3 Policy Statement

The Board of Trustees of Learning Partners Academy Trust (“the trust”), believes that all members of our school community should be able to learn and achieve in a safe, secure and purposeful environment. We value the development of strong, positive and appropriate relationships among all members of our school community so that everyone feels welcome and included.

Each school within the trust will have their own school behaviour policy which will reflect the specific arrangements within each school. However, underpinning these local policies are core behaviour principles as set out below:

- Every pupil understands they have the right to feel safe, valued and respected, and learn free from the disruption of others
- All pupils, staff and visitors are free from any form of discrimination
- Staff and volunteers set an excellent example to pupils at all times
- Rewards, sanctions and reasonable force are used consistently by staff, in line with the school’s behaviour policy
- The school’s behaviour policy is understood by pupils and staff
- Staff are equipped with the training, guidance and leadership support necessary to manage behaviour effectively
- Behaviour systems are closely aligned with safeguarding responsibilities
- Behaviour approaches and policies are inclusive and support all pupils, including those with SEND or additional vulnerabilities
- The exclusions policy explains that exclusions will only be used as a last resort, and outlines the processes involved in permanent and fixed-term suspensions
- Pupils are helped to take responsibility for their actions

- Families are involved in behaviour incidents to foster good relationships between the school and all those involved in a child's home life

The trust also emphasises that violence or threatening behaviour will not be tolerated in any circumstances.
