photobooth (so popular that the teachers had to pull rank to have a chance to have a photo in it), and enjoying time with their friends and being entertained by a magician. It was a lovely end for an amazing year group and it has been a privilege to be their Head of Achievement for the last two years. I wish them all the luck for their futures!

Head of Achievement Updates

YEAR 11 (cont.)

Performing Arts

Grease 2026

This year, over seventy-five pupils from Years 7–10 took part in our spectacular production of 'Grease'. It has been a pleasure to watch every member of the cast grow in confidence, develop their performance skills, and flourish since auditions began in January.

After months of hard work, commitment, and rehearsals, the cast delivered outstanding performances to a sold-out audience, who rewarded them with rapturous applause. Every performer should be incredibly proud of the professionalism, enthusiasm, and teamwork they demonstrated throughout the production process.

Thank you to everyone who supported the show. We look forward to welcoming you to our next Performing Arts production in December, when we will be staging a play. Whether or not you have a family member involved, everyone is warmly invited to come along and see the fantastic work our pupils are achieving in Performing Arts at Glebelands.

Performing Arts Year in Review

It has been an exceptionally busy successful year for Performing Arts at Glebelands. From our Christmas Carol Concert and the Acorn Nativity to the outstanding G Live Schools' Got Talent Concert in March and our spectacular production of Grease, pupils have enjoyed a wide range of exciting performance opportunities throughout the year.

We have also expanded our musical ensembles with the introduction of a Rep Chorus, Musical Theatre Show Choir, and a Year 7 & 8 Choir, alongside our thriving School Orchestra and student led bands. Our pupils have proudly represented Glebelands through performances at Cranleigh Carnival and at each of our end-of-term assemblies, showcasing their talent, dedication, and enthusiasm.

Alongside these performances, the Performing Arts department has continued to enhance the quality of classroom Music and Drama while providing an ever-growing programme of extracurricular opportunities. It has been wonderful to see so many pupils developing their confidence, creativity, and performance skills throughout the year.

Looking ahead, we are excited to expand our programme even further with the addition of a winter play to our Performing Arts calendar next year. We look forward to welcoming audiences to another year of memorable performances and celebrating the achievements of our talented pupils.

Mr. L Forrester

House News

House System Update

As we reach the end of another successful year, it is time to celebrate the achievements, dedication, and House spirit demonstrated by our students. Across a wide range of competitions, events, and challenges, pupils have represented their Houses with enthusiasm, determination, and pride. Every point earned reflects the collective effort of our school community, and the House system continues to be a fantastic way to foster teamwork, leadership, and belonging. We would like to thank all students and staff for their contribution to this year's competition and congratulate everyone who played a part in making it such a memorable and rewarding year.

Learner of the Year

This year saw the launch of our inaugural Learner of the Year Award, celebrating students who consistently demonstrate outstanding effort, resilience and commitment to their learning. Staff nominated students who exemplify the qualities of successful learners through their hard work, positive attitude, willingness to improve, and determination to persevere when faced with challenges.

Such was the strength of competition there were over 239 nominated students. Following the nomination process, shortlisted finalists were identified, with staff then voting to select the overall winners.

Congratulations to all students who were nominated, shortlisted and awarded. We are incredibly proud of the dedication, perseverance and enthusiasm for learning shown by so many of our students this year. Their achievements are a reminder that success is built through effort, determination and a commitment to continual improvement.

Shortlisted students

The below students were shortlisted after receiving 4 or more nominations from staff, a vote then too place to determined who was the learner of the year.

Year 7	Year 8	Year 9	Year 10
Eliza Read	Alice Marshall-Dziemianczuk	Amelia Bailey	Ines-Angel Milne
Ellyia Bungaroo	Annabella Burton	Rosie Elliott	Lily-Erin MacDermott
Imogen Huffman-wright	Esther Ogunsowo	Lilly-May Pearl	Lily Southgate
Max Hanks	Theo Burge	Eloise Morris	Nickolaus Coverley
Buster Roake	Samuel Cubitt	Matthew Ford	Joshua Smith
Stefan Karagyzov	Ethan Berry	Tyler Faber	Oakley Tancred
Nasira Tombling	Abi Buckman	Harry Mason	Kara Childs and
Jake Faber	Isaac Cheetham	Poppy Dixon	Jodie Barr
		Elliot Vague	Archie Stanley
		Junior Kushonga

Winners of Learner of the Year 2026

Year 7	Year 8	Year 9	Year 10
Nasira Tombling	Abi Buckman	Poppy Dixon	Kara Childs and Jodie Barr
Jake Faber	Isaac Cheetham	Elliot Vague	Archie Stanley

We are pleased to recognise the achievements of all students involved. Every nominated student has received a letter home celebrating their nomination, while shortlisted finalists and winners have been awarded a certificate in recognition of their success. Our Learner of the Year winners were also presented with a trophy in whole school assembly, recognising their exceptional commitment to learning and the example they have set for others throughout the year.

Other Awards

Along with the Learner of the Year award, we also celebrated other individual success in the Whole School Assembly, with award for performing arts, sports and STEM being given out.

Sports Person of the Year	STEM award	Performing Arts
Pippa Tidy	Jack Betts	Lily Southgate
Oliver Allcott	Alice Maki	Eddie Gordon Smith

Lastly, we celebrated those students who had performed exceptionally well in Sparx homework this year.

Evie	Beavis	Isla	Thomas	Poppy	Dixon
Ellen	Butterfield	Mario	Mihalache	Meredith	Stott
Daniel	Bounsall-Hughes	Henry	Kettle	Alex	Darrie
Laura	Peter	Ellyia	Bungaroo	Matilda	Hammond Jones
Windy	Gamethige	Esther	Ogunsowo	Milan	Premjith

House News

Information about the House System

The House system aims to celebrate four areas of education and we have four cups / shields that students are vying for each year along with the House Shield. Students have the opportunity to gain house points towards the following – Charities Cup, Academic Cup, Sports Award and Arts Award – House Points can be earned for these categories in the following way:

Charities Cup	Academic Cup	Sports Award	Arts Award
Raising awareness and money for charity Volunteering	Commendations Sparx maths and English Tassomai Language nut competitions Departmental events	Sports day House extra-curricular activities	Bake off Music events Design events Photography events Departmental events

House Points

The current points totals are as follows:

House	Charities	Sport	Academic	Arts	Points Total
Angelou	892	699	6443	69	8103
Attenborough	965	900	5865	111	7841
Franklin	1748	811	6385	126	9070
Hawking	1216	681	6044	20	7961
Seacole	1321	731	5909	141	8102
Turing	1354	720	6733	120	8927

Cup / Award Winners

Charities	Sport	Academics	Arts	Overall
Franklin	Attenborough	Turing	Seacole	Franklin

School Council Update

All Change!

We have been very busy since the last School Council update, which included all Tutor Representatives presenting SLT feedback, results from The Big Plastic Count and other messages from Jacob, Leanna and Ben to their tutor groups. I heard fantastic things about the quality of the presentations from several tutors, so well done to our Tutor Reps! We also enjoyed Earth Week and our second School Council Meeting, which allowed the Tutor Representatives to work alongside students in different year groups as part of their committees: Diversity, Eco, Learning, Premises or Wellbeing. Thank you to Mrs Rogers and Mr Olival for sharing their expertise with the Diversity and Premises committees.

Earth Week

Now in its second successful year, Glebelands Earth Week is testament to the long-term legacy of past School Council contributions, with the first idea and plans put forward by the 2024 Eco-Committee. This year's event was launched with the **SpoGomi House competition** (the Japanese sport of litter-picking)! Here are some of our competitors being briefed by School Council Leaders before the event.

In first place were **Franklin**, with the highest quantity of litter collected and 100% of their signed-up team attending:

Lottie Booth 7FRA
Ellie Zaharieva 7FRA
Lorelai Telling 7FRA
Elsie Tilley 7FRA
Kate Radley 8FRA
Bella Burton 8FRA
Chloe Mikiri 8FRA

School Council Update

In second place were **Turing**, who showed high participation levels with the largest team attending and competing in relay:

Henry Kettle 7TUR
Jake Faber 7TUR
Alex Darie 7TUR
Patrick Byrne 7TUR
Joe Giacomuzzi 7TUR
Hugo Mewis 7TUR
Krisztina Simon 8TUR
Abi Buckman 8TUR
Mario Mihalache 8TUR

Seacole were placed third. They showed great team spirit, with Mrs Sharman also joining them in their quest! Impressive dedication!

Isabelle McGinn 7SEA
Mrs Sharman 7SEA
Tiggi Aves 8SEA
Bea Walker 8SEA
Alice Marshall-Dziemianczuk 8SEA
Isabella Lloyd 8SEA

Our runners-up all performed admirably with much smaller teams. We awarded 4th place to Attenborough, 5th to Angelou and 6th place to Hawking. However, the competition was very tight and all students who attended will be rewarded with Commendations, House Points and Queue-Jump Passes.

Lottie Wait 7ATT
Ellyia Bungaroo 7ATT
Tabitha Mason 7ATT
Maya Jones 8ANG
Seren Eveleigh 8ANG
Alice Bell 8HAW
Theo Burge 8HAW

School Council Update

A big thank you to the School Council Leaders who made this competition possible. Some are pictured above with the impressive amount of found litter gathered on what had seemed like a very clean and tidy school grounds! Good job, everyone!

The week continued with fantastic contributions in eco-themed lessons and starter activities in the majority of subjects including Geography, English, History, DT and Drama. Here are some examples of ecological learning in Science, MFL and English.

Student feedback at our School Council meeting demonstrated how they valued learning about environmental issues and solutions through the lens of each subject. Tutor time activities included Earth Week themed Mindfulness, inspirational videos on a variety of environmental topics and an activity from The Big Plastic Count. This allowed many students to contribute either full letters or quotes to be included in a letter written by the Eco-Committee to our local MP. The letters addressed several issues around single use plastics and asked for the elimination of unnecessary plastic packaging of fruit and vegetables which already have their own 'natural packaging' in the form of inedible peels. I was very impressed with many of the contributions from year 7 students in particular and several letters have now been posted to Sir Jeremy Hunt. What a fantastic way to start engaging with our democratic rights!

The week culminated with a sustainable and highly plant-based lunch from the Pantry (pictured here, above Mrs Loveday's decorative frog), plus ReUse & ReWild, the project devised and planned by Robby Olival and Dave Gunner from our premises team. This year they had the brilliant idea to rescue an old bike and to transform it into a beautiful, decorative planter with the help of some of our students. Pictured with the finished result are: Alfie Stapley, Millie Mitchell, Isabelle McGinn, Leanna Quinlan and Mrs Van Eeden. They have added extra meaning to the word 're-cycle'!

A big thank you to all staff and students who have contributed to Earth Week and other School Council endeavours in any way.

Mrs N Clark

Head of Student Personal Development

Enrichment

Exmoor Trip

The first of its kind! The Science Department took thirty enthusiastic Year 8 students to Exmoor National Park, leading with Miss Amin, Ms Lagnado and Mr Milligan in tow. Students had the opportunity to work out how force exerted affected the energy used during tree climbing, the wonders of combustion during a campfire and marshmallow tasting and visiting the rocky caves beneath Pinkery Pond. This particular activity was a student favourite, as students had the opportunity to watch the sunset and learn more about how peat bogs effect the ecosystems (a favourite examiner topic at GCSE!).

While this experience was taking place, the trip was phone free, again a first of its kind! This allowed the children to be children, roam freely and safely around the Exmoor Park while being surrounded by wild ponies and attempting to plant willow trees by the streams. Their behaviour was fantastic and the children really 'got stuck in' in all activities. 2027 is already booked and the new cohort of year 8s will be invited.

Paris 2026

Our Year 7 students recently returned from a fabulous and highly successful trip to France, packed with memorable experiences, cultural discoveries, and lots of fun with friends. The adventure began with an exciting journey on the Eurostar. Our first stop was the magnificent Château de Fontainebleau, where students explored the historic palace and learned about its fascinating history.

After a busy first day, we travelled to their accommodation, where everyone enjoyed a well-deserved rest and the opportunity to make the most of the beautiful château grounds and a lovely swim after a hot and tiring day.

On Tuesday, students headed into Paris for a day of sightseeing. A highlight of the visit was a boat cruise along the River Seine, offering wonderful views of some of the city's most famous landmarks. Although the Eiffel Tower was closed during our visit, we were still able to admire this iconic monument from the spectacular viewpoint at the Trocadéro, one of the best places in Paris to appreciate its beauty and take memorable photographs.

The following day brought another exciting adventure, as students spent the day at Disneyland Paris. From thrilling rides to magical attractions, the visit was enjoyed by everyone and was undoubtedly one of the highlights of the trip.

Throughout the visit, students embraced French culture, quickly changing their usual "Good Morning" to "Bonjour!" as well as enjoying trying French food cooked for them.

The trip was a great success and a wonderful way to round off the year. Our Year 7 students represented the school brilliantly, demonstrating enthusiasm, resilience, and excellent behaviour throughout.

Special thanks go to Mrs Rogers, Mr Mitchell and Mrs Grandvuiet for their support and dedication during the visit, working alongside Mrs Stockbridge to ensure the trip ran smoothly. Together they made a fantastic team and helped create an unforgettable experience for our students.

We are incredibly proud of all our Year 7 students and hope they have a wonderful summer after such a memorable adventure in Paris!!

Enrichment

Paris 2026

Enrichment

Wimbledon 2026

Our trip to Wimbledon on Sunday 5th July was an unforgettable experience. We were lucky enough to watch the exciting men's doubles match on Court 2, where Harri Heliovaara and Henry Patten took on Adam Pavlasek and Patrick Rikl. The atmosphere was electric, with every point cheered by the crowd. We then watched most of the brilliant match between Karolina Muchova and Barbora Krejcikova before the intense heat finally defeated us. Walking around the grounds, exploring the different courts, and soaking up the excitement of world-class tennis made it a truly wonderful day.

Why Your Support Matters

Glebelands School manages its finances effectively, but there's always a gap between available funds and the cost of providing the best possible educational experiences. The Glebelands Trust helps to bridge this gap by funding valuable resources and innovative projects across all school departments. We align all our spending with the School Development Plan, which is approved by the Governors, ensuring every penny enhances the quality of education.

Your support truly makes a difference. Every pound donated helps us provide valuable extras that enhance the school experience, from additional curriculum resources to enriching learning opportunities that go beyond the classroom.

However, over the past few years, donations have gradually diminished. At present, only twenty-six families contribute to our equivalent of the PTA fund. We are so grateful for their ongoing support – but imagine the impact if every family joined in! If every family regularly donated just £1, together we could transform what's possible for our children. Small, regular contributions add up quickly, enabling us to fund even more improvements, resources, and experiences that benefit everyone.

Let's work together to continue building a school environment we can all be proud of – one that gives every child the very best opportunities to learn, play, and thrive.

Thank you once again for your generosity, your community spirit, and your continued support.

How to Donate

Your support is crucial, and there are several ways to contribute to the Glebelands Trust:

- **Just Giving:** Please scan the QR code make a donation through Just Giving. They offer an easy 'one click' option for both monthly and one-off donations, though they do take a small commission.
- **Direct Donations:**
 - **One-off or Monthly Contributions.** £10 per month, or quarterly or annual donations. Set up a direct debit or make a one-time payment to:
 - Account Name: Glebelands School (Cranleigh) Educational Trust
 - Bank: Natwest
 - Sort Code: 52-41-56
 - Account Number: 48271462
- **Online Shopping Donations:**
 - **Easy Fundraising:** Register and select Glebelands School (note: not the Trust) as your charity. Shop through their site, and a percentage of your purchase is donated.
 - **Give as You Live:** Similar to Easy Fundraising, register at giveasyoulive.com and choose Glebelands School Trust. Donations are made as you shop.

Gift Aid: Enhance your contribution by an extra 25% at no additional cost to you. Just complete the Gift Aid form and return it to the school office.

Sports Day

Sports Day 2026

Sports Day was finally held on Wednesday 15th July. The students competed brilliantly across several activities and events and there were some excellent performances with several records broken.

Florence G in Year 7 broke the High jump record that had stood since 1997. Meredith S broke the Year 8 girls 1500m record, Frankie L broke the Boys Year 9 200m record, Stan G broke the Year 10 boys 300m record and finally the Franklin Year 10 boys relay team broke the school record.

Sporting Leaders

When I first looked at a class of forty-two Sports Leaders, I'll admit I was a little apprehensive. However, it quickly became one of the most enjoyable and rewarding groups I have ever worked with.

From day one, the students embraced every challenge thrown their way. They learned that leadership is not about getting everything right the first time, but about being willing to fail, reflect and improve. Whether they were trying to communicate across a busy playground and realising they couldn't hear each other, adapting their strategies, or taking part in activities such as Duck Duck Goose and the Jelly Bean Game, every challenge became an opportunity to learn, grow and have fun.

What started as a group of enthusiastic students developed into an outstanding cohort of young leaders. Throughout the year, they made a significant contribution both within school and across the local community. They successfully supported five internal events and seven external events, helping at sports days across our feeder schools as well as district sports events. The year concluded with our fantastic Year 7 Leadership Morning, where they once again demonstrated the skills and confidence they had developed throughout the course.

Most importantly, these students have been exceptional role models. At every event they upheld the school's ethos of Respect and Achieve, representing themselves and the school with maturity, enthusiasm and professionalism. Their willingness to give up their time to support others, encourage participation and lead by example has been truly inspiring.

I could not be prouder of this group and everything they have accomplished this year. Watching them grow as leaders, develop their confidence and make such a positive impact on others has been a genuine pleasure. Thank you for all your hard work, commitment and dedication. You have been an incredible group of Sports Leaders, and it has been an absolute privilege to run this course for you.

Sporting Cups & Colours

The overall results for each year group and overall are below-

Year Totals

Year 7	Total Rank Year 8		Total Rank Year 9		Total Rank Year 10		Total Rank				
Angelou	114	5	Angelou	137	4	Angelou	143	3	Angelou	85	6

Turing	162	101	139	108	510	5

The end of term PE Department Cups and Colours awards took place at the end of term with students being recognised for their effort and commitment to extra curricular activities.

The main prize winners for Year 9 and 10 were as follows-

Year 9

- Junior Boys cricket player- Sam Holligsworth
- Junior Girls cricket player- Amelia Liddicott
- Junior Rounders player-Elliott Vague
- Junior Tennis player- Tyler Faber
- Junior Boys Athlete- Daniel Hollingsworth
- Junior Girls Athlete- Thalia Money
- Junior Sports Boy- Matthew Ford
- Junior Sports Girl- Iris Lamont

Sporting Cups & Colours

The Year 9 winners- not pictured Elliott Vague, Tyler Faber, Iris Lamont, Amelia Liddicott

Year 10

Senior Boys cricket player- Oliver Turfrey

Senior Girls cricket player- Evie Ross

Senior Rounders player- Pippa Tidy

Senior Tennis player- Oscar Habens

Senior Boys athlete- Stanley Grist

Senior Girls athlete- Zoe Arrowsmith

Senior Sports Perseverance- Kara Childs

Senior Sports Personality- Daniel Stovold and Josh Smith

Senior Sports Boy- Oliver Allcott

Senior Sports Girl- Pippa Tidy.

Year 10 winners- Not pictured Josh Smith, Stanley Grist, Oliver Turfrey

Sporting Achievements

ATHLETICS

District Sports

The annual District Sports event was held on 17th June at the Guildford Spectrum. The students competed across a range of athletic events. There were several brilliant performances with many of the team placing in the top three in their events. The Year 8 team finished third overall and the Year 10 girls won their competition with the Year 10 team finishing second overall. Glebelands finished third overall. Well done to all those involved.

Girls Cricket | U13

The U13 cricketers have shown great commitment to training this term. They have all improved their skills and had lots of fun whilst doing so! The U13A team have had huge success, making the finals of the Surrey U13 Smash-It competition after a very close game against Salesian in which the girls showed incredible determination and calmness under pressure. Unfortunately, the finals day was cancelled due to the hot weather but a great achievement, nonetheless. The U13B team played against Prior's Field this half term, although they lost to strong competition the girls relished the opportunity to put what they had been doing in training into practice. |

Sporting Achievements

U15 Cricket

The U15 girls cricket team played against Prior's Field and St Cat's this half term. There was great bowling in both games to keep the opponent's score low but unfortunately the girls could not score highly enough in their batting innings to beat the strong opposition.

Boys Cricket round up-

Unfortunately, there have been several fixtures postponed this half term, partly due to weather and partly due to opposition schools not fielding teams. As a result, we have not played as many matches as planned.

Year 7

v Christs College.

This was played indoor due to the weather. Albie and Archie Top scored and Stefan, Toby, Adam, Henry and Max took wickets but Christs took the win chasing the Glebelands total of 70 in 12 overs.

v Broadwater

The second match of the half term was against Broadwater school. This was a close game with Glebelands chasing 62 to win. Wickets were taken by Adam, Daniel, Kieron, Henry, Sam, Archie and Toby (3). In reply Albie and Kieron batted well to give the team a good start and then Toby came in and hit a quick fire 18 runs to win the game in the 13th over.

v Guildford County.

This was another very close match. Glebelands bowled first with wickets taken by Henry (caught by Kieran) and Stefan (2). The Glebelands batting started well with Toby hitting twenty before retiring and then Sam (14). The run chase was close when Henry and Kieran came into bat but both played well hitting 7 and 15 respectively and the winning runs were hit with 8 balls left.

v Weydon

The second match needed to be played indoors due to weather.

The team batted first and Weydon took several early wickets to restrict the scoring and leave Weydon chasing a small total. However, Glebelands bowled and fielded very well and seven wickets were taken with Tom, Reuben, Ben and Sam all taking wickets, but Weydon won the match overall.

Year 9

v Rodborough

The Year 9s's played a match at the end of the term against Rodborough. This was a good, close game. Glebelands scored 107, with Sam retiring on 32, Daniel retiring on 30 and Adam hitting 25 runs. Sam then bowled a great first over, taking three early wickets but Rodborough fought back and despite Matthew and Oliver taking wickets Rodborough hit the runs they needed with 41 two overs to spare.

Sporting Achievements

Tennis

Girls and boys in years 7-10 have represented the school brilliantly in tennis fixtures this half term against George Abbott, St Cat's, Christ's College, and Guildford County. All the tennis players have shown great enthusiasm and sportsmanship in all their games. There have been very few matches lost across all fixtures – well done all!

On Tuesday 14th July there was the 'Glebelands Open' tournament, well done to all that attended, the winners were:

- Year 7 boys – still to be decided
- Year 7 girls – Ruby Lynn, Ellie Zaharieva & Ellen Butterfield
- Year 8 boys – Mackenzie Vince
- Year 9 boys – Tyler Faber
- Year 10 boys – Oscar Habens
- Year 10 girls – Kara Childs.

Rounders

The Year 7 Rounders team took part in the Guildford & Waverley Rounders Tournament at Glebelands and finished in second place. Although the weather meant we had to move indoors, the team adapted brilliantly, creating a great atmosphere and producing some fantastic fielding in a fast-paced contest. Well done to all the players who took part, and congratulations to George Abbot for winning the tournament.

The year 9 & 10 mixed rounders teams took part in a tournament at Woolmer Hill this half term. They played exciting games against Woolmer Hill, Broadwater, and George Abbott. Well done all!

Sporting Achievements

Cheerleading

Our new school cheerleading squad proudly represented the school at this year's Cranleigh Carnival, delivering two energetic and entertaining routines for the crowd.

The team showcased their hard work, dedication, and teamwork, performing with confidence and enthusiasm. Their outstanding performances were enjoyed by the many spectators attending the carnival and highlighted the talent of our students.

If you were also lucky enough to come to the school performance of Grease they also performed a cameo appearance in the fantastic production.

A huge congratulations to all of our cheerleaders for their fantastic performances and for representing the school so positively. We are incredibly proud of your commitment and enthusiasm.
